INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Plan Participants
The Stony Brook School 403(b) Defined Contribution Plan
Stony Brook, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Stony Brook School 403(b) Defined Contribution Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Stony Brook, New York

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter —Supplemental Schedule(s) Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by or certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE STONY BROOK SCHOOL 403(B) DEFINED CONTRIBUTION PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN:

The following brief description of the Stony Brook School 403(b) Defined Contribution Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution retirement plan covering all employees of The Stony Brook School (the School). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

Participants may make elective deferral contributions up to the limits prescribed by law. Participants who have attained age 50 and/or have 15 years of service before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. All employees are eligible to make elective deferrals to the Plan.

After completing 30 days of service, participants who work in excess of 20 hours a week and are expected to complete 1,000 hours of service within the year are eligible for employer matching contributions. Temporary and intern employees are excluded from employer contributions. The School provides an employer matching contribution of 7.5% of compensation, provided the Participant's elective deferral contributions equal or exceed 5%.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the School's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed.

VESTING

Participants are vested immediately in all contributions plus actual earnings thereon.

THE STONY BROOK SCHOOL 403(B) DEFINED CONTRIBUTION PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN, continued:

PARTICIPANT LOANS

Participants may apply for a loan from their participant account. The total of the loans that a participant has outstanding is limited to the lesser of \$50,000 or 50 percent of the participant's account balance. Participant loans bear interest at a rate determined by the Plan administrator. Each loan shall be amortized in level payments, not less frequently than quarterly, over a maximum of 5 years (with certain exceptions for loans used to acquire a principal residence). Participant loans are reported as notes receivable from participants on the statements of net assets available for benefits.

PLAN LOANS

Participants may borrow from TIAA a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Plan loans are limited to elective contributions. TIAA loans are Plan loans and are excluded from net assets available for benefits. These loans, which total approximately \$36,000 and \$73,000 as of December 31, 2022 and 2021, respectively, are secured by the balance in the participant's account and bear interest between 4.00% to 4.67%. Principal and interest are paid ratably monthly.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or attaining age 59 ½, a participant with an account balance of \$1,000 or more may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a lump sum, partial payments, installment payments, or annuity contracts. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum amount. If the vested balance of the account is less than \$1,000, the participant will receive a lump sum amount.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Investment management and administrative fees paid to TIAA are netted with net depreciation in fair value of investments on the statement of changes in net assets available for benefits. All other administrative expenses, such as consulting and accounting fees, were paid by the School.

Notes to the Financial Statements

December 31, 2022 and 2021

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Teacher's Insurance and Annuity Association and College Retirement Equities Fund (TIAA and CREF), a qualified institution, has certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits, as of December 31, 2022 and 2021, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the supplemental Schedule H, Line 4i–Schedule of Assets (Held at End of Year) as of December 31, 2022.

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
As of December 31, 2022:				
Variable annuity contracts	\$ 13,196,214	\$ 13,196,214	\$ -	\$ -

Notes to the Financial Statements

4. FAIR VALUE MEASUREMENTS, continued:

Variable annuity contracts are valued using Level 1 inputs, and are primarily valued using market quotations or prices obtained from independent pricing sources. Variable annuity contracts are funded through a separate account that invests in mutual funds. The underlying investments are primarily valued using market quotations or prices obtained from independent pricing sources. Non-benefit responsive fixed annuity contracts are reported at contract value, which represents fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. Crediting rates are a combination of a guaranteed rate and an annually established discretionary rate. Additionally, the discretionary rate applied to contributions received during a reporting period may vary from the discretionary rate applied to account balances at the end of the prior reporting period.

Changes in valuation techniques: None.

The following table provides further details for the Level 3 fair value measurements:

Purchases	\$ 589,541
Sales	\$ (693,087)

The following table presents information about significant unobservable inputs related to the Plan's investment in the TIAA Traditional Annuity:

	Fair Value	Valuation Technique	Significant Unobservable Inputs	Range (Weighted Average)
As of December 31, 2022:				
TIAA Traditional Annuity Non benefit-responsive	\$ 4,465,818	Discounted cash flow	Risk-adjusted discount rate applied	3.00-6.25%
As of December 31, 2021:				
TIAA Traditional Annuity Non benefit-responsive	\$ 4,385,802	Discounted cash flow	Risk-adjusted discount rate applied	3.50-4.25%

THE STONY BROOK SCHOOL 403(B) DEFINED CONTRIBUTION PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by TIAA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at December 31, 2022 and 2021, was \$2,792,100 and \$1,040,500, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreements prior to the scheduled maturity date.

6. PLAN TERMINATION:

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

THE STONY BROOK SCHOOL 403(B) DEFINED CONTRIBUTION PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

7. **TAX STATUS:**

The Plan has adopted a volume submitter plan document sponsored by TIAA. The volume submitter plan sponsor has obtained an opinion letter dated August 7, 2017, in which the Internal Revenue Service stated that the pre-approved volume submitter plan was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not received a determination letter from the IRS. The opinion letter did not include a review of the effect on the Plan of certain recent tax laws that have become effective after December 31, 2019. Certain operational issues were identified, that if not corrected, could jeopardize the tax exempt status of the Plan. The School will make whatever corrections are necessary and, therefore, believe that the Plan will remain qualified.

8. **RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. **PARTY-IN-INTEREST TRANSACTIONS:**

TIAA and CREF, the custodians of the Plan, manage Plan investments. Therefore, these transactions qualify as party-in-interest transactions and are denoted as such on the supplemental schedule of assets (held at end of year). For the year ended December 31, 2022, \$107,019 of indirect fees were paid by the Plan to these parties-in-interest for the investment management services and were included as a reduction of the return earned on each fund.

10. **SUBSEQUENT EVENTS:**

Subsequent events have been evaluated through May 25, 2023, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
