INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
Those Charged with Governance of
Virginia Panel Corporation Profit Sharing and 401(k) Plan
Waynesboro, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Virginia Panel Corporation Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of August 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Virginia Panel Corporation Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended August 31, 2022 stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Virginia Panel Corporation Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Panel Corporation Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Virginia Panel Corporation Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Virginia Panel Corporation Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Virginia Panel Corporation Profit Sharing and 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated May 6, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

August 31, 2022

Note 1. Plan Description

The following description of the Virginia Panel Corporation Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Virginia Panel Corporation (the Company) who have completed six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan document was restated, effective June 1, 2022, to comply with required legislative and regulatory updates.

Contributions

Employees may contribute up to 90% of their annual compensation as pre-tax or Roth deferrals, as defined by the Plan, not to exceed the maximum allowable under the *Internal Revenue Code* (the "Code"). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may also contribute a discretionary matching contribution. The Company matched 200% of the first \$400 of employee deferrals and 25% of the next \$2,000 of employee deferrals for the years ended August 31, 2022 and 2021. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company also has the option to make a discretionary profit sharing contribution. The profit sharing contribution was \$576,839 and \$1,335,037 for the years ended August 31, 2022 and 2021, respectively. In order to receive the Company's discretionary profit sharing contribution, the participants must have worked a minimum of 1,000 hours during the current Plan year and be employed with the Company on the last day of the Plan's year. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching and discretionary profit sharing contributions, an allocation of the Plan earnings, and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested in matching contributions after three years of credited service.

Note 1. Plan Description (Continued)

Payment of Benefits

A participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, a partial withdrawal, or annual installments not exceeding the life expectancy of the participant. If the participant's balance is under \$5,000 upon termination, the participant's vested interest in his or her account will be automatically distributed. In-service withdrawals are generally limited to participants age 59 ½ or older.

Administrative fees

Administrative fees incurred by the Plan may be paid by either the Company or the Plan on a discretionary basis. Certain expenses of maintaining the Plan are paid directly by the Company. Administrative expenses and investment fees were paid by the Plan for the year ended August 31, 2022.

Notes from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless used for the purchase of a principal residence. Only one loan per participant may be outstanding at any time. Loans are secured by the balance in the participant's account and bear interest at market rates as determined by the plan administrator. At August 31, 2022, the interest rate on loans ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Forfeited Accounts

As of August 31, 2022 and 2021, there were \$35,017 and \$10, respectively, in forfeited non-vested accounts. Forfeitures are first used to reduce Plan administrative expenses or employer contributions, and then the remaining balance is allocated to participants who have worked a minimum of 1,000 hours during the current Plan year and are employed with the Company on the last day of the Plan's year in proportion to their share of the employer matching contribution. Forfeitures of \$40,872 and \$60,950 were used to reduce employer contributions for the years ended August 31, 2022 and 2021, respectively. No forfeitures were allocated to participants for the years ended August 31, 2022 and 2021.

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Valuation of investments and income recognition

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a full discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Benefit payments

Benefits are recorded when paid.

Subsequent events

Evaluation of subsequent events was considered through June 9, 2023, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's mutual funds and collective investment trusts are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PROFIT SHARING AND 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
August 31, 2022**

Note 3. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

		Fair Value Measurements at Reporting Date Using:

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of August 31, 2022 and 2021. These investments are composed primarily of investment contracts and security-backed contracts and is valued at the net asset value of units of the Galliard Stable Return Fund C and the Morley Stable Value Fund Class 25-I. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Included in this fund are traditional and separate accounts guaranteed investment contracts and certain wrapper contracts. The average yield for the fund was approximately 1.91% for the calendar year ended December 31, 2021. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants during calendar year 2021 was 1.30%. The objective of the fund is to provide safety of principal and consistency of returns while attempting to maintain minimal volatility. The percentage of contributions allocated to this fund is determined by the participants.

As of August 31, 2021, the Plan has investments in the Morley Stable Value Fund Class 25-I Fund, which reports on the calendar year. Included in this fund are traditional and separate accounts guaranteed investment contracts and certain wrapper contracts. The average yield for the fund was approximately 0.80% for the calendar year ended December 31, 2020. The yield earned by the fund with an adjustment to reflect the actual interest rate credited to participants during calendar year 2020 was 1.85%. The objective of the fund is to provide safety of principal and consistency of returns while attempting to maintain minimal volatility. The percentage of contributions allocated to this fund is determined by the participants.

Note 5. Related Party Transactions and Party-In-Interest Transactions

Certain administrative functions are performed by officers or employees of the Company. The employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan participants may direct their investments in funds issued and managed by the Plan Trustee. Investments in funds issued by the Trustee are considered related party transactions. Fees paid by the Plan to related parties amounted to \$74,007 for the year ended August 31, 2022.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Company does terminate the Plan, the participants will become 100% vested in their accounts.

Note 7. Tax Status

The Plan adopted a non-standardized prototype plan sponsored by the ADP, LLC and has not requested a determination letter but rather has relied upon the Internal Revenue Service opinion letter dated October 6, 2020 issued on the prototype plan stating the Plan is designed in accordance with applicable sections of the *Internal Revenue Code*. The Company believes the Plan is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and the related trust is tax exempt.

**NOTES TO FINANCIAL STATEMENTS

Note 7. Tax Status (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of August 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
