Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of At Home Solutions, LLC, Employees Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of At Home Solutions, LLC, Employees Pension Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of At Home Solutions, LLC, Employees Pension Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination

As further discussed in Note 1 to the financial statements, the governing body of At Home Solutions, LLC, Employees Pension Plan, approved a plan of liquidation on March 9, 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about At Home Solutions, LLC, Employees Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of At Home Solutions, LLC, Employees Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about At Home Solutions, LLC, Employees Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Others Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of assets are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of At Home Solutions, LLC, Employees Pension Plan. As permitted by 29 CFR 2520.130-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated March 1, 2023, we indicated that (a) because of the significance of the information that we did not audit, we were unable to obtain sufficient appropriate evidence to provide basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included on the 2020 financial statement other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

1. Description of Plan

The following description of At Home Solutions, LLC, Employees Pension Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

A. General

Prior to termination, the Plan was a 401(k) plan covering all employees who had completed one year of service and chose to participate in the Plan. Employees who were covered by a collective bargaining agreement were excluded from employer non-elective contributions, employer matching contributions, and employee elective deferrals. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 9, 2021, the Board of Directors of At Home Solutions, LLC, voted to terminate the Plan as of the close of business on March 9, 2021, and to distribute Plan assets as soon as administratively practicable after receipt of an IRS determination letter on the Plan's termination. In accordance with Plan provisions, the Sponsor vested 100% of the Plan's assets as of January 31, 2021. All Plan assets were distributed by December 31, 2021.

B. Contributions

Prior to termination, for 2021, participants could elect to defer up to \$19,500 or 100% of their pre-tax annual compensation to the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions, as defined by the IRC. Participants could also contribute amounts representing distributions from other qualified defined contribution plans as well as after-tax contributions from their current compensation.

There is no employee matching contribution for the Plan, and the employer did not make any discretionary contributions for the years ended December 31, 2021, or 2020.

C. Participants' Accounts

Prior to termination, each participant established his or her own separate investment account within Capital Bank and Trust Company solely for that individual's contributions. Each participant's account was credited with the actual investment performance realized by the investments of his or her investment account.

1. Description of Plan - (Continued)

D. Vesting

Prior to termination, participants were immediately vested in prevailing wage, safe harbor, and their own contributions, plus actual earnings thereon. Vesting in the Company's matching and non-elective contributions portion of their accounts, plus actual earnings thereon, is determined under the following schedule:

<u>YEARS OF SERVICE</u>	<u>VESTED PERCENTAGES</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A Participant was also 100% vested under any of the following conditions:

- Death before retirement date;
- Disability before retirement date.

E. Forfeitures

Prior to termination, forfeitures of employer matching contributions of terminated participants' non-vested accounts could be used to pay administrative expenses of the Plan or used to reduce employer contributions.

F. Payment of Benefits

Prior to termination, upon termination of service due to death, disability, retirement, or any other reason, a participant or his or her beneficiaries could receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount.

G. Hardship Withdrawals

Prior to termination of the Plan, hardship withdrawals were permitted in accordance with Internal Revenue Service ("IRS") guidelines.

H. Participant Loans

Prior to termination of the Plan, loans were permitted under certain circumstances and were subject to limitations. Participants could borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans were to be repaid over a period not to exceed 5 years, except when used for the purchase of a primary residence.

The loans were secured by the balance in the participant's account and bore interest at rates established by the Trustee. Principal and interest were paid ratably through payroll deductions. Loans were valued at unpaid principal plus accrued unpaid interest.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The Plan's transactions are reported on the liquidation basis of accounting in accordance with U.S. GAAP.

B. Estimates and Assumptions

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Prior to Plan termination, upon termination of service due to death, disability, retirement or other reasons, a participant could receive the value of the vested interest in his or her account as a lump-sum distribution. Benefits were recorded when paid.

AT HOME SOLUTIONS, LLC
EMPLOYEES PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the assets or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

3. Fair Value Measurements – (Continued)

The following table sets forth by level, within the fair market value hierarchy, the Plan's assets at fair value as of December 31, 2021.

	<u>Assets at Fair Value as of December 31, 2021</u>

Mutual Funds	<u>\$ 100,107</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 100,107</u>

4. Information Prepared and Certified by the Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's auditors not to perform any auditing procedures with respect to the information certified by Capital Bank and Trust Company, the Trustee, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedule. The Plan Administrator has obtained certifications from the Trustee stating that the information provided to the Plan Administrator by the Trustee is complete and accurate. Such information includes investments (mutual funds, collective trust funds, and self-directed brokerage accounts), notes receivable from participants, interest and dividend income, interest income on notes receivable from participants, net appreciation (depreciation) in fair value of investments, and investment transactions. In addition, Capital Bank and Trust Company is the custodian of the pooled separate accounts and stable value fund and certified the information related to those investments.

AT HOME SOLUTIONS, LLC
EMPLOYEES PENSION PLAN
NOTES TO FINANCIAL STATEMENTS

5. Tax Status

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that, more likely than not, would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Administrative Expenses/Related Party Transactions

Prior to termination, the Company paid administrative expenses associated with the management of and professional services for the Plan. Certain administrative fees were paid from forfeited account balances while others, including fees for hardship withdrawals, were paid by the participants.

7. Party-in-Interest Transactions

Prior to termination, the Plan's investments were managed, administered, and in the Custody of Capital Bank and Trust Company and its subsidiaries and affiliates. Capital Bank and Trust Company was the trustee as defined by the Plan and, therefore, these transactions qualified as party-interest transactions. Fees paid to the trustee for other administrative expenses, management services, and bookkeeping services also qualified as party-in-interest transactions.

Prior to termination, the Plan issued loans to participants, which were secured by the balances in participants' accounts. These transactions qualified as party-in-interest transactions.

8. Risks and Uncertainties

Prior to termination, the Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Subsequent Events

The Company has adopted ASC855 "Subsequent Events" and evaluated events and transactions that occurred through May 11, 2023, which is the date of the financial statements, for possible disclosure and recognition in the financial statements.
