The Michael J. Fox Foundation for Parkinson's Research

as Plan Administrator for

The Michael J. Fox Foundation for Parkinson's Research 401(k) Plan
and Plan Participants and Beneficiaries

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of The Michael J. Fox Foundation for Parkinson's Research 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of the schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE MICHAEL J. FOX FOUNDATION FOR PARKINSON'S RESEARCH 401(k) PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN

The financial statements and supplemental schedule are those of The Michael J. Fox Foundation for Parkinson's Research 401(k) Plan (the "Plan") and users of these financial statements and supplemental schedule are directed to the independent auditors' report on pages 1 through 4. Likewise, the brief description of the Plan contained herein is provided solely for purposes of general information, and interested persons should refer to the Plan agreement for a more complete description of the Plan's provisions. A copy of the Plan agreement can be obtained from The Michael J. Fox Foundation for Parkinson's Research (the "Foundation").

[1] General:

The Plan is a defined-contribution plan designed to meet the requirements of Section 401(k) of the Internal Revenue Code (the "Code") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan covers all eligible employees of the Foundation.

Fidelity Management Trust Company ("Fidelity") is the custodian and record-keeper of the Plan's assets.

[2] Eligibility for participation:

Employee elective deferrals and employer contributions: An employee who is at least 21 years of age and has attained 90 days of service is eligible to participate in the Plan. Certain employees may be excluded from participation, however, if they fall within the specific categories listed in the Plan agreement.

[3] Contributions:

Employee elective deferrals: Participants may elect to contribute up to 75% of pre-tax annual eligible compensation, as defined by the Plan, subject to the Internal Revenue Services ("IRS") limit of \$20,500 for pre-tax deferral contributions during 2022. The Plan allows for catch-up contributions in an amount up to \$6,500 for participants over 50 years of age during 2022. In no event may a participant's pre-tax contributions exceed any statutory limitations. In addition, employees may designate all or any portion of their future elective deferral contributions of after-tax annual compensation as Roth elective deferral contributions. The Plan will accept amounts rolled over from other qualified plans, as defined in the Plan agreement.

Employer contributions: The Foundation makes a qualified non-elective contribution of 6% of employees' eligible compensation.

[4] Participant accounts:

The activity in each participant's account includes: (i) the participant's contribution, (ii) the Foundation's contribution, (iii) benefit payments or withdrawals, (iv) allocations of the earnings or losses on Plan assets and (v) allocated administrative expenses, if any. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

[5] Vesting:

Participants are vested in all contributions to the Plan, plus actual earnings thereon, immediately when made.

THE MICHAEL J. FOX FOUNDATION FOR PARKINSON'S RESEARCH 401(k) PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

[6] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as defined by the Plan document. Interest rates on outstanding loan balances at December 31, 2022 and 2021 ranged from 4.25% to 7.50%.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020 and provided certain loan provisions. Participants, who met specific conditions, were eligible to take a coronavirus ("COVID-19") related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period March 27, 2020 to September 22, 2020. Loan repayments due between March 27, 2020 and December 31, 2020 were allowed to be suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to one year.

[7] Payment of benefits:

Upon termination of service due to retirement, disability, or death, a participant (or a beneficiary) is entitled to receive (i) a lump-sum payment or (ii) an annuity contract in an amount equal to the total value of his or her account as of the most recent valuation date. For termination of service due to other reasons, a participant may receive the value of his or her account as a lump-sum distribution as of the most recent valuation date.

The CARES Act also provided optional distribution, as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2020. The Plan Sponsor implemented the following provisions of the CARES Act and the Plan will be formally amended prior to December 31, 2025, as required by the CARES Act.

Participants, who met specific conditions, were eligible to take a COVID-19 related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could have been taken from January 1, 2020 through December 31, 2020, and must be repaid within three years. The repayments are treated as tax-free rollovers into the participant's account.

NOTE B - SUMMARY OF ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net depreciation in the value of investments includes the Plan's gains and losses on investments bought and sold, as well as those held during the year.

THE MICHAEL J. FOX FOUNDATION FOR PARKINSON'S RESEARCH 401(k) PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE B - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

[3] Payment of benefits:

Benefits are recorded when paid to participants.

[4] Plan expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Foundation. Expenses that are paid by the Foundation are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

[5] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

[6] Tax status:

The Plan adopted a Volume Submitter Defined Contribution Plan sponsored by Fidelity. On March 31, 2014, the IRS stated in an opinion letter that the volume submitter adopted by the Plan, as then designed, was in compliance with applicable requirements of the Code, and therefore, the related trust for the Plan was exempt from taxation. The Plan has been amended since receiving the letter; however, the Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, the Plan administrator believes that the Plan is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP require the Plan's management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

[7] Subsequent events:

The Plan has evaluated subsequent events through June 7, 2023, the date on which the financial statements were available to be issued.

