FINANCIAL STATEMENTS AND  
INDEPENDENT AUDITORS' REPORT  
AUGUST 31, 2022 AND 2021

## INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of Agri Profit Sharing Plan  
Garden City, Kansas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Agri Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of August 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended August 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and

for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – 2022 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets as of August 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter – Auditors' Report on the 2021 Financial Statements**

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 12, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# AGRI PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2022 AND 2021

---

### 1. DESCRIPTION OF THE PLAN

The Agri Profit Sharing Plan (the "Plan"), is a defined contribution plan covering eligible employees of American Implement, Inc. and its affiliates (the "Company").

**General** – The Plan exists for the benefit of all employees of the Company who meet the eligibility requirements as stated below. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 ("ERISA").

Capital Bank and Trust Company ("CBTC") is the Plan's custodian and participant recordkeeper. DeMars Pension Consulting is the Plan's third party administrator. Officers of the Company serve as the Plan's trustees.

**Plan Restatement** – The Plan has adopted the Third Cycle Restatement effective September 1, 2021. The provisions of the Plan remained substantially the same.

**Eligibility** – Employees of the Company may begin contributing to the Plan upon the completion of 60 days of service. Employees may enter the Plan the first day of the month after completing the eligibility requirements. The Plan excludes employees who are members of a union.

**Employee Contributions** – Upon meeting the eligibility requirements, participants may elect to defer any amount from their compensation, subject to certain IRC limitations. In addition, eligible employees may make catch-up contributions, in accordance with Plan provisions.

**Employee Contributions** – The Company may make discretionary matching contributions; however, only salary deferrals up to 4% of annual compensation will be considered for the match. The eligibility requirements for employees to receive discretionary matching contributions is the same as for employee contributions. During the year ended August 31, 2022, the Company made discretionary matching contributions as follows:

- For participants with less than 10 years of service, the Company made a matching contribution of 100% of the first 3% of compensation deferred.
- For participants with greater than 10 years of service but less than 20 years of service, the Company made a matching contribution of 100% of the first 3.5% of compensation deferred.
- For participant with greater than 20 years of service, the Company made a matching contribution of 100% of the first 4% of compensation deferred.

The Company may make a discretionary profit sharing contribution to eligible participants. In order to receive a profit sharing contribution, a participant must have worked 1,000 hours during the Plan year, have one year of service, and be employed on the last day of the Plan year. A participant need not contribute to the Plan in order to receive a profit sharing contribution. During the year ended August 31, 2022, the Company did not make a profit sharing contribution.

***Allocations to Participants' Accounts*** – Profit sharing contributions (if any) are allocated to each participant in an amount that bears proportionally to the ratio of each participant's compensation to the total compensation of all participants eligible to receive such contribution.

Each participant's account is credited with the participant's contribution, the Company's contributions, and an allocation of the Plan's investment earnings (losses) based on each participant's investment elections. Each participant's account is charged with the participant's withdrawals and distributions, and expenses. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

***Investment Options*** – Participants direct their elective contributions and Company contributions into any of the mutual funds offered by the Plan.

***Payment of Benefits*** – Participants are eligible for a benefit distribution upon retirement, termination of employment, or death. When a participant's employment is terminated because of retirement, permanent disability, or death, the full value of the participant's account will be distributed to the participant or his or her beneficiary. Benefits are distributed in a lump sum payment.

***In-service Distributions*** – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to the participant's pre-tax elective deferral account balance. Upon making such a withdrawal, the participant is suspended from making deferrals for six months.

Participants who have reached the age of 59½ may receive a distribution of all or part of their vested account balance. Participants may also withdraw any portion of their rollover account at any time.

***Notes Receivable from Participants*** – Participants may borrow from their fund accounts the lesser of (a) \$50,000, or (b) 50% of the participant's vested account balance. The minimum that may be borrowed is \$1,000 and a participant may have only one outstanding loan at any time. Loans to participants bear interest equal to the Wall Street Journal Prime interest rate, plus 2%. Participant loan fees are paid by individual Plan participants.

