CERTIFIED PUBLIC ACCOUNTANTS & BUSINESS ADVISORS

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Board of Directors of
the ArisGlobal's 401(K) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Qualified Opinion

In our opinion, except for the possible effect of the matter described in the Basis for Qualified Opinion section of our report, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Qualified Opinion

Because of inadequacy of accounting records for the prior years, we were unable to perform sufficient auditing procedures with respect to the participants' individual account balances accumulated from inception of the plan and therefore are unable to form an opinion regarding balances at December 31, 2020 or the propriety of the distributions to terminated participants during the year then ended.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Prior Period Financial Statement

The accompanying statement of net assets available for benefits of ArisGlobal, LLC 401(K) Profit Sharing Employee Benefit Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended were not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on them.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ARISGLOBAL 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 1 - Description of the Plan

The following description of ArisGlobal's 401(K) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan created under the provisions of Section 401 of the Internal Revenue Code (IRC), which includes a qualified deferred arrangement as described in Section 401 of the IRC. As such, the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan, which was adopted effective January 1, 2003, is classified as a defined contribution plan. The employees of ArisGlobal, LLC (the "Company"), are eligible to participate in the Plan if the participant attains the age of 21. The primary purpose of the Plan is to provide employees of the Company with financial benefits upon retirement.

Administration

The Plan is administered under a trust agreement between the Reliance Trust Company (the "Trustee") and the Company. The Trustee is responsible for investment of plan assets and carries out its fiduciary responsibilities through appointment of an administrative committee and various investment managers.

Contributions

Participants may elect to make contributions to the Plan. Deferrals in any taxable year may not exceed IRS limits. The IRS imposes limits on the amount an eligible employee may contribute as salary deferrals during a calendar year. For 2021 the maximum deferral limit was \$19,500. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants' deductions are made through a salary reduction agreement. Participants may also contribute amounts representing distributions from other qualified retirement plan or an IRA.

The Company will make a matching contribution equal to 100.0% of participant's elective deferrals, however the Company will not match elective deferrals that exceed 3.0% of participant's eligible earnings. Participant's matching contributions will be limited to \$4,000 per year.

Employer nonelective contributions may be made by the Company, although the Company is not required to do so. The participant must be employed as of the last day of the Plan year and have worked at least 1,000 hours during the Plan year in order to receive the contribution.

Note 1 - Description of the Plan (cont'd)

Participant accounts

Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, discretionary profit-sharing contributions, safe harbor matching contributions, and allocations of Plan earnings, and charged with an allocation of administrative expenses, if any. Participant contributions and employer contributions are allocated, at the participant's election, to investment funds held at Reliance Trust Company (the "Trustee"). Plan earnings are allocated based on the actual earnings of the respective participant's investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$500 up to a maximum of the lesser of \$50,000, or 50% of the vested interest of their account balances. The loans are collateralized by the balance in the participant's account. Participants may have only two loan outstanding at a time. The interest rate for a loan will be the rate in effect in the month the participant loan is effective. The interest rate is the prime rate as published in the Wall Street Journal on the 14th of each month, plus two percentage points. This interest rate is effective for any loan processed as of the 16th day of the month. Loan repayments will be made not less frequently than quarterly. The term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence the loan may be repaid within a period of no more than 30 years . Principal and interest are paid ratably through semi-monthly payroll deductions.

Investment options

Upon enrollment in the Plan, a participant may direct its allocated contributions to be invested in one or more of the investment options available to the Plan.

Vesting

Participants are immediately vested in their own contributions, safe harbor matching and rollover accounts, plus actual earnings thereon. Vesting in the employer-contributed portion, if any, of their accounts is based on years of continuous service, as follows:

Years of Service	Vested %
Less than 1 year	0%
At least 1 year, but less than 2	20%
At least 2 years, but less than 3	40%
At least 3 years, but less than 4	60%
At least 4 years, but less than 5	80%
5 Years or more	100%

Note 1 - Description of the Plan (cont'd)

Payment of benefits

Distributions are made upon death, retirement, permanent disability, severance of employment or request for withdrawal for extreme financial hardship, as defined in the Internal Revenue Code ("IRC"). Distributions are based on the participant's vested interest value in their account and are made in a single lump-sum payment.

Forfeitures

If a participant terminates employment before becoming 100% vested in their account balance but do not take a distribution from the Plan, the non-vested portion of their account balance will be forfeited as of the date they have a five-year Period of Severance. If participant terminates employment before becoming 100% vested in their account balance and receive a distribution of the vested portion of their account, the non-vested portion of their account will be forfeited when participant takes their distribution. Forfeitures totaled \$31,902 during year 2021 and are applied against contributions required by the Plan Sponsor.

