Independent Auditor's Report

To the Investment Committee of
Blue Ridge Beverage Company, Inc. Profit Sharing Plan
Salem, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Blue Ridge Beverage Company, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of August 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended August 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended August 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule that is related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 21, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: PLAN DESCRIPTION

The following brief description of the Blue Ridge Beverage Company, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Blue Ridge Beverage Company, Inc. (the Sponsor). The Plan excludes employees who reside in Puerto Rico. Each employee is eligible to participate on the first day of each Plan calendar month after completion of at least six months of service and attaining the age of 21. On March 1, 2022, the Plan was amended to decrease eligibility for participation in the plan to completion of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions: Each year, participants may contribute up to 60% of annual pretax compensation, as defined in the Plan. Roth deferral contributions are also allowed. Participants may also roll over amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty-four (24) mutual funds and one (1) stable value collective trust fund as investment options for participants.

The Plan document includes an automatic enrollment contribution provision. Employees that become eligible to enter the Plan automatically have an initial pre-tax deferral contribution of 3% of their eligible compensation withheld with a 1% increase each year up to 7%. On March 1, 2022, the Plan was amended to increase the initial pre-tax deferral contribution to 4% of eligible compensation for employees that become eligible to enter the Plan automatically. Participants may select alternative deferral methods or elect not to defer under the Plan. All newly eligible employees are subject to the automatic enrollment provision. However, eligible employees with a reemployment commencement date are excluded from the automatic enrollment provisions.

Matching contributions are 40% of participant deferrals up to the first 7% of compensation as defined by the Plan. On March 1, 2022, the Plan was amended to increase the matching contributions to 50% of participant deferrals up to the first 7% of compensation as defined by the Plan. The matching Sponsor contribution is invested in the same manner as the participants' contributions. Additional profit-sharing amounts may be contributed at the option of the Sponsor's Board of Directors and are invested in the same manner as the participants' contributions. No additional profit-sharing amounts were contributed for the years ended August 31, 2022 and 2021.

Investment Options: Participants direct the investment of their contributions and the Sponsor's contributions into various investment options offered by the Plan.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Sponsor's contribution and Plan earnings. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements For the Years Ended August 31, 2022 and 2021

NOTE 1: PLAN DESCRIPTION *(continued)*

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service. Notwithstanding the above, a participant is fully vested in their account upon reaching normal retirement age or death.

Notes Receivable from Participants: Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less, subject to certain restrictions. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with prevailing local rates as determined periodically by the plan administrator. Notes are repaid ratably through periodic payroll deductions over a term not exceeding five years, or ten years for notes used for the purchase of a primary residence. Notes receivable from participants as of August 31, 2022 bear interest at rates ranging from 4.25% to 6.50% and mature through September 2029.

Administrative Expenses: The Plan's administrative expenses primarily include investment management and professional fees for services provided by parties-in-interest. Certain administrative expenses are paid by the Plan as provided in the plan document.

Payment of Benefits: On termination of service due to death, disability, retirement or any other reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or systematic installments. A participant also may make in-service withdrawals as a result of a financial hardship, attaining the age of 59½, or for any reason if they wish to withdraw employee or rollover contributions. The Plan provides e-Certified hardship withdrawals allowing participants to request a hardship distribution on the Trustee's website with responsibility for maintaining hardship-related documentation resting with the participant.

Forfeitures: At August 31, 2022 and 2021, forfeited non-vested accounts totaled \$9,346 and \$19,414, respectively. These accounts may be used to reduce administrative expenses and/or to reduce future Sponsor contributions into the Plan. Forfeitures of \$29,309 and \$25,309 were used to reduce Sponsor contributions for the years ended August 31, 2022 and 2021, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and Trustee. See Note 3 for discussion of fair value measurements.

Notes to Financial Statements For the Years Ended August 31, 2022 and 2021

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 31, 2022 and 2021. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: The Plan's administrative expenses primarily include investment management and professional fees for services provided by parties-in-interest. Administrative expenses may be paid by the Plan Sponsor and/or the Plan as provided in the Plan document.

The Plan has evaluated subsequent events through Juen 12, 2023, which is the date the financial statements were available to be issued, and determined that there were no subsequent events requiring disclosure.

NOTE 3: FAIR VALUE MEASUREMENTS

The Plan's mutual funds and common/collective trust are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Fair Value Measurements at Reporting Date Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)
	Fair Value		
<u>August 31, 2022</u>			
Mutual funds	\$ 21,430,709	\$ 21,430,709	\$ -
Common collective fund	<u>1,047,817</u>	<u>-</u>	<u>1,047,817</u>
Total	<u>\$ 22,478,526</u>	<u>\$ 21,430,709</u>	<u>\$ 1,047,817</u>
<u>August 31, 2021</u>			
Mutual funds	\$ 24,838,701	\$ 24,838,701	\$ -
Common collective fund	<u>1,071,484</u>	<u>-</u>	<u>1,071,484</u>
Total	<u>\$ 25,910,185</u>	<u>\$ 24,838,701</u>	<u>\$ 1,071,484</u>

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of the common collective fund is based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs. The common collective fund invests in securities that have observable Level 2 pricing inputs, including quoted prices for similar assets in active or non-active markets. While underlying asset values are quoted prices, the net asset value (NAV) of a unit in this fund is not publicly-quoted. Units can be issued and redeemed on any business day at the NAV. All earnings and losses are included in the computation of the NAV and are realized by the participant upon withdrawal. No distributions of income and gain or loss are made to participants.

NOTE 4: TAX STATUS

The Plan was restated to a Defined Contribution Prototype Plan and Trust document sponsored by Great-West Trust Company effective September 15, 2020. The Defined Contribution Prototype Plan and Trust has received an opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of August 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6: RELATED-PARTY TRANSACTIONS

Plan participants may choose to invest in funds held by J.P. Morgan. J.P. Morgan provides certain administrative services to the Plan subject to a Recordkeeping Service Agreement between the Company and J.P. Morgan. Investments in funds issued and managed by J.P. Morgan are considered related-party transactions. Fees paid to J.P. Morgan for the years ended August 31, 2022 and 2021 were \$86,930 and \$93,312, respectively.

Certain administrative functions are performed by employees of the Sponsor. These employees are also Plan participants. No such employee receives compensation from the Plan.

NOTE 8: CONTINGENCIES

In December 2019, a novel strain of coronavirus (COVID-19) was reported and the outbreak continues to evolve as of the date of this report. The World Health Organization declared the outbreak a “Public Health Emergency of International Concern” in 2020, triggering volatility in financial markets and a significant negative impact on the global economy. However, because the values of the Plan’s individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.
