Independent Auditors' Report

Plan Administrator
TAP Plastics Profit Sharing 401(k)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of TAP Plastics Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of TAP Plastics Profit Sharing 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TAP Plastics Profit Sharing 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TAP Plastics Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TAP Plastics Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of The TAP Plastics 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated July 9, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. DESCRIPTION OF THE PLAN:

The following brief description of the TAP Plastics Profit Sharing 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General:

The Plan is a defined contribution 401(k) plan established July 1, 1993 to provide benefits of eligible employees as defined in the Plan document. The Plan is subject to the Provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401(k) of the Internal Revenue Code.

Eligibility:

Employees are eligible to participate in the Plan after completing one year of service, completed 1,000 hours and have attained age 21. Upon meeting eligibility criteria, employees who do not make an affirmative election to defer compensation to the plan, including an election not to defer, will be automatically enrolled in the plan with an initial pre-tax deferral contribution of 3% of compensation with a 1% escalating annual scale increase until reaching a maximum deferral percentage of 12%. Employees are eligible to receive employer contributions after completing eligibility requirements. The entry date will be January 1 and July 1 after the employee satisfies the eligibility requirements.

Participant contributions:

The maximum annual amount that can be contributed to a 401(k) arrangement as an elective deferral, that is, as a pre-tax contribution, is \$19,500 for 2021 and 2020. Individuals age 50 or over, by the end of the plan year, are allowed to make additional contributions to a 401(k) plan, in excess of the standard limits. Such additional contributions will be limited to the lesser of a specified dollar amount (\$6,500 for 2021 and 2020) or the participant's compensation for the year reduced by the participant's other elective deferrals.

The Plan permits Roth Deferrals. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer contributions:

The plan sponsor may make a discretionary matching contribution as defined in the Plan and approved by the Board of Directors. A participant must complete 1,000 hours of service each year to be eligible for a discretionary matching contribution. In 2021 and 2020, the company matched 25% of each eligible participant's salary deferral up to 6% of eligible compensation. The Plan also allows for a discretionary profit sharing contribution. The Board of Directors authorized matching and profit-sharing contributions totaling \$355,000 and \$675,000 annually for the 2021 and 2020 plan years, respectively.

Participant accounts:

Each participant's account is credited with the participant's contribution and allocation of the plan sponsor's contribution and the Plan earnings and charged with an allocation of administrative expenses. Allocations of sponsor matching contributions are based on participant contributions. Profit sharing contributions are allocated pro rata as a uniform percentage of compensation.

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 1. DESCRIPTION OF THE PLAN (Continued):

Investment options:

Upon enrollment in the Plan, a participant may direct the investment of his or her account balance into the various investment funds offered by the trustee and custodian of the Plan. Contributions allocated to participants who decline to make an investment election are invested in the target date maturity fund that is appropriate for a participant's age and projected date of retirement.

Notes receivable from participants:

Under the terms of the Plan, participants may borrow from their account, a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the participant's contributed (including earnings) account balance, whichever is less. The loans are secured by the balance in the participant's account. Notes receivable from participants at December 31, 2021 carry interest rates ranging from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

Vesting:

Participants are immediately 100% vested in their contributions and earnings thereon.

Plan sponsor contributions are subject to a vesting schedule that provides for full vesting after six years of credit service.

Payment of benefits:

Participant accounts are available for withdrawal at the participant's death, retirement, total disability, age 59½, or termination of employment with the plan sponsor. Participants who qualify for benefits and withdrawals may elect to receive their benefits in the form of a lump sum, in periodic installments, or an annuity. The benefit to which a participant is entitled is the benefit that can be provided solely from the participant's vested account.

Forfeitures:

Forfeitures of terminated participants' non-vested matching and profit-sharing accounts may be applied as additional matching and profit sharing contributions, used to reduce employer matching and profit sharing contributions, or used to pay Plan expenses. For the 2021 and 2020 plan year, \$2,802 and \$2,573 of forfeitures were used to reduce Company matching contributions. For the 2021 and 2020 plan year, \$21,643 and \$21,062 of forfeitures were allocated as additional profit-sharing contributions.

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Method of accounting:

The financial statements are prepared using the accrual basis of accounting.

Investment valuation and income recognition:

Investments are generally included in the financial statements at fair value as reported to the Plan by the trustee. Shares are stated at quoted market value. Gains and losses on investments are recognized in the period in which the appreciation or depreciation occurs. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in fair value of investments, which consists of the net realized gains or losses and unrealized appreciation or depreciation on those investments.

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Investment valuation and income recognition (continued):

As described in the Professional Accounting Standards, investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Great-West Trust Company and Great-West life & Annuity Insurance company (collectively, Great-west) serve as directed trustees of Plan assets. Empower Retirement is third party administrator of the Plan and is responsible for maintaining participant records.

