INDEPENDENT AUDITOR'S REPORT

June 22, 2023

To the Administrative Committee
ACCO Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of ACCO Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of ACCO Savings and Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ACCO Savings and Investment Plan's ability to continue as a going concern within one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ACCO Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ACCO Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of ACCO Savings and Investment Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 12, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Plan Description

The following description of the ACCO Savings and Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by ACCO Engineered Systems, Inc. (ACCO or the Company). The Plan covers all employees of ACCO 18 years of age or older, who are not subject to a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are allowed to contribute up to 60% of pretax annual compensation, and, upon age 50, may contribute up to 100% of pretax annual compensation, up to the annual IRS dollar limits. ACCO matches participant contributions at 100% up to a maximum of $1,500. Additional profit-sharing contributions may be made at the discretion of the Board of Directors of the Company.

Participant Accounts

Separate accounts are maintained for each participant's deferred compensation, rollover, employer contribution and participant loan balances. Earnings of the Plan are allocated to the participant account balances according to the ratio that a participant's account balance within each investment fund bears to the total of all participant account balances within such fund. Employer matching contributions are allocated based on participant deferrals. Any profit-sharing contributions are allocated to the participant account balances according to the ratio that a participant's compensation bears to the total of all participant compensation.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the highest outstanding loan balance during the prior 12 months, or 50% of their account balance. Loans to participants are accounted for in the Loan Fund. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined periodically by the Plan administrator. The loans are reported at their unpaid principal balances plus any accrued but unpaid interest.

Vesting

Participants are immediately vested in their salary deferrals plus earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus earnings thereon is based on years of service; participants vest 20% per year of service. For terminations on account of death, permanent and total disability, or normal retirement at age 65, 100% vesting is granted.

1. Plan Description (continued)

Forfeitures

Forfeitures of terminated participants' non-vested accounts are transferred to and maintained in a single Forfeiture Account, which is invested in interest-bearing deposits. Forfeitures are utilized to restore accounts or increase the amount allocated to active participants as directed by the plan administrator. Forfeitures of $153,484 were allocated to active participants during the year.

Benefits

Upon termination, disability, death or certain hardship cases, participants or their beneficiaries are entitled to receive their vested balances.

Plan Management

The Plan is administered by Fidelity Management Trust Company, which is the trustee.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and the changes in net assets available for benefits.

Date of Management's Review

The trustee has evaluated the impact of all subsequent events through June 22, 2023, which was the date the financial statements were available to be issued and has determined that no subsequent events require recognition or disclosure in the financial statements.

Administrative Expenses

The Company pays most of the administrative expenses associated with the Plan.

Investments

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for the disclosure of fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying disclosures. Actual results could differ from those estimates.

3. Tax Status of the Plan

The Internal Revenue Service issued a determination letter to Fidelity Management & Research Company, dated June 29, 2020, stating that the prototype plan was acceptable under Section 401 of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The plan has been amended since receiving the determination letter. It is the plan administrator's opinion that the adopted plan qualifies under Section 401(a) of the IRC and also satisfies all other relevant sections of the IRC; therefore, it is the plan administrator's opinion that the Plan is exempt from federal and state income taxes.

4. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Certification of Assets

Fidelity Management Trust Company ("Fidelity") serves as the trustee and custodian of the Plan's assets. In that capacity, Fidelity holds the Plan's assets and executes investment transactions. The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). As permitted under such election, the Plan administrator has obtained certifications from Fidelity as of September 30, 2022 and 2021, and for the year ended September 30, 2022, that all investment information supplied to the Plan is complete and accurate. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at September 30, 2022 and 2021, and interest, dividends and net appreciation/depreciation in fair value of investments for the year ended September 30, 2022, was obtained or derived from the certified information.

6. Party-in-Interest Transactions

The Plan has investments managed by Fidelity Investments. Fidelity Management Trust Company is the trustee of the Plan; therefore, Fidelity Investments is a party-in-interest.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were available to the Plan, and Level 2 inputs were only used when Level 1 inputs were not available.

The following table presents the Plan's assets measured at fair value on a recurring basis.

8. Fair Value Measurements (continued)

Description	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total

* In accordance with fair value measurement guidance, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statements of net assets available for benefits.

9. Fair Value Measurements (continued)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of September 30, 2022:

10. Investment Contract

Description

The Plan's investments include the common trust fund, also known as the managed income portfolio. The fund invests principally in fixed income securities, and money market funds, and may also invest in futures contracts, option contracts and swap agreements. The objective of the fund is to preserve the principal investment while earning a level return that is consistent with principal preservation. The fund seeks to maintain a stable net asset value while permitting participant-initiated withdrawals. Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute.

The investment contract is presented on the face of the statements of net assets available for benefits as the Common Collective Trust and is presented at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

10. Investment Contract (continued)

Limitations on Contract Value Transactions

Certain events limit the Plan's ability to transact at contract value with the issuers of its investment contract. Such events include the following: (a) amendments to the plan documents, (b) changes to the plan's prohibition on competing investment options, or (c) termination or tax disqualification of the Plan or trust. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Issuer-Initiated Contract Termination

Contract termination can result from certain breaches by the trust of its obligations, representations, or warranties with settlement at an amount which differs from contract value.

Contract Withdrawal

Pursuant to the declaration of trust, the Plan may withdraw from the trust with a twelve month advance written notice provided to the trustee.

Contract Value

The following represents the disaggregation of contract value between types of investment contracts held by the Plan:

	2022	2021
Synthetic investment contracts	$ -	$ 11,487,314

11. Reconciliation to Form 5500

The following schedule reconciles net assets available for benefits per the financial statements to Form 5500 at September 30:

	2022	2021
Net assets available for benefits per the financial statements	$ 172,506,493	$ 214,666,898
Adjustment from fair value to contract value for the fully benefit-responsive investment contract	-	226,551
Net assets per Form 5500	$ 172,506,493	$ 214,893,449

The following schedule reconciles additions to net assets available for benefits per the financial statements to Form 5500 for the year ended September 30, 2022.

Total additions per the financial statements	$ (24,234,458)
Change in adjustment from fair value to contract value for the fully benefit-responsive investment contract	(226,551)
Total income per Form 5500	$ (24,461,009)
