To the Administrator of
NextCapital Group
Retirement Plan

We have conducted an ERISA Section 103(a)(3)(C) the financial statements of NextCapital Group Retirement Plan (the Plan), as of and for the period January 1, 2022 through December 6, 2022, and have issued our report thereon dated May 31, 2023. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our ERISA Section 103(a)(3)(C) audit and except that we will not include a consideration of internal control relating to the information prepared and certified to by a qualified institution, we considered the internal controls of NextCapital Group Retirement Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal controls.

Our Responsibility in Relation to the Financial Statement Audit (continued)

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report, in order to identify any material inconsistencies between the draft Form 5500 and the financial statements. We identified no material inconsistencies in performing and completing our audit.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm have complied with all relevant ethical requirements regarding independence.

As communicated in our engagement letter, our performance of nonattest services does not include assuming management responsibilities or making management decisions. In relation to such nonattest services, you have agreed to assume all management responsibilities for the nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them. However, the performance of nonattest services creates the potential for circumstances that may impair independence ("threats"). We have identified and evaluated the self-review and management participation threats created by our performance of nonattest services. In order to reduce such threats to an acceptable level, we have taken certain measures or actions ("safeguards"), including the following:

- Policies and procedures that are designed to implement and monitor engagement quality control;
- The involvement of another professional accountant who (a) reviews the work that is done for a client or (b) otherwise advises the engagement team. This individual is someone from within the firm who is not otherwise associated with the engagement; and
- Policies and procedures that are designed to ensure that members of the engagement team do not make or assume responsibility for management decisions for the client.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note 1 to the financial statements. Other than the change to the liquidation basis of accounting pursuant to the Plan's termination, no new accounting policies were adopted and the application of existing policies was not changed during the period January 1, 2022 through December 6, 2022. Other than the Plan termination as referenced in Note 3 to the financial statements, no matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. We evaluated the key factors and assumptions used to develop the information used in the financial statements and determined that it is reasonable in relation to the basic financial statements taken as a whole.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There are no financial statement disclosures that are particularly sensitive because of their significance to financial statement users.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. No misstatements were noted a result of our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to NextCapital Group Retirement Plan's financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management that are included in the management representation letter dated May 31, 2023.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters or Issues

In the normal course of our professional association with NextCapital Group Retirement Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as NextCapital Group Retirement Plan's auditors.

Intended Use of This Letter

This report is intended solely for the information and use of the Administrative Committee and management of NextCapital Group Retirement Plan and is not intended to be and should not be used by anyone other than these specified parties.

REPORT OF INDEPENDENT AUDITORS

To the Participants and Administrator of
NextCapital Group Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed audits of the financial statements of NextCapital Group Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 6, 2022 (date of liquidation) and December 31, 2021 (ongoing), and the related statement of changes in net assets available for benefits in liquidation for the period January 1, 2022 through December 6, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 6, 2022 and December 31, 2021, and for the period January 1, 2022 through December 6, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation

As described in Note 3, as a result of NextCapital Group (the Plan sponsor) being acquired by another company, the Administrative Committee approved the termination of the Plan effective August 25, 2022, and a plan of liquidation was developed shortly thereafter. All net assets were distributed during the period ended December 6, 2022. Our opinion is not modified with respect to this matter.

Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Administrative Committee approved a plan of liquidation on August 25, 2022, and the Plan determined liquidation is imminent. As a result, the Plan changed its basis of accounting from the going concern basis to the liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 6, 2022 (DATE OF LIQUIDATION) AND 2021

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of NextCapital Group Retirement Plan (the Plan) have been prepared using the accrual basis of accounting. The Administrative Committee approved termination of the Plan and implemented a plan of liquidation as of August 25, 2022, and the Plan determined liquidation to be imminent. There was no difference between the accrual basis of accounting and the liquidation basis of accounting, which is required for a terminated plan.

Investments - Investments were reported at fair value. The fair value of a financial instrument is the amount that would have been received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation included the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments were reflected on a trade-date basis.

Dividend income was recorded on the ex dividend date. Interest income was recorded on the accrual basis.

Notes Receivable from Participants - Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees were recorded as administrative expenses and were recorded when incurred. No allowance for credit losses had been recorded as of December 31, 2021. Delinquent notes receivable from participants were recorded as a distribution based upon the terms of the plan document.

Payment of Benefits - Distributions to participants were recorded when paid. There were no participants who elected to withdraw from the Plan but were not yet paid at December 6, 2022 and December 31, 2021.

Expenses - Certain management and administrative services were provided to the Plan by NextCapital Group (the Company) without charge. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net (depreciation) in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events - Subsequent events have been evaluated through May 31, 2023, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information.

The Plan was a defined contribution retirement plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan were not insured by the Pension Benefit Guaranty Corporation. The Company was the sponsor of the Plan and established the Plan in August 1997 for the benefit of its employees. Fidelity Management Trust Company was the Trustee of the Plan's assets. Fidelity Workplace Services, LLC was the recordkeeper for the Plan.

