INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Charles Armstrong School
Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the financial statements of Charles Armstrong School Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of August 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements for the year ended August 31, 2022 ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended August 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the 2022 Financial Statements of the Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2022 Financial Statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the 2022 Financial Statements may have been affected by these conditions.

Further as described in Note 4 to the 2022 Financial Statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits, at August 31, 2022, certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirement for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended August 31, 2022. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America ("U.S. GAAP") require that these accounts and the related income and distributions be included in the accompanying 2022 Financial Statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of the Plan's 2022 Financial Statements in accordance with auditing standards generally accepting in the United States of America ("GAAS") and to issue an auditors' report. However, because of the matters describe in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules *Schedule H, Line 4a - Schedule of Delinquent Participant Contributions*, for the year ended August 31, 2022, and *Schedule H, Line 4i - Schedule of Assets (Held at End of Year)* as of August 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Financial Statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion of the 2022 Financial Statements section, it is inappropriate to and we do not express an opinion on these supplemental schedules referred to above.

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2021 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2021 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2021 financial statements.

In our report dated June 8, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements.

CHARLES ARMSTRONG SCHOOL DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Charles Armstrong School Defined Contribution Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement and its amendments for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a qualified, tax-exempt trust established on September 1, 1982, for the benefit of the employees of Charles Armstrong School (the “School”, “Employer”, or “Plan Sponsor”). The Plan operates under §403(b) of the Internal Revenue Code (“IRC”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The School’s Board of Trustees oversees the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

ELIGIBILITY

All employees, except for non-resident aliens, union and student employees, and employees who normally work less than 20 hours per week and have not completed 1,000 hours of service during the plan year, are eligible to participate in the Plan. Eligible employees become participants on the date of hire.

CONTRIBUTIONS

Participants

Each year, participants may voluntarily defer 100% of their pretax annual eligible compensation, as defined in the plan agreement, up to the IRC limit (\$20,500 and \$19,500 for calendar year 2022 and 2021, respectively). In addition, participants aged 50 before the end of the plan year are eligible to make catch-up contributions up to the IRC limit (\$6,500 for each calendar year 2022 and 2021). Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover).

**CHARLES ARMSTRONG SCHOOL
DEFINED CONTRIBUTION RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employer

The Plan allows for matching and nonelective employer contributions. The School makes nonelective contributions to each participant's account equal to 3% after one year of service, 5% after two years of service, and 7% after three years of service, of the employee's eligible compensation. The School also contributes a matching contribution of 1% of the employee's eligible compensation from date of hire.

PARTICIPANT ACCOUNTS

The Plan maintains a separate account for each participant, which is credited with the participant's contributions, the School's contributions, and Plan earnings. Participants self-direct their funds among the available investment options and may change their investment options daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary salary deferral contributions, rollover contributions, and in the School's contributions plus actual earnings thereon.

PLAN LOANS

Participants are allowed to borrow through the TIAA Retirement Loan Contract, an annuity that is separate and distinct from the Plan. Loans are collateralized by the participant's account balance in the Plan. Total loans outstanding and collateralized by Plan assets at August 31, 2022 and 2021, are \$10,903, and \$21,275, respectively. There were no deemed distributions during the year ended August 31, 2022.

PAYMENT OF BENEFITS

Distributions and withdrawals are payable upon attaining age 59½ or in the year of retirement, termination of employment, disability, hardship, or in the event of death. A participant may elect to receive distribution in a lump sum, installment payments, partial payments, or annuities. Terminated participants with balances of \$1,000 or less are automatically distributed in one lump sum.

**CHARLES ARMSTRONG SCHOOL
DEFINED CONTRIBUTION RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

HARDSHIP WITHDRAWALS

The Plan provides for hardship withdrawals of the participants elective deferrals, in accordance with applicable sections of the IRC, not to exceed each participants actual contributions to the Plan and must result from an immediate and qualifying financial need of the participant or beneficiary of the participant as determined on a non-discriminatory basis by the plan administrator.

FORFEITED ACCOUNTS

Employer contributions made in error and related earnings are included in a forfeiture account. Forfeitures may be used to pay employer contributions and Plan expenses. During the year ended August 31, 2022, no forfeitures were used to reduce employer contributions. At August 31, 2022 and 2021, the forfeiture account was zero.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, (except for the fully-benefit responsive insurance contracts, which are reported at contract value). Contract value is the relevant measure for fully-benefit responsive insurance contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The School's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company.

