INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
QueBIT Consulting, LLC 401(K) Plan and Trust
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of QueBIT Consulting, LLC 401(K) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of QueBIT Consulting, LLC 401(K) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about QueBIT Consulting, LLC 401(K) Plan and Trust's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements - Continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of QueBIT Consulting, LLC 401(K) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about QueBIT Consulting, LLC 401(K) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

QueBIT Consulting, LLC 401(K) Plan and Trust

Notes to Financial Statements

December 31, 2021

1. Description of Plan

The following description of the QueBIT Consulting, LLC 401(K) Plan and Trust (the "Plan") provides general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan was established to provide employees of QueBIT Consulting, LLC (the "Company") with a systematic means of savings and investing for the future. All employees who have completed six months of eligible service and attained the age of twenty-one are eligible for the plan. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan management determines the appropriateness of the Plan's investment offerings and monitors investment performances.

b. Coronavirus Aid Relief and Economic Security Act

In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted on March 27, 2020. The CARES Act, among other benefits, provides certain relief for retirement plan sponsors and their participants with respect to employer contributions, distributions and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan agreement. The Plan Administrator has adopted certain relief provisions included in the CARES Act including those related to hardship distributions and participant loan deferment. The adopted provisions provide for qualified coronavirus related distributions from the Plan up to \$100,000. The Plan agreement has not been formally amended to reflect the relief provisions as of December 31, 2021, but it is management's intention to amend the agreement prior to the deadline established of December 31, 2025.

c. Contributions

Each year, participants may contribute up to 100% of their annual compensation, as defined by the plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

For the Plan year ended December 31, 2021, the Company has elected to make safe harbor nonelective contributions for each eligible Plan participant in an amount equal to 3% of the participant's eligible compensation. During the year ended December 31, 2021, the Company's safe harbor nonelective contribution amounted to \$343,959. In addition, the Company may make discretionary nonelective contributions at the option of the Company's board of directors.

Notes to Financial Statements

December 31, 2021

1. Description of Plan – Continued

c. Contributions - Continued

For the year ended December 31, 2021, the Company calculated a discretionary nonelective contribution in the amount of \$134,317 (partially funded by forfeitures in the 2022 year).

Participants direct the investment of their contributions and the Company contribution into various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

d. Participant Accounts

Each participant's account is credited with the participant's contributions and safe harbor nonelective employer contributions, as well as allocations of the Company's discretionary nonelective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

e. Vesting

Participants are immediately vested in their deferral contributions, rollover contributions and any qualified non-elective contributions and safe harbor nonelective contributions that may be made by the Company, plus actual earnings thereon. Vesting in the Company's nonelective contributions that may be made by the Company is based upon years of continuous service. However, if an active participant reaches normal retirement age, dies or becomes totally and permanently disabled prior to attaining the normal retirement age, the participant's account becomes 100% vested. A participant is 100% vested in their employer's discretionary nonelective contribution account after three years of service.

f. Payment of Benefits

On termination of service due to death, disability or retirement, a participant or his/her beneficiary, if applicable, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or in monthly, quarterly, or annual installments over a period of not more than the assumed life expectancy of the participant or their beneficiary. Accounts with less than \$1,000 may only be distributed to the participant in a lump-sum payment. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. The Plan also permits participant withdrawals after attaining age 59 1/2 or due to certain financial hardships to be made out of vested account balances.

Notes to Financial Statements

1. Description of Plan - Continued

g. Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$9,451 and \$33,927, respectively. These accounts may be used to reduce future employer contributions or toward Plan expenses. Also, in 2021, employer contributions were reduced using \$33,927 from forfeited nonvested accounts.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

b. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, the actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

d. Excess Contributions Payable

Amounts payable to participants totaling \$1,379 for contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable, with a corresponding reduction to contributions in the year it occurred.

e. Payments of Benefits

Benefits are recorded when paid.

f. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

3. Information Prepared and Certified by Trustee

The following information, included in the accompanying financial statements as of December 31, 2021 and 2020 and for the year ended December 31, 2021, was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company, the Trustee of the Plan:

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Money Market Deposit Accounts	\$ 1,314,318	\$ 2,825,623
Mutual Funds	<u>17,498,498</u>	<u>12,861,918</u>
Total investments, at fair value	<u>\$ 18,812,816</u>	<u>\$ 15,687,541</u>
Investment Income:		
Net Appreciation in Fair Value of Investments	\$ 971,863	
Dividends	1,071,157	
Interest	<u>174</u>	
Net Investment Income	<u>\$ 2,043,194</u>	

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

Level 2	Inputs to the valuation methodology include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
---------	--

Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
---------	---

QueBIT Consulting, LLC 401(K) Plan and Trust

Notes to Financial Statements

4. Fair Value Measurements – Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in valuation methodologies used at December 31, 2021 and 2020.

Money Market Deposit Accounts and Mutual Funds

The fair value of the funds are based on quoted net asset values of the shares as reported by the funds. The funds held by the Plan are open-end mutual funds and money market funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The funds held by the Plan are considered to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market Deposit Accounts	\$ 1,314,318	\$ -	\$ -	\$ 1,314,318
Mutual Funds	<u>17,498,498</u>	<u>-</u>	<u>-</u>	<u>17,498,498</u>
Investments at fair value	<u>\$ 18,812,816</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 18,812,816</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market Deposit Accounts	\$ 2,825,623	\$ -	\$ -	\$ 2,825,623
Mutual Funds	<u>12,861,918</u>	<u>-</u>	<u>-</u>	<u>12,861,918</u>
Investments at fair value	<u>\$ 15,687,541</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 15,687,541</u>

5. Related Party and Party-In-Interest Transactions

Certain Plan investments are managed by Fidelity Management Trust Company, the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

QueBIT Consulting, LLC 401(K) Plan and Trust

Notes to Financial Statements

December 31, 2021

7. Tax Status

The Plan obtained its most recent opinion letter dated June 30, 2020, in which the Internal Revenue Service states that an adopting employer, such as the Company, may rely on the letter with respect to the qualification of its plan, such as the Plan, under Section 401(a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification.

The Plan has been amended since receiving the opinion letter. Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of Net Assets Available for Benefits.

9. Voluntary Correction Program

The Company intends to correct an operational error for an employee contribution related to the exclusion of certain eligible compensation related to the improper application of the employee deferral election. This operational error will be corrected under the IRS's Employee Plans Compliance Resolution System using the Self Correction Program. Plan management is currently researching this operational error and does not expect the financial impact to be material to the financial statements as a whole. As of December 31, 2021, the Plan Sponsor has accrued \$27 on the Statements of Net Assets Available for Benefit under the heading "Other Employer Contributions Receivable" for corrective contributions related to this error.

10. Subsequent Events

ASC 855-10 defines "Subsequent Events" as further disclosure requirements for events that occur after the statement of financial position date, but before financial statements are issued. In accordance with ASC 855-10, the Company management has evaluated events subsequent to December 31, 2021 through October 14, 2022, which is the date the financial statements were available to be issued.