Notes to Financial Statements December 31, 2022 and 2021

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Fidelity Management Trust Company ("Fidelity") has certified the completeness and accuracy of all investments and related investment activity and the notes receivable from participants and related activity in the accompanying statements of net assets available for benefit as of December 31, 2022 and 2021, the statement of changes in net assets available for benefits for the year ended December 31, 2022 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2022.

NOTE D - INVESTMENTS AND FAIR-VALUE MEASUREMENTS

The Financial Accounting Standards Board's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Below is a description of the valuation methodology used for investment assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method of calculation may produce a fair-value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation method is appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair-value measurements at the reporting date.

Notes to Financial Statements December 31, 2022 and 2021

NOTE D - INVESTMENTS AND FAIR-VALUE MEASUREMENTS (CONTINUED)

The following tables set forth the Plan's assets at fair value at each Plan year-end:

December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,875,424	\$ -	\$ -	\$ 20,875,424
	<u>\$ 20,875,424</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,875,424</u>

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 24,230,125	\$ -	\$ -	\$ 24,230,125
	<u>\$ 24,230,125</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,130,125</u>

Changes in Fair-Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair-value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair-value level to another.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest-rate, market, credit, liquidity and market-perception risks. Due to the level of risk associated with any investment, it is at least reasonably possible that changes in the values of the Plan's investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2022 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the COVID-19 outbreak on the financial performance of the Plan's investments will depend on continued future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

COVID-19 poses risks to the Foundation as well, given that such public health epidemics, if sustained, could impact the Foundation's employees, potential donors and programs. Such impacts could adversely affect the Foundation's operational and financial performance and the ability to make required Plan contributions. At this point, the extent to which COVID-19 may continue to impact the Foundation's financial results remains uncertain.

THE MICHAEL J. FOX FOUNDATION FOR PARKINSON'S RESEARCH 401(k) PLAN

Notes to Financial Statements December 31, 2022 and 2021

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Fidelity. Therefore, transactions related to these investments qualify as party-in-interest transactions. The Plan paid \$50,884 in fees to Fidelity during 2022.

NOTE G - MUTUAL FUND FEES

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or Section 12b-1 fees, which are ongoing fees allowable under the Investment Company Act of 1940 and are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and they are therefore not separately identifiable as expenses.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Foundation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE I - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the federal Form 5500 at each Plan year-end:

Summary Annual Report

For The Michael J. Fox Foundation for Parkinson's Research 401(k) Plan

This is a summary of the annual report for The Michael J. Fox Foundation for Parkinson's Research 401(k) Plan, Employer Identification Number 13-4141945, Plan No. 001 for the period January 01, 2022 through December 31, 2022. The annual report has been filed with the Employee Benefits Security Administration, U. S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided through a trust fund. Plan expenses were \$1,136,613. These expenses included \$50,884 in administrative expenses and \$1,085,729 in benefits paid to participants and beneficiaries. A total of 297 persons were participants in or beneficiaries of the plan at the end of the plan year.

The value of plan assets, after subtracting liabilities of the plan, was \$22,535,139, as of December 31, 2022 compared to \$24,908,374 as of January 01, 2022. During the plan year, the plan experienced a decrease in its net assets of (\$2,373,235) . This decrease includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of (\$1,236,622), including employer contributions of \$1,372,707, employee contributions of \$1,744,122, other contributions of \$234,049, and losses from investments of (\$4,587,500) .

Your Rights To Additional Information

You have the right to receive a copy of the full annual report, or any part thereof, on request. The items listed below are included in that report:

1. financial information and information on payments to service providers;
2. an accountant's report;
3. assets held for investment;

To obtain a copy of the full annual report, or any part thereof, write or call The Michael J. Fox Foundation for Parkinson's Research, 111 WEST 33RD STREET FLOOR 10 , NEW YORK, NY 100012904, 212-509-0995.

You also have the right to receive from the Plan Administrator, on request and at no charge, a statement of the assets and liabilities of the plan and accompanying notes, or a statement of income and expenses of the plan and accompanying notes, or both. If you request a copy of the full annual report from the Plan Administrator, these two statements and accompanying notes will be included as part of that report.

You also have the legally protected right to examine the annual report at the main office of the plan at The Michael J. Fox Foundation for Parkinson's Research, 111 WEST 33RD STREET FLOOR 10 , NEW YORK, NY 100012904, and at the U.S. Department of Labor in Washington, D.C. or to obtain a copy from the U.S. Department of Labor upon payment of copying costs. Paperwork Reduction Act Statement

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB

control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average less than one minute per notice (approximately 3 hours and 11 minutes per plan). Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Office of the Chief Information Officer, Attention: Departmental Clearance Officer, 200 Constitution Avenue, N.W., Room N-1301, Washington, DC 20210 or email DOL_PRA_PUBLIC@dol.gov and reference the OMB Control Number 1210-0040.

Note: For small pension plans that are eligible for an audit waiver, see the Department's regulation at 29 CFR 2520.104-46 for model language to be added to the Summary Annual Report.