CHARLES ARMSTRONG SCHOOL DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Administrative expenses may be paid out of the Plan's funds unless paid by the School. The School absorbed a majority of the costs associated with operating the Plan. Any expenses paid by the School are not included in these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's financial assets and liabilities that are carried at fair value are classified for disclosure purposes, based on a hierarchy that gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). An asset's or a liability's classification is based on the lowest level input that is significant to its measurement. Valuation methodologies maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1

Inputs for the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets,
- Quoted prices for identical or similar assets or liabilities in inactive markets,
- Inputs other than quoted market prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**CHARLES ARMSTRONG SCHOOL
DEFINED CONTRIBUTION RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED AUGUST 31, 2022

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Certain inputs that are unobservable (supported by little or no market activity) and significant to the fair value measurement.

There have been no changes in the methodologies used at August 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

NON-BENEFIT RESPONSIVE INSURANCE COMPANY GENERAL ACCOUNT CONTRACTS

The non-benefit responsive insurance company general account contracts consist of investments in the TIAA Traditional Annuity. The fair value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals and administrative expenses. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable.

POOLED SEPARATE ACCOUNTS

The pooled separate accounts are stated at their net unit values as reported by the investment manager of the fund based on the underlying mutual funds' Net Asset Value ("NAV") at the measurement date. The NAV is used as a practical expedient to estimate fair value. Investments in pooled separate accounts provide for daily liquidity and have no redemption features or other restrictions. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

MUTUAL FUNDS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - INFORMATION PROVIDED AND CERTIFIED BY TIAA-CREF (CONTINUED)

Retirement Equities Fund ("TIAA-CREF") (the custodian of the Plan). This information has not been audited by the Plan's auditors.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, the Plan may have excluded from investments in the accompanying statements of net assets available for benefits as of August 31, 2022 and 2021, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for §403(b) Plans*, permitted this exclusion. Accordingly, the investment income and distributions related to such omitted accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended August 31, 2022. The amount of these excluded annuity and custodial accounts and the related income and distributions is not determinable. U.S. GAAP requires that these accounts and the related income and distributions be included in the accompanying financial statements.

NOTE 5 - ANNUITY CONTRACTS WITH INSURANCE COMPANY

The TIAA Traditional Annuity is a fixed annuity contract that is fully and unconditionally guaranteed by TIAA, a New York domiciled non-profit, legal reserve life insurance company.

During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%), and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. When the accumulation in TIAA Traditional Annuity is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation. The TIAA Traditional Annuity does not permit TIAA to terminate the agreement prior to the scheduled maturity date. At August 31, 2022 and 2021, the portion of the TIAA Traditional Annuity that is fully-benefit responsive is \$2,053,306 and \$1,998,297, respectively. The average yield earned by the Plan for the year ended August 31, 2022, is 4.23%.

Certain events limit the ability of the Plan to transact at contract value with TIAA (the issuer). Such events include the following: (1) amendments to the plan agreement (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash

provision; (3) bankruptcy of the School or other School events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes. The plan administrator does not believe that the occurrence of any such events are probable.

While transactions involving the purchases/sales of individual TIAA Traditional Annuity contracts are not observable in a public marketplace, contract value has historically provided an approximation of fair value. The Plan has provided no reserves against such contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon by the issuer, which will not be less than zero percent. Such interest rates are reviewed on an annual basis for resetting.

NOTE 6 - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by TIAA-CREF, the custodian and recordkeeper, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and other services amounted to \$66,089 for the year ended August 31, 2022, and are party-in-interest transactions. These fees are netted against net realized and unrealized depreciation in fair value of investments.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the School has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to participant accounts and distributed in such manner as the School may determine. As indicated in Note 1, participants are immediately vested in all contributions plus actual earnings thereon.

NOTE 8 - TAX STATUS

The Plan adopted a prototype plan designed to be qualified under §403(b) of the IRC. The plan administrator and the Plan's tax counsel believe that terms of the Plan have been prepared to conform with the written Plan requirements of Regulation 1.403(b)-3 of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for participants under §403(b). Management believes the Plan is operating in conformity with all such requirements. The Plan's annual information returns are subject to examinations by taxing authorities. There are no examinations pending or in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in fixed and variable annuity contracts, pooled separate accounts, and shares of mutual funds. These investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS

Under DOL Regulation §2510.3-102, participant contributions that have been withheld from participants are required to be remitted to TIAA-CREF on the earliest date on which the contributions can reasonably be segregated from the School's general assets.

During the year ended August 31, 2022, the School remitted certain participant contributions totaling \$1,426 to TIAA-CREF that were considered to be after the date on which the remittances were required to be made under DOL Regulation §2510.3-102. The School is in the process of voluntarily self-correcting these delinquent contributions.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through April 25, 2023, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements have been identified.
