INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
HCCS 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of HCCS 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America;

Opinion (Continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to

Supplemental Information Required by ERISA (Continued)

the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of the HCCS 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General information

The Plan is a defined contribution plan that holds and invests contributions, as directed by the participants, made by the participants and Healthcare Coding and Consulting Services, LLC (the "Company" or "Plan sponsor"). The Plan was amended and restated on January 1, 2022, to include provisions and changes to the Internal Revenue Code ("IRC"). There were no significant changes to the provisions of the Plan as a result of this restatement. The Plan sponsor appointed John Hancock Life Insurance Company to be the custodian of the Plan's assets. Effective August 31, 2021, the Plan sponsor made a change in custodian and recordkeeper and appointed American Funds to be the Plan's recordkeeper and Capital Bank and Trust Company ("CB&T"), a sister company to American Funds, as the new custodian. An officer of the Plan sponsor has been appointed to serve as trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The board of directors is responsible for oversight of the Plan. The trustee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the board of directors.

Eligibility

The Plan is offered to all full-time and part-time employees of the Company who are at least 21 years of age. The Plan excludes employees who are non-resident aliens, leased employees, and members of a collective bargaining agreement. Eligible employees can enter the Plan on the first day of the month after eligibility requirements are met.

Contributions

Participants may contribute up to 100% of their annual eligible compensation as a pre-tax deferral, up to the maximum allowed by the IRC, as defined by the Plan. The Plan also allows participants to make after-tax Roth contributions subject to certain limitations determined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Company's discretionary matching contribution is 25% of the participant's elective deferral up to a maximum of 5% of employee's compensation. The Company may also make a discretionary non-elective profit sharing contribution to all participants who completed 1,000 hours of service and are employed on the last day of the Plan year. All contributions are subject to certain limitations under the IRC. For the year ended December 31, 2022, the Company made discretionary matching contributions totaling \$65,880. The Company did not make a non-elective profit sharing contribution for the year ended December 31, 2022.

Participant accounts

Each participant's account is credited with the participant's contribution, the Company's contributions, an allocation of investment earnings or losses, and an allocation of administrative expenses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

All contributions made to these accounts are directed by the participant into investments offered by the Plan and the allocations between investments can be changed at their discretion.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting of Company contributions is based on an employee's number of years of service. Generally, an employee is credited with one year of service for each whole Plan year he or she worked.

Vesting of Company contributions and related earnings thereon is based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 or more years	100%

A participant's interest in their account shall become fully vested if employment is terminated due to death, disability or attainment of normal retirement age.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The maximum term of a note for general purpose may not exceed five years; however, if the note is used for the purchase of a primary residence, the maximum term may not exceed 30 years. Principal and interest are paid ratably through payroll deductions. The notes are secured by the balance in the participant's account and bear interest at market rates (ranging from 4.25% to 7.50% in 2022 and 2021), which are commensurate with local prevailing rates as determined by the Plan sponsor.

If a participant fails to make a payment when a note is due under the terms of the note, the participant will be in default. In the event of default, the note shall become due and payable immediately, and interest will continue to accrue until the entire note balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the note. Under certain circumstances, the note in default could be considered a distribution from the Plan and could be considered income to the participant. In any event, failure to repay a note will reduce the benefit a participant would otherwise be entitled to receive from the Plan.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Payment of benefits

Participants may receive all or a portion of their account balance related to their pre-tax deferral if they terminate employment, become disabled, or on account of financial hardship, as defined in the IRC.

Benefits may be paid in the form of a lump sum, partial payments or installment payments. The Plan allows for hardship withdrawals in accordance with the Plan document.

Forfeitures

Forfeitures of the non-vested portion of terminated participants' accounts can be used to reduce future Company matching contributions or to pay Plan expenses. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$7,964 and \$4,870, respectively. For the year ended December 31, 2022, no forfeitures were used to reduce Company matching contributions or pay Plan expenses.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan were prepared under the accrual method of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits at the date of the financial statements and changes in net assets available for plan benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan invests in funds managed by American Funds, the recordkeeper, in various mutual funds and a common collective trust fund. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value measurements

U.S. GAAP defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under U.S. GAAP are described as follows:

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on the Plan's assessment of the assumptions that market participants would use in pricing the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were

the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded as a deduction from net assets when paid to Plan participants.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent events

In accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*, the Plan has evaluated subsequent events through June 9, 2023, the date on which these financial statements were available to be issued, and has determined that there were no material subsequent events that required recognition or additional disclosure in the financial statements.

NOTE 3. FAIR VALUE MEASUREMENTS

The following table sets forth by level within the fair value hierarchy a summary of the Plan's assets measured at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total at December 31, 2022
Mutual funds	\$ <u>2,930,181</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 2,930,181
Investments measured at net asset value (a)				<u>9,269</u>
Investments at fair value				\$ <u>2,939,450</u>

The following table sets forth by level within the fair value hierarchy a summary of the Plan's assets measured at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total at December 31, 2021
Mutual funds	\$ <u>3,514,533</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 3,514,533
Investments measured at net asset value (a)				<u>4,966</u>
Investments at fair value				\$ <u>3,519,499</u>

(a) In accordance with FASB ASC 820-10, *Fair Value Measurements*, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliations of the fair value hierarchy to the line item presented in the statements of net assets available for plan benefits.

NOTE 4. FAIR VALUE OF INVESTMENTS THAT USE NAV

The following tables set forth summarize the Plan's investments with a reported NAV per share at December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Interest and dividends	\$ <u>146,610</u>	
Interest income on notes receivable from participants	\$ <u>1,087</u>	

NOTE 6. TAX STATUS

The Plan has adopted a volume submitter plan ("VSP") which received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating that the VSP is designed in accordance with the applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan sponsor and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain tax positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan, to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8. ADMINISTRATION OF PLAN ASSETS

Officers or employees of the Plan sponsor perform certain administrative functions. No such officers or employees receive compensation from the Plan. The Plan sponsor pays most administrative expenses. Expenses that are not paid by the Plan sponsor are deducted from the Plan's assets.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 10. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a common collective trust fund, which are managed by American Funds, a sister company to CB&T. CB&T is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and administrative services totaled \$2,594 for the year ended December 31, 2022. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. Notes receivable from participants are also party-in-interest transactions.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Schedule H Part I and II of Form 5500 are in substantial agreement with the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and there are no reconciling items.