Prior to its termination as described in Note 3, employees were eligible to participate in the Plan with respect to employee deferrals and employer matching contributions immediately upon hiring with the Company. The Company also could make annual discretionary contributions. Employees became eligible to receive the Company's annual discretionary contribution, if applicable, by completing at least 1,000 hours of service during the Plan year. Employees must also have been employed on the last day of the year in order to receive a profit sharing contribution for a particular year. For the period January 1, 2022 through December 6, 2022 and year ended December 31, 2021, the Company did not make any discretionary contributions.

Prior to termination as described in Note 3, participants could contribute from 1% to 90% of pre-tax eligible compensation (salary reduction contributions), as defined by the Plan. Employees could also designate some or all deferrals as ROTH deferral contributions. All contributions to the Plan were subject to an annual limit as required by the Internal Revenue Code. Participants could also roll over amounts representing distributions from other qualified retirement plans. Generally, participants who were at least age 50 were eligible to make catch-up contributions limited to \$6,500 in 2022 and 2021.

Prior to termination as described in Note 3, the Company matched 100% of the first 5% eligible compensation contributed by the participant.

Prior to termination as described in Note 3, upon enrollment in the Plan, participants could direct contributions to any combination of investment options offered by the Plan. In the absence of participant direction, contributions were invested in a default target date fund. In addition, participants had the right to change their investment elections with respect to future contributions and transfer existing account balances between the various investment options at any time.

Prior to termination as described in Note 3, each participant's account was credited with the participant's salary reduction contribution and the Company's matching contributions, and earnings (losses), net of administrative expenses. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Prior to termination as described in Note 3, participants were immediately vested in their salary reduction contributions. Participants became vested in the Company matching and discretionary contributions, if any, based on the participant's years of service, as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1	25%
2	50%
3	75%
4	100%

Upon retirement at age 55, or termination of employment with the Company due to death or total disability, participants became 100% vested in their entire account balance. The Plan also allowed for hardship withdrawals under specific circumstances.

Pursuant to Plan termination as described in Note 3, all participants became fully invested in their account balance.

Forfeited non-vested account balances were available to reduce future Company matching contributions or to pay Plan administrative expenses. At December 6, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$12,766 respectively. For the period January 1, 2022 through December 6, 2022 and year ended December 31, 2021, forfeitures reduced Company matching contributions by \$65,991 and \$110,752 respectively.

Prior to termination as described in Note 3, benefits were paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined by the Plan. The total vested portion of a participant's account balance was distributed in the form of a lump-sum payment. Upon termination of employment or retirement, if a participant had a vested account balance greater than \$1,000 but \$5,000 or less, the Company could roll it over in a lump-sum distribution to an Individual Retirement Account selected by the Company, unless the participant elected otherwise. In-service withdrawals were allowed for participants on all vested accounts upon attaining age 59½.

Prior to termination as described in Note 3, active participants could obtain a loan with a repayment period no longer than five years, unless such loan was for the purchase of a primary residence, in which case the repayment period could not extend beyond 10 years from the date of the loan. Participants could have only two loans outstanding at any time and could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the highest outstanding loan balance during the previous 12 months, or 50% of their vested account balances. The interest rate on all loan balances as of December 31, 2021 was 6.25%. Principal and interest were generally repaid ratably through payroll deductions.

Participants should refer to the summary plan description for more information.

NOTE 3. PLAN TERMINATION

On March 24, 2022, the Company was purchased by another company. As a result, the Company instructed Fidelity, the Trustee and recordkeeper of the Plan, that the Plan was terminated effective August 25, 2022. Participant accounts became fully vested as of that date. Pursuant to termination of the Plan, Fidelity initiated a blackout period to allow for the processing of final contributions, reconciliation and required compliance tests. The final distribution of assets was made on December 6, 2022.

There were no items not previously recognized by the Plan that it expected to use to settle liabilities, nor any costs to dispose of assets pursuant to liquidation. No adjustments to the Plan's carrying amounts of any assets or liabilities were necessary in order to conform to the liquidation basis of accounting.

NOTE 4. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The fair values of the mutual funds and money market fund are classified within Level 1 of the fair value measurement hierarchy.

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

The money market funds represent shares held in a mutual fund.

NOTE 5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were mutual funds managed by affiliates of Fidelity Management Trust Company, the Trustee of the Plan. These investments and fees paid to Fidelity Management Trust Company and their affiliates qualify as party-in-interest transactions which were exempt from the prohibited transaction rules of ERISA.

NOTE 6. INFORMATION CERTIFIED BY QUALIFIED INSTITUTION (UNAUDITED)

The following information as of December 31, 2021 and for the period January 1 through December 6, 2022 was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan:

Investments - at fair value:	
Mutual funds	\$ 18,976,645
Money market fund	\$ 423,080
Notes receivable from participants	\$ 100,093
Investment income:	
Net (depreciation) in fair value of investments	\$ (4,512,278)
Interest and dividends	\$ 77,228
Interest on notes receivable from participants	\$ 3,981

NOTE 7. TAX STATUS

The Plan Administrator adopted a prototype plan created by Fidelity Management Trust Company. The Plan was not required to receive a determination letter directly from the Internal Revenue Service. However, the Plan Administrator and the Plan's legal counsel believe that the Plan was currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt through the date of termination.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
