INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
403(b) Thrift Plan for Penn-Mar Organization, Inc.
Maryland Line, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan for Penn-Mar Organization, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Penn-Mar Organization, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s ability to continue as a going concern for one (1) year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

403(b) Thrift Plan for Penn-Mar Organization, Inc.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Penn-Mar Organization, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control - related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

403(b) Thrift Plan for Penn-Mar Organization, Inc.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of 403(b) Thrift Plan for Penn-Mar Organization, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 1, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC. NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 1: Description of Plan

The following description of 403(b) Thrift Plan for Penn-Mar Organization, Inc. (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, a 403(b) Thrift Plan sponsored by Penn-Mar Organization, Inc. (the Organization), covers all eligible employees under the Plan's provisions. Employees other than student employees or non-resident aliens without US income are eligible to contribute to the Plan upon hire. Employees who have completed one thousand (1,000) hours of service within one (1) year following their hire date, and have attained the minimum age of eighteen (18) are eligible for discretionary matching contributions. The Administrative Committee and Plan management are responsible for the oversight of the Plan and they determine the appropriateness of the Plan's investment offerings and monitor investment performance.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. Plans were permitted to adopt these provisions immediately provided the Plan document is retroactively amended on or before December 31, 2022. Plan management elected to adopt the following provision:

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$50,000. Active employees who receive a coronavirus-related distribution from the Plan (or from any other eligible retirement plan) may repay all or any portion of the distribution to the Plan within the three (3) year period beginning on the date after the distribution.
- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments through December 31, 2020 be deferred. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one (1) year.
- Required Minimum Distribution rules for distributions required for the 2020 calendar year are temporarily waived (Plan participants and beneficiaries may still request to receive a distribution in 2020 if they prefer).

Contributions

Each year, the participants may contribute annual compensation of up to the maximum allowable by the Internal Revenue Code (IRC). Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Organization provides for discretionary matching contributions on elective deferrals, for eligible participants, of two hundred fifty percent (250%) of the participant's elective contributions, with a maximum up to five percent (5%) of compensation. For the years ended June 30, 2022 and 2021, the Organization made matching contributions of \$582,315 and \$546,173, respectively.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and the Organization's matching contribution and allocations of Plan earnings (losses), and any administrative expenses paid by the Plan. Allocations are based on participants' earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Effective July 1, 2020, the Plan was amended to implement a safe harbor employer match. Participants are one hundred percent (100%) vested in these contributions. Prior to July 1, 2020 vesting in the Organization's contribution portion of their accounts is based on years of continuous service at a rate of twenty-five percent (25%) for each year of service beginning with year two (2). A participant would be one hundred percent (100%) vested after five (5) years of service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or fifty percent (50%) of their vested account balance. Loan terms range up to five (5) years unless the proceeds are used for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at rates ranging from five and one-quarter percent (5.25%) to six and three-quarters percent (6.75%), which are commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments not to be made over any period that exceeds the life expectancy of the participant and the participant's beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In-service distributions may be made to a participant who has attained the age of fifty-nine and one-half (59 ½), not to exceed the vested amount in the distributing account nor permitted from Roth deferrals. Upon the occurrence of specific events, the entire vested account balance is to be distributed to the participant if their vested account balance is less than \$5,000.

Forfeitures

Periodically, the Plan will have forfeited non-vested funds by terminated employees. Monies from forfeitures are used to pay administrative expenses or reduce the Organization's contributions. At June 30, 2022 and 2021, forfeited nonvested accounts totaled \$6,109 and \$18,809, respectively. For the year ended June 30, 2022, the Organization's contributions and administrative expenses were reduced by \$22,739 from forfeited nonvested accounts.

Hardship Withdrawals

Hardship withdrawals are permitted in accordance with the Plan Agreement.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for direct investments in fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to such fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for direct investments in fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are recorded as administrative expenses when incurred. As of June 30, 2022 and 2021, no allowances for credit losses have been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and a benefit payment is recorded based on the terms of the Plan Agreement.

