INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
CORE Community Organized Relief Effort 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of CORE Community Organized Relief Effort 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of CORE Community Organized Relief Effort 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CORE Community Organized Relief Effort 403(b) Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CORE Community Organized Relief Effort 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CORE Community Organized Relief Effort 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, line 4i-Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4a-Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CORE COMMUNITY ORGANIZED RELIEF EFFORT 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the CORE Community Organized Relief Effort 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a defined contribution plan covering substantially all employees of the CORE Community Organized Relief Effort (the “Organization”) and meets all requirements for plan qualification under Section 403(b) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Eligibility

All employees are immediately eligible to participate in the Plan except non-resident aliens and employees who normally work less than 20 hours a week. Eligible employees, except for employees covered by a collective bargaining agreement, who have reached the age of 21 and who have completed three months of service are eligible to receive Organization contributions.

3. Contributions

Participants may elect to contribute on a tax-deferred basis and/or make Roth contributions, up to the maximum deferral limit per Section 402(g)(1) of the IRC. Participants who reach age 50 by the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from another eligible retirement plan, as defined. The Organization may make discretionary matching and discretionary non-elective contributions, and qualified non-elective contributions (see Note H).

4. Investment Options

Participants may direct employee and Organization contributions as desired in any of a variety of investment options offered by Newport Trust Company, the custodian, as chosen by the Organization. Participants may change their investment options daily.

5. Participant Accounts

Each participant’s account is credited with the participant’s contributions, rollovers, the Organization’s matching contributions, if any, and allocations of the Organization’s non-elective contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

CORE COMMUNITY ORGANIZED RELIEF EFFORT 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Vesting

Participant contributions, rollover contributions, qualified non-elective contributions and actual earnings on all such contributions are fully vested at all times. Vesting in the Organization's discretionary matching and discretionary non-elective contribution portions of participant accounts is based on years of service as follows:

<u>Years of Service</u>	<u>%</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

7. Notes Receivable from Participants

The Plan does not allow participant loans.

8. Benefit Payments

Upon termination of service due to retirement, permanent disability, or death, a participant or a participant's beneficiary is entitled to receive a lump-sum amount equal to the total value of the participant's account balance. Participants who terminate for other reasons are entitled to receive a lump-sum distribution of their vested account balance. In-service and hardship distributions are permitted if certain criteria are met.

9. Forfeitures

Forfeitures attributable to terminated participants' non-vested accounts may be used to pay reasonable plan expenses or to fund Organization contributions. There were no outstanding forfeitures available at December 31, 2021 and 2020.

10. Plan Termination

Although it has not expressed such intent, the Organization reserves the right, at any time, to terminate the Plan subject to the provisions of ERISA by action of its Board of Directors. Upon termination of the Plan, further contributions to the Plan shall cease, participants would become 100% vested in their Organization contributions, and the assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

2. Plan Administration

The Organization is the plan sponsor and the plan administrator. The administrator of the Plan is responsible for carrying out the duties imposed under ERISA.

3. Investment Valuation and Income Recognition

The investments of the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Administrative Expenses

Certain recordkeeping expenses are paid by the Plan. Investment related expenses are included in net appreciation/depreciation in fair value of investments. Substantially all out-of-pocket administrative expenses of the Plan are paid by the plan sponsor. Expenses that are paid by the plan sponsor are excluded from these financial statements.

5. Payment of Benefits

Benefits are recorded when paid.

6. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

CORE COMMUNITY ORGANIZED RELIEF EFFORT 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE C - INFORMATION CERTIFIED BY CUSTODIAN

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Newport Trust Company, the custodian, as complete and accurate, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule:

- Investments reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020
- Net investment income reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021
- Investments reflected in the Schedule of Assets (Held at End of Year)

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CORE COMMUNITY ORGANIZED RELIEF EFFORT 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<i>Assets at Fair Value as of December 31, 2021</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Assets in the fair value hierarchy:				
Mutual funds	\$ 825,270	\$ -	\$ -	\$ 825,270
<i>Assets at Fair Value as of December 31, 2020</i>				
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>
Assets in the fair value hierarchy:				
Mutual funds	\$ 375,031	\$ -	\$ -	\$ 375,031

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Plan investments are held with Newport Trust Company, the custodian and record-keeper for the Plan. These transactions qualify as party-in-interest transactions.

During the years ended December 31, 2020 and 2021, the Employer failed to remit employee contributions totaling \$1,655 and \$56,465, respectively, to the Plan on a timely basis in accordance with Department of Labor Regulations. As a result, lost earnings on these untimely contributions will be remitted to the Plan and allocated to participant accounts in 2023.

CORE COMMUNITY ORGANIZED RELIEF EFFORT 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE G - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per the financial statements	\$ 826,925	\$ 384,178
Less: Employee contributions receivable	(1,655)	(9,147)
Net assets available for benefits per the Form 5500	<u>\$ 825,270</u>	<u>\$ 375,031</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of the Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits per the financial statements	\$ 442,747
Net change in:	
Employee contributions receivable	7,492
Net increase in net assets available for benefits per the Form 5500	<u>\$ 450,239</u>

NOTE H - TAX STATUS

The Organization is a tax-exempt organization under IRC Section 501(c)(3), and adopted a volume submitter 403(b) plan ("volume submitter plan") which received a favorable opinion letter dated March 31, 2017, in which the Internal Revenue Service (IRS) stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator and the Plan's advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, with the exception of the operational error noted below. Administration errors, if any, which are insignificant or operational in nature, are handled by the administrator in accordance with applicable IRS correction policies. During the year ended December 31, 2021, the Organization discovered an error relating to the failure to timely enroll a participant into the plan. As a result, the Organization remitted a qualified non-elective contribution totaling \$4,209 and allocated this amount to the affected participant's account. Therefore, the plan administrator believes that the Plan was qualified and no provision for income taxes has been reflected in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I - SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was amended to eliminate the three-month service requirement for Organization contributions.

Effective January 1, 2023, the Plan was amended to include part-time employees, eliminate the age 21 requirement, exclude leased employees, and to make all Organization contributions 100% vested.

Plan management has evaluated subsequent events through May 24, 2023, the date the financial statements were available to be issued.
