Re: Required communications between Marcum and Those Charged with Governance

Dear Thomas and Ronda:

In accordance with auditing standards generally accepted in the United States of America ('GAAS"), Marcum LLP ("Marcum" or the "Firm"), as auditors of Masonry Builders, Inc. 401(k) P/S Plan (the "Plan"), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the "Those Charged with Governance"). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors' Responsibility under U.S. Generally Accepted Auditing Standards

We have audited the financial statements of Masonry Builders, Inc. 401(k) P/S Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we issued our report thereon dated November 8, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the current trustee, and John Hancock Life Insurance Company (U.S.A.), the former trustee, which are banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities

under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 12, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720, "Other Information in Documents Containing Audited Financial Statements," and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- *The allocation of responsibilities between Those Charged with Governance and management.*
- *The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*

- *Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*
- *Significant communications with regulators.*
- *Other matters you believe are relevant to the audit of the financial statements.*
- *The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- *The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- *The actions of Those Charged with Governance in response to previous communications with the auditor.*

4. Qualitative Aspects of the Plan's Significant Accounting Policies

The Plan adopted Accounting Standards Updates ("ASU") 2018-13, Fair Value Measurements (Topic 820) Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement effective for fiscal years beginning after December 15, 2019, however, it did not have a significant impact on the Plan's financial statements.

There are no other specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

5. Management Judgments and Significant Accounting Estimates

There were no significant estimates used during the period.

6. Financial Statement Disclosures

The most sensitive disclosures affecting the Plan's financial statement are Note 4 – Fair Value Measurements and Note 8 – Prohibited Transactions.

The financial statement disclosures are neutral, consistent and clear.

7. Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

8. Uncorrected and Corrected Misstatements

   We did not identify any material misstatements as a result of our audit procedures that were recorded by management. There were no uncorrected adjustments.

9. Disagreements with Management

   There were no such disagreements.

10. Management Consultations with Other Accountants

    To our knowledge, no such consultations were made by management.

11. Other Matters

    We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves and no discrepancies were noted.

12. Fraud or violations of Laws and Regulations

    There were no fraud or violations of laws and regulations that came to our attention during the course of our audit.

13. Independence

    There are no matters identified that impair our independence.

This report is intended solely for the information and use of the Plan Administrator, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Marcum LLP

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Masonry Builders, Inc. 401(k) P/S Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Masonry Builders, Inc. 401(k) P/S Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Reliance Trust Company (Reliance Trust) as of December 31, 2021 and for the period from May 8, 2021 through December 31, 2021, and John Hancock Life Insurance Company (U.S.A.) for the period from January 1, 2021 through May 7, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financials are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and the supplemental schedule of delinquent participant contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has

been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Masonry Builders, Inc. 401(k) P/S Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of Masonry Builders, Inc., and controlled groups Ice Sports Forum, LLC, and Ice Sports Forum, Inc. (collectively referred to as the "Company", "Employer", or "Plan Sponsor") who meet the minimum service requirements, with the exception of leased employees, non-resident aliens, and those employees covered by a collective bargaining agreement. Employees who have attained age 21 and have completed 500 hours of service in a six month period are eligible to participate in the Plan on the first day of the fourth and tenth months of the calendar year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

Effective May 1, 2021, the Plan document and related adoption agreement were restated with the restatement incorporating all prior Plan amendments and adoptions.

Custody of the Plan's investments was entrusted to John Hancock Life Insurance Company (U.S.A.) ("John Hancock") (the "Former Trustee") for the period from January 1, 2021 through May 7, 2021. Effective May 7, 2021, Reliance Trust Company ("Reliance Trust") (the "New Trustee"), became the trustee of the Plan. The New Trustee holds the Plan's assets as of December 31, 2021.

The plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitoring investment performance and reports to the Plan Sponsor.

CONTRIBUTIONS

Participants may contribute, through payroll reductions, a percentage (1% - 100%) of their eligible compensation on a pre-tax or Roth basis, up to the maximum dollar amount allowed by the Internal Revenue Code ("IRC") ($19,500 for 2021). The Plan also provides for catch-up contributions ($6,500 for 2021) for participants who reach age 50 by the end of the Plan year. Participants may also contribute amounts representing distributions from other retirement plans ("Rollovers"). During the year ended December 31, 2021, there were no Rollovers.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company may make discretionary matching contributions and discretionary profit sharing contributions, as determined by the Plan Sponsor. To be eligible for discretionary matching contributions and discretionary profit sharing contributions, employees must complete one year of eligibility service and be employed by the Company on the last day of the Plan year. There were no discretionary matching contributions or discretionary profit sharing contributions made to the Plan during the year ended December 31, 2021. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the IRC.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any Rollovers into the Plan, an allocation of the Employer's discretionary matching and discretionary profit sharing contributions, if any, and Plan earnings (losses), net of administrative expenses incurred by the participant. Each participant's account is reduced by any withdrawals or distributions associated directly with the participant. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately vested in their deferral contributions, plus actual earnings thereon. Vesting in the Company discretionary matching contributions and discretionary profit sharing contributions, plus actual earnings thereon, are based on continuous years of vesting service according to the following schedule:

Years of Service	Vesting Percentage
Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan document. Participants become 100% vested in their accounts upon separation of service due to disability or death.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct their contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. Participants may change their investment options daily.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Notes receivable range from one to five years or longer for the purchase of a primary residence. The interest rate charged is determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans, which would be made under similar circumstances. The interest rates charged on the participant loans outstanding at December 31, 2021 ranged from 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions.