Empower Retirement received revenue sharing payments from plan investments. These payments are used to offset certain Plan administrative costs including record keeping, investment advisory and audit fees. Administrative costs totaling approximately \$13,000 and \$12,000 in 2021 and 2020, respectively, were paid by the Plan including certain fees for participant elective transactions, primarily withdrawal and participant loan administration fees, that are charged directly to participants.

Date of management's review:

The Plan Administrator has evaluated events through July 20, 2022, the date which the financial statement was available for issue. Management has concluded that there were no subsequent events to be disclosed or recognized in the financial statements.

Note 3. NATURE OF ESTIMATES:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 4. SIGNIFICANT CONCENTRATION OF CREDIT RISK:

The Plan's investments are held in a trust fund administered by Empower Retirement. The Plan provides for various investment options in any one of a combination of mutual funds that invest in stocks, bonds, fixed income securities and other investment securities. These investments are exposed to various risks, such as credit, interest rate and market. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 5. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED):

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the trustee certified information regarding the cost and fair value of all investments and notes receivable from participants held at December 31, 2021 and December 31, 2020 and investment and notes receivable from participants transactions entered into during 2021, which was used in the preparation of the accompanying financial statements and supplemental schedule.

Note 6. FAIR VALUE MEASUREMENTS:

Professional accounting standard establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under professional accounting standards are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 6. FAIR VALUE MEASUREMENTS (Continued):

The following tables set forth by level, the Plan's assets at fair value as of December 31, 2021 and December 31, 2020:

Assets at Fair Value as of December 31, 2021

Investments at Fair Value as of December 31, 2021				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments at contract value	-	2,122,334	-	2,122,334
Assets at fair value	<u>\$ 15,062,709</u>	<u>\$ 2,722,312</u>	<u>\$ -</u>	<u>\$ 17,785,021</u>

Assets at Fair Value as of December 31, 2020

Investments at Fair Value as of December 31, 2020				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 13,273,224	\$ -	\$ -	\$ 13,273,224
Pooled Separate Accounts	-	546,418	-	546,418
Investments at contract value	-	3,052,288	-	3,052,288
Assets at fair value	<u>\$ 13,273,224</u>	<u>\$ 3,598,706</u>	<u>\$ -</u>	<u>\$ 16,871,930</u>

Note 7. GUARANTEED INTEREST FUND:

The Great-West Guaranteed Interest Fund is maintained in an insurance company general account. Great-West is contractually obligated to repay principal and a specified interest rate to the Plan. Because the fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to this fund. Participants may direct the withdrawal or transfer of all or a portion of their investment in the fund at contract value.

Premature liquidation of Plan investments in the fund is subject to restrictions and may result in redemption charges. The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring. The actual average yield earned by the fund in 2021 and 2020 was 1.15% and 1.28%, respectively.

Note 8. POOLED SEPARATE ACCOUNTS:

The Great-West Secure Foundation Fund is comprised of variable annuity contracts. The contracts' underlying investments are maintained in pooled separate accounts. Fair values of pooled separate accounts are measured using net assets value per share as a practical expedient. Great-West files Form 5500 as a direct filing entity for these accounts pursuant to 29 CFR 2520.103-9.

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 8. POOLED SEPARATE ACCOUNTS (Continued):

Variable annuity contracts provide participants with guaranteed retirement income for life and the potential of increased retirement income if the contracts' underlying separate accounts investments perform well. Guaranteed income is subject to the claims-paying ability of Great-West. Withdrawals in excess of guaranteed annual withdrawals provided under a contract or loans or transfers from a contracts' underlying separate account investments reduce the benefit base and the guaranteed retirement income benefit. A variable annuity is subject to fluctuating values of the contracts' underlying separate account investments, including the possible loss of principal.

Note 9. INCOME TAX STATUS:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the relate trust is tax-exempt.

Note 10. PLAN TERMINATION:

Although it has not expressed any intent to do so, the plan sponsor may, at its sole discretion, terminate the Plan in whole or in part at any time. In the event of termination, the accounts of participants are non-forfeitable and will be determined as of the termination date.

Note 11. RELATED PARTY TRANSACTIONS:

Certain plan investments are shares of mutual funds managed by various brokerage houses and investment transactions are executed by Empower Retirement. Empower Retirement is the products and services offered by Great-West Trust Company, the trustee as defined by the Plan. Fees paid by the Plan for the investment management services amounted to \$29,610 for the year ended December 31, 2021. These transactions qualify as party-in-interest transactions, which are exempt from the ERISA, prohibited transaction rules.

Note 12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to form 5500 on December 31, 2021:

Net assets available for benefits per the financial statements	\$ 18,347,956
Employer contribution receivable as of December 31, 2021	<u>(355,000)</u>

The following is a reconciliation of the increase in net assets per the financial statements to Form 5500 for the year ended December 31, 2020:

TAP PLASTICS PROFIT SHARING 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS - DECEMBER 31, 2021 AND DECEMBER 31, 2020

Note 13. COVID-19:

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