Contributions Receivable

Contributions from the employer and participants of the Plan are accrued in the period in which they become obligations under provisions of the Plan Agreement. The contributions not received by the Plan for the years ended June 30, 2022 and 2021 amounted to \$29,159 and \$32,568, respectively, and are reported as receivable on the statements of net assets available for benefits. The balances as of June 30, 2022 and 2021 are a result of several corrective contributions that were owed to the Plan to correct for missed employer contributions. In the Plan's opinion, the balance of contributions receivable at June 30, 2022 is fully collectible.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 2: Summary of Significant Accounting Policies (Continued)

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable and payments of benefits from participants are charged directly to the participant's account and are included in administrative expenses.

Date of Management's Review

The Plan has evaluated events and transactions that occurred during the period from the date of the financial statements through April 14, 2023, the date the Plan's financial statements were available to be issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Plan's financial statements.

Note 3: Information Prepared and Certified by the Plan's Custodians

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company) and Mutual of America Life Insurance Company (Mutual of America), the custodians of the Plan, except for comparing such information certified by the custodians to information included in the Plan's financial statements, as of June 30, 2022 and 2021, and supplemental schedule of assets held for investment purposes at end of year June 30, 2022.

	2022	2021
Investments:		
Principal Trust Company		
Mutual Funds - at Fair Value	\$ 10,087,467	\$ 10,804,490
Guaranteed Investment Contract - at Contract Value	1,027,135	808,093

TOTAL INVESTMENTS	\$ 11,121,454	\$ 11,619,844
NOTES RECEIVABLE FROM PARTICIPANTS	\$ 267,932	\$ 239,338

The custodians also certified to the completeness and accuracy of \$(1,870,099) of net appreciation (depreciation) in fair value of investments, \$212,930 of interest and dividend income related to the aforementioned investments and \$13,332 of interest income on notes receivable from participants for the year ended June 30, 2022.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 4: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three (3) levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

403(B) THRIFT PLAN FOR PENN-MAR ORGANIZATION, INC.
NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 4: Fair Value Measurements (Continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2022 and 2021.

	<u>Fair Value</u>	<u>(Level 1)</u>
JUNE 30, 2022		
Mutual Funds	<u>\$ 10,089,868</u>	<u>\$ 10,089,868</u>
INVESTMENTS, AT FAIR VALUE	<u><u>\$ 10,089,868</u></u>	<u><u>\$ 10,089,868</u></u>
JUNE 30, 2021		
Mutual Funds	<u>\$ 10,807,304</u>	<u>\$ 10,807,304</u>
INVESTMENTS, AT FAIR VALUE	<u><u>\$ 10,807,304</u></u>	<u><u>\$ 10,807,304</u></u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended June 30, 2022, is reported in net appreciation (depreciation) in fair value of investments.

Note 5: Guaranteed Investment Contracts with Insurance Companies

The Plan entered into fully benefit-responsive guaranteed investment contracts with Principal Trust Company and Mutual of America. Principal Trust Company and Mutual of America maintain the contributions in a general account. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than one percent (1%). The crediting rate is reviewed on a quarterly basis for resetting.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Trust Company and Mutual of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Note 5: Guaranteed Investment Contracts with Insurance Companies (Continued)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

Note 6: Tax Status

The Plan is a qualified volume submitter plan under the Internal Revenue Code (IRC) as per opinion letter dated March 31, 2017. The Plan has since been amended, however, the Plan Administrator believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and is tax exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The previous three (3) tax years remain subject to examination by the IRS.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their Organization contributions.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022 and 2021

Note 9: Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are interests in mutual funds and guaranteed investment contracts managed by Principal Trust Company and Mutual of America. Principal Trust Company and Mutual of America are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in the net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payment of certain administrative expenses in the amount of \$79,034 for the year ended June 30, 2022. The Plan sponsor pays directly certain fees related to the Plan's operations.

Some trustees of the Plan are also participants in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10: Rollover Contributions

In accordance with the Plan Agreement, qualified direct rollovers are permitted by the Plan. An aggregate of \$208,792 was rolled into the Plan during the year ended June 30, 2022 and is included in rollovers on the statement of changes in net assets available for benefits.
