## Independent Auditor's Report

The Plan Administrator  
BBP Retirement Savings Plan  
Muskegon, Michigan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of BBP Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that

agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### 1. Plan Description

The following description of the BBP Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan was established effective May 23, 2015 (inception of the Plan). The Plan is a defined-contribution plan covering all employees, other than carpenters and millwrights, of Brunswick Bowling Products, LLC (the Company). Employees are eligible upon date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The trustee and recordkeeper of the Plan is Principal Trust Company (the Trustee). The administrator of the Plan is the Company. The Trustee holds all assets of the Plan in accordance with the service provider contract with the Company. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Contributions*

Participants may elect to contribute a portion of their pretax annual compensation to the Plan through a salary reduction program, limited to those amounts allowable as a deduction under the Internal Revenue Code (IRC). Eligible employees automatically defer 6% of their compensation with a 1% increase each year up to 12% unless they elect a contrary salary reduction or elect not to participate. Participants may also elect to make Roth deferral contributions.

The percentage of elective deferral contributions matched, if any, shall be a percentage as determined by the Company. In 2022 and 2021, the Company made a matching contribution in an amount equal to 100% of elective deferral contributions up to 3% of compensation, and 50% of the next 2% of elective deferral contributions up to 5% of compensation. Participants may also contribute amounts representing rollovers from other qualified defined-benefit or defined-contribution plans.

Discretionary variable retirement contributions may be made for each Plan year in an amount equal to a stated percentage as determined by the Company. The Company may determine different amounts of such contributions to be allocated separately on behalf of persons in different employee groups based on employee groups determined by the Company for the Plan year. Such contributions shall be made to participants for services rendered in such designated groups during the Plan year. Discretionary variable retirement contributions were \$1,020,226 and \$728,868 for 2022 and 2021, respectively.

#### *Participant Accounts*

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, net investment earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions as defined by the Plan. Investment earnings are allocated daily based on unit values and units owned in accounts. The benefit to which participants are entitled is the vested portion of their accounts.

### ***Investment Options***

Participants are allowed to allocate contributions to various investment options offered through Principal Trust Company. Participants may change their investment options at any time.

### ***Vesting***

Participants are immediately vested in their voluntary contributions and all employer contributions plus actual earnings thereon.

### ***Notes Receivable from Participants***

Participants may borrow from their investment accounts in any amount greater than \$1,000 but less than 50% of the participant's vested account balance. Participants may only borrow from the balance of their account resulting from elective deferrals and rollover contributions. In no event can a participant borrow more than \$50,000. The notes are secured by the balance in the participant's account and bear interest based on reasonable borrowing rates, which range from 3.25% to 7.00% on notes outstanding at December 31, 2022. The notes are repaid ratably through payroll deductions over a period of five years or less. Participants may not have more than one loan outstanding within a 12-month period.

### ***Payment of Benefits***

Upon retirement (age 65), termination of employment, death, or disability, participants or their beneficiaries may elect to receive the value of vested interest in his or her account in the form of a lump-sum distribution, or in an alternative manner, as mutually agreed upon with the Plan Administrator. Withdrawals may also be made upon attainment of age 59½ or circumstances of financial hardship as defined in the Plan.

### ***Administrative Expenses***

Certain administrative expenses are paid by the Company. Administrative expenses not paid directly by the Company may be paid from the Plan in accordance with Plan provisions.

## **2. Significant Accounting Policies**

### ***Basis of Accounting***

The financial statements of the Plan have been prepared under the accrual method of accounting.

### ***Subsequent Events***

Subsequent events have been evaluated by management through June 23, 2023, the date these financial statements were available to be issued.

### ***Use of Estimates***

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America (U.S. GAAP) requires management to make estimates and

assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value, except for the guaranteed investment contract discussed below. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date (see Note 3).

The Plan's investment in a guaranteed investment contract is valued at contract value (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Participant loans are classified as notes receivable from participants and are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Agreement and recorded as benefits paid to participants in the statements of changes in net assets available for benefits.

### ***Payment of Benefits***

Benefits are recorded when paid.

## **3. Investments**

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

# BBP Retirement Savings Plan

## Notes to Financial Statements

---

*Level 2* - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

*Level 3* - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

*Collective Investments Trusts (CITs)* - The units held in CITs are valued at the net asset value (NAV), as reported by the Trustee, as a practical expedient. This practical expedient is not used to be probable that the fund will sell the investment for an amount different than the reported NAV. The CITs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. The investment strategy for the CITs, which are categorized as balanced/asset allocation funds, is to seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor who expects to retire in a specified target year. There are no unfunded commitments related to the CITs.

*Pooled Separate Accounts (PSAs)* - The units held in PSAs are valued based on the underlying investments (i.e., common stock, mutual funds, and short-term securities). While the majority of the underlying asset values are based on quoted prices, the NAV of the PSAs is not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices and is used as a practical expedient. This practical expedient is not used to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. There are no unfunded commitments related to the PSAs.

*Mutual Funds* - The funds valued at daily closing price as reported by the fund. These funds are required to publish their NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

## 4. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA as of December 31, 2022 and 2021, and for the years then ended. Accordingly, Principal Trust Company, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) and interest from notes receivable from participants, as shown in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.

## Notes to Financial Statements

---

- Investment information included in Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

### 5. Guaranteed Investment Contract

The Plan invests in the Principal Fixed Income Guaranteed Option (PFIGO), a guaranteed investment contract. The PFIGO is a benefit-responsive contract entered into with Principal Life Insurance Company (Principal Life). Principal Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The PFIGO is valued at contract value for presentation in the Plan's net assets available for benefits. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is that amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract has a 5% surrender fee should the Plan discontinue without proper notification as prescribed in the contract. Currently, Plan management believes that the occurrence of an event that would cause the Plan to transact at less-than contract value is not probable.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is a blended rate determined using a dollar-weighted average of all the guaranteed interest rates of the guaranteed interest funds under this contract. Under the terms of the existing contract, the guaranteed minimum crediting interest rate is 1.55% and can be reset on a semi-annual basis. The PFIGO is a single group annuity contract with a fixed rate of interest.

### 6. Related Party Transactions

Investments in certain PSAs, CITs, and a guaranteed investment contract are managed by Principal Trust Company and Principal Life (collectively, Principal), the trustee and contract holder as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid to Principal for administrative services were \$56,373 and \$65,399 for 2022 and 2021, respectively. The Plan also issues loans to participants that are secured by the vested balance of the participants' accounts. These transactions are party-in-interest transactions, which are exempt from prohibited transaction rules.

### 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will automatically become fully entitled to the total balance in their accounts.

### 8. Tax Status

The Internal Revenue Service (IRS) informed Principal Life by an opinion letter dated June 20, 2020 that the pre-approved basic savings plan is acceptable under section 401 of the IRC. The Plan has been amended since receiving its latest opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the Plan continues to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there currently are no audits for any tax periods in progress.
