Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the accompanying financial statements of Kestrel Field Services, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier which is regulated, supervised and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining the Plan's transactions which are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report which includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures which are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters which we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at Year End) as of December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules which agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule which agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution which management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan document is controlling at all times. The Plan's trustees are David Clarke and Kristina Miloti (the "Trustees"). The Plan's custodian is Voya Retirement Insurance and Annuity Company (the "Custodian").

GENERAL

The Plan is a defined contribution plan covering all employees of the Company who have attained the minimum age requirement of 21. The Plan is subject to the provision of the Employment Retirement and Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Each year, participants may elect to contribute up to 100% of their eligible compensation, pre-tax or post-tax (not to exceed the maximum dollar limit allowable under current regulations). Catch-up contributions of up to $6,500 are allowed for participants who have attained age 50. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company contributes 100% of the participant's contribution up to 3% of such participant's employee compensation, plus 50% of the participant's contribution that exceeds 3% up to a maximum of 4% of the participant's employee compensation. For the year ended December 31, 2022, the Company made matching contributions of $472,712.

Additionally, the Company has the option to make a profit-sharing contribution. Participants will be eligible to receive an allocation if they have completed at least 1,000 hours of service during the Plan year and are employed by the Company on the last day of the Plan year. The profit-sharing contribution is allocated to each participant's account based on the ratio each participant's total compensation for the Plan year bears to all participants' total compensation for the year. For the year ended December 31, 2022, the Company made no profit-sharing contributions.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Separate accounts are maintained for each participant. Participant accounts are credited with participant contributions, rollover contributions, allocations of Company contributions and investment earnings and losses and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit which can be provided from the participant's vested account.

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct the investment of their individual accounts among alternative investment funds provided under the Plan. Participants may change their investment elections at any time, as well as transfer existing balances between investment funds. As of December 31, 2022, the Plan provides for investment in separate accounts with underlying investment of 29 mutual funds and one fully benefit-responsive investment contract.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan does not permit notes receivable from participants.

PAYMENT OF BENEFITS

Upon termination of service, death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount, a series of equal payments or in the form of an annuity. In-service distributions are allowed for participants who have reached the age of 59 ½ or normal retirement age. Hardship withdrawals are permitted from participant deferrals and rollovers, within limitations and conditions as defined by the Plan.

VESTING

Participants are always fully vested in the Elective Deferral Account, Rollover Contribution Account, Qualified Non-Elective Contribution Account, Safe Harbor Matching Contribution Account, Discretionary Non-Safe Harbor Matching Contribution Account and Profit-Sharing Contribution Account.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

Forfeited non-vested accounts may first be used to pay any administrative expenses of the Plan, and remaining balances may be used to satisfy contribution that may be required. During the year ended December 31, 2022, no forfeited non-vested accounts were utilized for administrative expenses or matching contributions. The company had $1,610 and $1,188 in forfeited non-vested accounts for the years ended December 31, 2022 and 2021 respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions which affect the amounts reported in the financial statements and accompanying notes and schedules. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investment in separate account funds are stated at Net Asset Value ("NAV") of the underlying mutual funds, which is calculated daily upon close of the New York Stock Exchange and is based on the fair values of the underlying securities. Fair value is the price which would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net change in the fair value of investments is reported in the statement of changes in net assets available for benefits in the period of change.

Contract value is the relevant measurement for the portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the Plan's investment contract is representative of fair value.

NOTE 2 – **SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Expenses related to the purchase or sale of investments are added to cost or deducted from proceeds. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain fees for services charged by the Custodian may be directly charged to a participant. Investment management and advisory fees are charged to the Plan. Other administrative costs of the Plan charged by the Custodian are generally paid by the Company.

NOTE 3 – **FAIR VALUE MEASUREMENTS**

The Plan measures and reports certain assets and liabilities at fair value within a hierarchal disclosure framework which prioritized and ranks the level of observable inputs used in measuring fair value. Level one inputs include inputs which are unadjusted, quoted prices for identical assets or liabilities in active markets. Level two measurements include inputs which are either observable prices for identical assets or liabilities in inactive markets, observable prices for similar assets or liabilities, or other inputs derived principally from, or corroborated by, observable market data at the measurement date. Level three inputs are unobservable inputs which are significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input significant to the fair value measurement.

The Plan's investment in separate account funds are stated at Net Asset Value ("NAV") of the underlying mutual funds, which is calculated daily upon close of the New York Stock Exchange and is based on the fair values of the underlying securities.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Although the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth the Plan's assets at fair value as of December 31, 2022 and 2021:

	2022	2021
Fair Value Investments within Hierarchy	$ -	$ -
Separate Account Funds Measured at NAV	12,286,899	14,675,651
Total Investments, at Fair Value	$ 12,286,899	$ 14,675,651

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's financial information included in the financial statements and supplemental schedule is based on the information certified by the Custodian as complete and accurate in accordance with 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The certified information includes total investments of $13,179,138 and $15,181,375 at December 31, 2022 and 2021, respectively.

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 (c) of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the Custodian. Accordingly, the Custodian has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate.

Investments in separate account funds and the Voya Fixed Account, as shown in the statements of net assets available for Plan benefits at December 31, 2022 and 2021.

Investment activity, as shown in the statement of net changes in net assets available for Plan benefits for the year ended December 31, 2022.

The information in the supplemental schedule of assets (held at year end) as of December 31, 2022.

The Plan's independent public accountant did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a guaranteed investment contract (the "Contract") with the Custodian. The Contract is fully benefit-responsive; therefore, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Contract. Contract value, as reported to the Plan by the Custodian, represents contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Funds allocated to the Contract are placed in the Custodian's general account where they are invested in accordance with the Custodian's investment policy. The account is credited with earnings on the underlying investments and charged with participant withdrawals and administrative expenses. The Contract issuer is contractually obligated to repay the principal and a specified interest rate, which is guaranteed to not be less than 1.00%, to the Plan.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants is probable.

NOTE 6 – INCOME TAXES

The prototype plan and trust agreement established by the Custodian to hold the Plan's assets is exempt from federal income taxes pursuant to the appropriate sections of the Internal Revenue Code by a letter dated March 31, 2014; and accordingly, the Plan's net investment income is exempt from income taxes. The prototype has been amended since receiving the determination letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 – ADMINISTRATION OF PLAN ASSETS

The Plan's assets are held and certain administrative functions are performed by the Custodian of the Plan. The Company provides certain administrative functions and absorbs certain administrative costs on behalf of the Plan.

NOTE 8 – PARTY-IN-INTEREST

Net assets available for benefits include investments managed by the Custodian at December 31, 2022 and 2021. As a result, these assets and all transactions relating to these assets qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA. Administrative expenses are mostly paid directly by the Plan Sponsor to the Custodian. Certain participant transaction fees totaled $8,910 were charged directly to participant accounts for the year ended December 31, 2022.

Additionally, the third-party administrator and Plan auditors are considered parties-in-interest. These transactions are exempt from being prohibited transactions by ERISA. For the year ended December 31, 2022, no fees were paid by the Plan to the third-party administrator or the Plan auditors.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible change in values of investment securities will occur in the near term and such change could materially affect participant's account balances and the amount reported in the statement of net assets available for benefits.

NOTE 10 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan in whole or in part subject to the provisions of ERISA. In the event of Plan termination, the Custodian will distribute all assets remaining after payment of any expenses chargeable to the Plan to participants or their beneficiaries in accordance with the Plan's provisions.

NOTE 11 – SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through the date of the independent auditors' report, the date which the financial statements were available to be issued. No matters were identified affecting the accompanying financial statements which have not been disclosed.
