Independent Auditors' Report

To the Advisory Committee of the
Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of August 15, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the seven and one half months and year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 15, 2022 and December 31, 2021 and for the seven and one half months ended August 15, 2022 and the year ended December 31, 2021 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MEMBERS

AMERICAN INSTITUTE OF CPA'S

N.C. ASSOCIATION OF CPA'S

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Casualty Insurance Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Atlantic Casualty Insurance Company
401(k) Profit Sharing Plan
Notes to the Financial Statements

Note A - Description of Plan

The following description of the Atlantic Casualty Insurance Company (Company) 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Company. Employees are eligible to participate in the Plan upon hire, except for employees who are interns, leased employees, union employees, and non-resident aliens. Prior to October 1, 2021, employees who were classified as internal temporary employees were also eligible to participate if they were age twenty-one or older and had completed one year of service. Prior to October 1, 2021, employees classified as co-ops, co-op interns, or paid-as-terminated and employees who are on lay-off, unpaid leave of absence, or active duty in the armed forces of any nation or international body other than as a member of the Armed Forces of the United States of America were also excluded from participating in the Plan. The Plan is subject to the provisions of ERISA. The Board of Directors is responsible for oversight of the Plan. The Advisory Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Directors.

Contributions

Each year, participants may contribute up to 100% of their annual compensation, as defined in the Plan, by making elective deferrals and Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated Lifecycle fund until changed by the participant. The Plan provides for automatic increases in the amounts withheld by automatically enrolled participants. In the absence of contrary elections made by affected participants, the deferral rates of automatically enrolled participants will be increased by 1% up to a maximum of 10% of eligible compensation per year. The Plan is referred to as a "safe harbor 401(k) plan." The Company will make safe harbor contributions for each participant equal to 100% of each participant's elective deferrals not exceeding 3% of the participant's compensation, plus 50% of each participant's elective deferrals in excess of 3% but not in excess of 5% of the participant's compensation. The Company may also make an additional discretionary contribution at the option of the Company's board of directors. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor contributions, as well as allocations of the Company's discretionary

Atlantic Casualty Insurance Company
401(k) Profit Sharing Plan
Notes to the Financial Statements

contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Effective October 1, 2021, participants are fully vested in all of their accounts. Prior to October 1, 2021, participants terminated on or after January 1, 2018 and employees involuntarily terminated without cause prior to January 1, 2018 were vested immediately in all of their accounts. Participants terminated prior to January 1, 2018 who were not involuntarily terminated without cause were fully vested in their contributions and the Company's safe harbor contributions, plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts was based on years of continuous service. A participant was 100% vested after six years of credited service.

Notes Receivable from Participants

Effective March 1, 2016, the Plan's loan policy was amended to no longer allow new participant loans. Prior to March 1, 2016, participants were permitted to borrow from their elective deferral and rollover accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans were secured by the balance in the participant's account. The loan interest rate, determined quarterly, was set at 1% above the prime rate, as defined. Principal and interest were paid ratably through bi-weekly payroll deductions.

Payment of Benefits

On termination of service, a participant with a vested balance greater than \$5,000 may elect to receive the value of the vested interest in his or her account through installment payments or as a lump-sum distribution, or the participant may have his or her account balance remain in the Plan, unless certain minimum distributions are required. For benefits less than \$5,000, a lump-sum payment will be made to the participant. Hardship withdrawals and in-service distributions are allowed by the Plan in accordance with Plan provisions and Internal Revenue Service Regulations.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and

Atlantic Casualty Insurance Company
401(k) Profit Sharing Plan
Notes to the Financial Statements

changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Recordkeeping fees, as well as fees related to the administration of distributions, are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through June 13, 2023, the date the financial statements were available to be issued.

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments held at August 15, 2022 and December 31, 2021, and net appreciation (depreciation) in fair value of investments, interest, and dividends for the seven and one half months ended August 15, 2022 and year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Branch Banking & Trust Company (the Trustee of the Plan through February 28, 2021) and Ascensus (the agent for the Trustee from March 1, 2021 through August 15, 2022). The information certified includes the following:

Atlantic Casualty Insurance Company
401(k) Profit Sharing Plan
Notes to the Financial Statements

	August 15 2022	December 31 2021
Investments	\$ -	\$ 21,163,598
Investment income (loss)	(2,481,907)	3,033,239
Interest income from notes receivable from participants	-	2

Note D – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Notes to the Financial Statements

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 15, 2022 and December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Invested Cash: Valued at the ending balance of the bank deposit accounts as reported by the bank.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of August 15, 2022 and December 31, 2021.

	Assets at Fair Value as of August 15, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ -	\$ -	-	-
Cash	-	-	-	-
Investments at fair value	\$ -	\$ -	-	-

	Assets at Fair Value as of December 31, 2021

Mutual funds	\$ 20,419,627	\$ 20,419,627	-	-
Cash	743,971	743,971	-	-
Investments at fair value	\$ 21,163,598	\$ 21,163,598	-	-

Note E – Related-Party Transactions and Party in Interest Transactions

Certain Plan investments held by the Plan are managed by Ascensus and Ascensus Trust Company. Ascensus Trust Company is the trustee for the Plan and Ascensus is the recordkeeper for the Plan effective March 1, 2021, and, therefore, these transactions qualify as party in interest transactions.

Effective March 1, 2021, Ascensus provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Ascensus. Ascensus receives revenue from mutual fund service providers for services

Notes to the Financial Statements

Ascensus provides to the funds. This revenue is used to offset certain amounts owed to Ascensus for its administrative services to the Plan.

If the revenue received by Ascensus from such mutual fund service providers exceeds the amount owed under the MSA, Ascensus remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2022 and 2021, the Plan received \$4,003 and \$3,391, respectively, of revenue sharing from Ascensus. The Plan or Plan Sponsor may make a payment to Ascensus for administrative expenses not covered by revenue sharing. As described in Note B, the Plan made direct payments to Ascensus during 2022 and 2021 totaling \$44,190 and \$26,491, respectively.

Certain Plan investments held by the Plan were managed by Branch Banking & Trust Company (BB&T). BB&T was the trustee and recordkeeper for the Plan through February 28, 2021, and, therefore, these transactions qualify as party in interest transactions.

Fees incurred by the Plan for the investment management services through February 28, 2021 were paid by direct payment to BB&T. As described in Note B, the Plan made direct payments to BB&T totaling \$6,185 during 2021. The Plan Sponsor paid directly any other fees related to the Plan's operations through February 28, 2021.

Note F – Plan Termination

During 2022, the Company, which is owned by Auto-Owners Insurance Group, made the decision to merge the Plan with the Auto-Owners Insurance Company Retirement Savings Plan, a defined contribution retirement plan, effective August 15, 2022. As part of the merger, all assets and liabilities of the Atlantic Casualty Insurance Company 401(k) Profit-Sharing Plan were transferred to this plan and all benefits payable under the Atlantic Casualty Insurance Company 401(k) Profit-Sharing Plan shall be paid from this plan.

Note G - Tax Status

The Company adopted the Ascensus LLC non-standardized pre-approved profit sharing plan effective October 1, 2021. The IRS has determined and informed Ascensus LLC by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) and that any employer adopting this form of the plan will be considered to have a plan qualified. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The Company adopted the BB&T prototype non-standardized profit sharing plan effective January 1, 2018. The IRS determined and informed BB&T by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC) and that any employer adopting this form of the Plan will be considered to have a plan qualified. Although the Plan was

amended since receiving the opinion letter, the Plan administrator believes that the Plan was designed and was operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note H – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