During 2020, the Plan adopted to Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which was signed into law on March 27, 2020. Pursuant to the CARES Act, Plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. Such participant notes are re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act temporarily permitted a Plan participant to take loans during the 180 day period starting on the day of enactment, up to the lesser of either $100,000 or 100% of the participant's vested account balance.

PAYMENT OF BENEFITS

Upon termination of service due to disability, death, retirement or other reasons, a participant or beneficiary may elect to receive a lump-sum amount equal to the participant's vested account balance. If the vested balance is less than $1,000, the Plan may make an automatic lump sum distribution. In the case of a severe financial hardship, the Plan allows for hardship withdrawals from a participant's elective deferral account, subject to certain restrictions. During the year ended December 31, 2021 no hardship withdrawals occurred. The Plan also allows for in-service withdrawals, which may include all vested account balances, upon attaining age 59 and a ½.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In December 2019, the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law. The CARES Act is designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspends required minimum distribution provision for the year ended December 31, 2020. In addition, the required minimum distribution requirement is waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020. The CARES Act also allows participants to borrow up to $100,000, or 100% of their vested account balance, and participants with outstanding loans are able to suspend any loan repayments due during the balance of 2020. Loan repayments will restart beginning in January 2021.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming vested on Employer discretionary matching and profit sharing contributions. Forfeitures are to be used to pay Plan expenses. Any forfeitures not used to pay administrative expenses during the current year, may be applied to reduce Employer discretionary matching contributions and profit sharing contributions in the Plan's subsequent fiscal year. At December 31, 2021 and 2020, there were no forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and Plan trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2021 and 2020. If a participant ceases to make the scheduled repayments and the plan administrator deems the participant to be in default, the participant's note receivable is reduced and a benefit payment is recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

All Plan expenses, except expenses related to participant notes receivable and distributions which are paid by the participants, are paid by the Plan or by the Company at the discretion of the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of the investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits. The plan administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement* (Topic 820) *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements on fair value measurements under Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13, removes (a) the prior requirement to disclose the amount and reason for transfers between level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening balances to the closing balances of recurring Level 3 fair value measurements. The amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020; however, it did not have a significant impact on the Plan's financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through November 8, 2022, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEES

Certain information related to investments and notes receivables from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) as of December 31, 2021, including investments and note receivables from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, dividends and interest income on note receivables from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Former Trustee and New Trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 (continued)
If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts - The fair value of the mutual funds included in the underlying assets are used to determine the NAV of the account. The NAV is used as a practical expedient to estimate fair value.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2021 and 2020:

	As of December 31, 2021			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual Funds	$ 1,702,162	$ --	$ --	$ 1,702,162
Total investments at fair value	$ 1,702,162	$ --	$ --	$ 1,702,162

	As of December 31, 2020			
	(Level 1)	(Level 2)	(Level 3)	Total
Mutual Funds	$ --	$ --	$ --	$ --
Total investments in the fair value hierarchy	--	--	--	--
Investments measured at net asset value	--	--	--	1,544,723
Total Investments at fair value	$ --	$ --	$ --	$ 1,544,723

FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV (PRACTICAL EXPEDIENT)

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2020	Fair Value	Unfunded Commitment	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	$ 1,544,723	None	Daily	Daily

NOTE 5 - PARTY-IN- INTEREST TRANSACTIONS

Certain Plan investments and related transactions were in investment funds managed by the Plan's Former Trustee and New Trustee. Therefore, these investments and transactions qualify as party-in-interest transactions. For the year ended December 31, 2021, fees charged to the Plan for recordkeeping, participant loan setup and maintenance totaled approximately $16,000. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

NOTE 6 – TAX STATUS

The Plan Sponsor adopted a Non Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan (the "Pre-Approved Plan"), which received an opinion letter from the Internal Revenue Service ("IRS") on October 6, 2020, which stated that the Pre-Approved Plan and related trust, as then designed, is in compliance with the applicable requirements of the IRC. The Plan has been amended and restated since receiving the opinion letter. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

NOTE 8 – PROHIBITED TRANSACTION

During 2019, participant contributions totaling approximately $4,000 were not remitted timely to the Plan. The Department of Labor's Rules and Regulations ("DOL") require that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets. Failure to remit such contributions to the Plan in a timely manner results is a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Company. During December 2021, the Plan corrected the participant contributions and respective lost interest earnings related to the 2019 untimely remittances. The accompanying Supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions presents the prohibited transactions of the Plan.

NOTE 9 – SUBSEQUENT EVENT

On June 23, 2022, the Plan Sponsor amended the Plan document in order to incorporate various administrative provisions and to modify the Plan's loan program.