***Vesting*** – Participant salary deferrals are 100% vested at all times. A participant's account related to employer contributions and earnings on such contributions vest in 20% increments, with 20% vested after 2 years of service, 40% vested after 3 years of service, and becomes 100% vested after 6 years of service.

***Forfeitures*** – Forfeitures occur upon termination of employment by a participant who is not fully vested in the Plan. Forfeiture amounts from matching contributions and profit sharing contributions are used to reduce employer matching contributions and pay administrative expenses. As of August 31, 2022 and 2021, there is \$50,350 and \$1,005 in forfeited assets, respectively. No forfeitures were used during the Plan year ended August 31, 2022.

***Expenses*** – The Plan paid investment management and custodial fees of \$98,600, distribution and loan fees of \$10,160, and other administrative expenses totaling \$43,197. The Company provides the Plan with certain administrative services, and pays all other expenses related to the Plan.

**Termination of the Plan** – Although the Company has not expressed any intent to do so, it has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the Plan and under ERISA. In the event that the Plan should be terminated, participants will become 100% vested in their accounts. Any unallocated forfeitures or contributions as of the date of the Plan termination will be allocated based on normal Plan provisions. Account balances would be adjusted for earnings or losses since the last valuation date. The Plan's normal provisions concerning the form and procedures for benefit distributions would be applied.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting and Presentation** – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

**Investment Valuation and Income Recognition** – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is accrued when earned.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

**Use of Estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Notes Receivable from Participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Based on such treatment of delinquent participant loans, no allowance for doubtful accounts is considered necessary.

**Contributions** – Employer and employee contributions are reported in the year services are rendered to the Company by the Plan participants.

**Other Income** – During 2022, the Plan did not receive any revenue sharing payments. The Plan used \$43,197 of the revenue sharing account to pay administrative expenses. As of August 31, 2022 and 2021, the revenue sharing account had a balance of \$2,536 and \$44,407, respectively.

**Payment of Benefits** – Benefit payments are reported in the year paid.

**Date of Management's Review** – Subsequent events have been evaluated through May 31, 2023, which is the date the financial statements were available to be issued, and there were no material events requiring recognition or disclosure.

### 3. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2022 and 2021:

Mutual Funds – Valued at the published net asset value (NAV) of shares held by the plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The Plan's investments are reported at fair value as follows at August 31, 2022 and 2021:

| Fair Value<br>Measurements Using:  |               |         |         |               |
|------------------------------------|---------------|---------|---------|---------------|
|                                    | Level 1       | Level 2 | Level 3 | Total         |
| <b>August 31, 2022:</b>            |               |         |         |               |

| Mutual funds                       | \$ 41,699,969 |         |         | \$ 41,699,969 |
| Investments measured at fair value | \$ 41,699,969 | \$ -    | \$ -    | \$ 41,699,969 |

#### **4. RISKS AND UNCERTAINTIES**

The Plan utilizes mutual funds (investment securities). Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility due to the level of risk associated with certain investment securities. It is reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect the amounts reported in the financial statements.

#### **5. INFORMATION CERTIFIED BY THE CUSTODIAN**

The plan administrator has elected the method of annual reporting compliance permitted by the 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate with respect to investments as of August 31, 2022 and 2021, and for the year ended August 31, 2022:

- Investments, at fair value
- Net depreciation in fair value of investments
- Interest and dividend income
- Notes receivable from participants and related interest income
- Schedule of Assets (Held at End of Year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

#### **6. TAX STATUS**

The Company adopted a Prototype Non-Standardized Profit Sharing Plan with a deferral arrangement which received a favorable opinion letter from the Internal Revenue Service ("IRS") on March 22, 2021, which stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt as of August 31, 2022. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS**

Certain plan investments consist of mutual funds managed by American Funds, who is affiliated with CBTC. CBTC is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest.

The Plan pays certain fees to American Funds to administer the Plan. These transactions qualify as party-in-interest. Notes receivable from participants are party-in-interest transactions.