If participant is rehired as an employee eligible to participate in the Plan, however, the forfeited amount will be restored to their account if they repay the entire amount previously distributed to them within five years of their reemployment or, if earlier, before they incur a five-year Period of Severance. If they do not repay the distribution— or if they are rehired after they have incurred a five-year Period of Severance, the forfeited portion of their account balance will remain forfeited and will not be restored.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America and with the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA requires the Plan administrator to make estimates and assumptions that could affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

ARISGLOBAL 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 2 - Summary of Significant Accounting Policies (cont'd)

Investment valuation and income recognition

The Plan's investments are stated at fair value and are invested in interest-bearing money market funds and registered investment company fund vehicles. Investment funds are valued at quoted market prices, which represent the net asset value of funds held by the Plan at year end. Account balances are allocated to each participant by the Plan's third-party administrator.

Purchases and sales of marketable securities are recorded on a trade-date basis. Interest and dividend income is recorded as earned on the accrual basis. Interest is automatically reinvested in additional fund units.

In accordance with the Plan's policy of stating marketable securities at market value, the net appreciation (depreciation) in fair value of investments each year for the Plan is reflected in the Plan's statement of changes in net assets available for benefits.

Administrative fees and other costs

Plan administrative services, such as legal, consulting, audit, accounting, trustee, and recordkeeping services, may be required to administer the Plan. Administrative fees amounting to approximately \$24,400 were charged by the Plan administrator directly to the Plan during 2021. The Plan Sponsor absorbs a significant amount of costs of plan administration.

Payment of benefits

Benefit payment to participants are recorded when paid.

Excess contributions payable

There were no excess contributions for the year ended December 31, 2021.

Rollovers

Rollover funds are assets being transferred from one eligible employer plan retirement plan to another eligible employer plan. During FY 2021, fourteen (14) ArisGlobal, LLC plan participants elected to rollover a total of \$545,200 to new employer plans, and eleven(11) participants rolled over a total of \$1,131,864 into the ArisGlobal, LLC 401(K) Profit Sharing plan. Rollovers are described as benefits paid to participants, or contributions transferred by the participants from other plans.

Income taxes

The Plan is exempt from federal income taxes of the Internal Revenue Code.

Note 2 - Summary of Significant Accounting Policies (cont'd)

Date of management's review

The Plan has evaluated the subsequent events through November 30, 2022 which is the date the financial statements were available to be issued.

Note 3 - Qualified Opinion

ERISA Section 103(a)(3)(A) requires that employee benefit plans with more than 100 participants to be audited. During FY 2020, the plan had a total of 89 participants at the beginning of the Plan year, an audit was not conducted. Hence, fiscal year 2021 represents the first year that the Plan exceeded 100 participants and the initial year receiving an audit. The Plan administrator has elected not to audit prior year opening balances. Instead, the administrator has placed reliance on the year 2020 Certified Form 5500.

Note 4 - Investments

The following presents investments that represent 5% or more of the Plan's net assets as of December 31, 2021:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 5 - Party-in-Interest Transactions

The Plan's investments are in pooled separate accounts through subaccountants of the Trustee and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid during the year for services rendered by parties-in-interest were based on customary rates for such services. While these transaction qualify as party-in-interest activity, they are expressly exempted from prohibited transaction rules (ERISA, Tittle 1, and Section 408(b)).

Note 6 - Fair Value Measurements

The Plan's assets and liabilities reported at fair value are valued using a hierarchy that prioritizes the inputs to valuation techniques used to measure fair values. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 Fair Value Measurements - The participant loans are not actively traded, and significant other observable inputs are not available. Thus, the fair value of participant loans is equal to the amortized cost of the loans because the loans are secured by each respective participant's account balance.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits as follows:

December 31, 2021			
Description	Fair Value	Fair Value Measurements Using:	
		Prices in Active Markets	
		for Identical Assets	
		(Level 1)	Level 2

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

Note 7 - Tax Status

The Plan Administrator believes that the Plan has been designed to comply with the requirements of the section 401(K) of the Internal Revenue Code and, therefore, believe the Plan is qualified and the related custodial accounts are tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize tax liability (or asset) if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdiction.

Note 8 - Information Prepared and Certified by Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan Trustee, Reliance Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, as shown in the statements of net assets available for benefits as of December 31, 2021.
- Investment income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- The schedule of assets held for investment purposes as of December 31, 2021, as shown in the supplemental schedule.

Note 9 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Company may determine.

Note 11 - Investment Risk

The Plan's investments are not insured and are subject to the normal credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Trustee.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

DECEMBER 31, 2021

Note 12 - Subsequent Events

Plan management has evaluated subsequent events through November 30, 2022, in connection with the preparation of these financial statements, which is the date the financial statements were available to be issued. Subsequent to December 31, 2021, financial markets continue to be volatile. As a result, the Plan's investments incurred a decline in fair value since December 31, 2021. However, because the values of the Plan's individual investments have and will continue to fluctuate in response to changing market conditions, the decline in fair value is considered temporary and was not recognized as of December 31, 2021.
