Maranatha High School Tax Deferred 403(b)(7) Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the accompanying financial statements of Maranatha High School Tax Deferred 403(b)(7) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of August 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Maranatha High School Tax Deferred 403(b)(7) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended August 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the 2022 financial statements referred to above of the Maranatha High School Tax Deferred 403(b)(7) Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion for the 2022 Financial Statements* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

As described in Note 9, the Maranatha High School Tax Deferred 403(b)(7) Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment loss and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. If the identified contracts, as reported by the custodian, were included, net assets available for benefits would increase by approximately \$259,680 at August 31, 2022. Investment loss of approximately \$15,601 and distributions of approximately \$11,759 related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits for the year ended August 31, 2022. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the financial statements referred to above.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maranatha High School Tax Deferred 403(b)(7) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of Maranatha High School Tax Deferred 403(b)(7) Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Maranatha High School Tax Deferred 403(b)(7) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit.

Other Matter

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of August 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2022 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Maranatha High School Tax Deferred 403(b)(7) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution.

Maranatha High School Tax Deferred 403(b)(7) Plan has excluded from the 2021 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded from the 2021 financial statements. If the identified contracts, as reported by the custodian, were included, net assets available for benefits would increase by approximately \$278,307 at August 31, 2021. Investment income of approximately \$18,730 and distributions of approximately \$19,219 related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits for the year ended August 31, 2021. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2021 financial statements. Based upon the custodian providing the 2021 amounts of the excludable contracts, they are presented within the auditor's report herein, which is different from that in our previous report which did not indicate the amounts.

In our report dated July 27, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements.

MARANATHA HIGH SCHOOL TAX DEFERRED 403(B)(7) PLAN
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of Maranatha High School Tax Deferred 403(b)(7) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan. The Plan is subject to ERISA.

Eligibility

Employees of Maranatha High School (the Employer) are immediately eligible to participate in the deferral and match components of the Plan. Participants are eligible to receive a nonelective employer contribution upon attaining 21 years of age and one year of service.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 403(b) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 403(b) or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The employer may, at its discretion, elect to make matching and nonelective contributions to the Plan.

For the years ended August 31, 2022 and 2021, the employer matching contribution was made on behalf of each eligible participant in an amount equal to a percentage of each participant's eligible compensation deferred based on their level of service as set forth in the table below:

Contributions (Continued)

For the years ended August 31, 2022 and 2021, the employer nonelective contribution was made on behalf of each eligible participant in an amount equal to a percentage of each participant's eligible compensation based on their level of service as set forth in the table below:

0	0%

3	2%
4	2%

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in all contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive the value of the vested interest in his or her account in the form of a lump sum or installment distribution. The Plan allows for in-service hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 31, 2022 or 2021. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Employer, as provided by the Plan document. Expenses paid directly by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation(depreciation) of fair value of investment presented in the accompanying statements of changes in net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2022 AND 2021

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through June 14, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Reliance Trust Company, the custodian of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of August 31, 2022 and 2021, the statements of changes in net assets available for benefits for the years ended August 31, 2022 and 2021, and the supplemental schedule of assets (held at end of year) as of August 31, 2022.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at August 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31:

2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 5,613,441</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,613,441</u>
2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	<u>\$ 6,796,544</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,796,544</u>

NOTE 5 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would remain 100% vested in all contributions.

NOTE 7 PLAN TAX STATUS

403(b) plans are not required to receive a favorable determination letter from the IRS indicating that the Plan is tax-exempt under present income tax law. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan Sponsor adopted a volume submitter document effective July 1, 2019 with a favorable opinion letter dated March 31, 2017 in which the IRS stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 EXCLUDED CONTRACTS

The U.S. Department of Labor issued Field Assistance Bulletin No. 2009-02 on July 20, 2009, regarding certain transitional relief for annual Form 5500 reporting requirements for 403(b) plans. The administrator of a 403(b) plan does not need to treat annuity contracts and custodial accounts as part of plan assets for purposes of ERISA's annual reporting requirements provided that:

- 1) The contract or account was issued to a current or former employee before January 1, 2009;
- 2) The Employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact ceased making contributions to the contract or account before January 1, 2009;
- 3) All of the rights and benefits under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the Employer; and
- 4) The individual owner of the contract is fully vested in the contract or account.

Moreover, current or former employees with only contracts or accounts that are excludable from the Plan's Form 5500 or Form 5500-SF under the above transition relieve do not need to be counted as participants covered under the Plan for Form 5500 annual reporting purposes. The Plan administrator has identified contracts held with The Variable Annuity Life Insurance Company meeting the above requirements and has excluded related assets and transactions from its Form 5500 reporting and these financial statements. If the identified contracts were included, net assets available for benefits as of August 31, 2022 and 2021 would increase by approximately \$259,680 and \$278,307, respectively. Investment income (loss) of approximately \$(15,601) and \$18,730 and distributions of approximately \$11,759 and \$19,219 related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits for the years ended August 31, 2022 and 2021, respectively. Based upon the custodian providing the amounts of the excludable contracts, they are presented within the financial statements footnotes herein, which has been applied retrospectively to the 2021 Plan year footnote disclosure.

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the insurance company of the Plan. Therefore, the investment transactions qualify as party-in-interest transactions. As described in Note 2, the Plan pays certain administrative expenses related to Plan operations. Fees incurred by the Plan for investment management services are included in net appreciation(depreciation) in the fair value of investments, as they are paid through revenue sharing, rather than a direct payment. Fees incurred by the Plan for contract administrator and third-party administrator are included in administrative expenses. Massachusetts Mutual Life Insurance is the Plan's contract administrator, NFP Retirement, Inc. is the Plan's Investment advisor, and Actuarial Benefits Corp. is the Plan's third-party administrator; therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
