INDEPENDENT AUDITOR'S REPORT

June 1, 2023

To the Plan Administrator and Participants of
Bakewise Brands, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bakewise Brands, Inc. 401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 7, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to December 7, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bakewise Brands, Inc. 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 7, 2022 and December 31, 2021 and for the period ended December 7, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bakewise Brands, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bakewise Brands, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bakewise Brands, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bakewise Brands, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

General

The Plan is a salary reduction plan pursuant to Section 401(k) of the Internal Revenue Code ("IRC"). It covers substantially all employees of Bakewise Brands, Inc. (the "Company") who meet certain age and length of service requirements. Prior to November 2, 2021, the Plan excluded union employees but effective November 2, 2021, the Plan was amended to allow union employees to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On August 2, 2022, the Board of Directors of the Company approved a merger of the Plan and Vie de France Yamazaki, Inc. 401(k) Retirement Savings Plan (VdFY Plan) to be effective October 1, 2022. The Company and Vie de France Yamazaki, Inc. (VdFY), the plan sponsor of the VdFY Plan, are both wholly-owned subsidiaries of Yamazaki Baking Co., Ltd. The Plan will operate as the Vie de France Yamazaki, Inc. 401(k) Profit Sharing Plan and Trust (VdFY Yamazaki Plan) which will be sponsored by VdFY and will include the Company as a participant employer. As a result of the merger, various plan provisions will be changed and PayChex, Inc (Paychex). will assume all administrative roles of the VdFY Yamazaki Plan. As of December 7, 2022, the Plan's assets were fully transferred to the VdFY Yamazaki Plan. A summary of the transferred net assets is as follows and is included on the changes in net assets available for benefits statement.

Investments, at fair value	\$ 2,257,289
Notes receivable from participants	<u>122,667</u>
Total	<u>\$ 2,379,956</u>

Administration

The Company is the plan sponsor. Reliance Trust Company (Reliance) serves as the trustee of the Plan and is responsible for the custody of plan assets and execution of the investment transactions. ADP, Inc. provides recordkeeping and administrative services for the Plan, including maintaining participant accounts and executing participant-initiated activity. The trustee administers the Plan in accordance with its terms and applicable laws and has all necessary and appropriate powers to carry out the provisions of the Plan.

Eligibility

Employees of the Company are eligible to be a contributing participant and make elective deferrals after attaining age 21 and completing six months of service. Eligible employees are able to participate in the profit sharing and match contributions. Eligible employees will become participants commencing on the first day of the following month after the eligibility requirements are met.

1. DESCRIPTION OF PLAN (Continued)

Contributions

The Plan allows participants to contribute up to 86% of their annual compensation, subject to certain limitations of the Plan and the IRC. Participants may direct investment of their contributions and the Company's contributions into various investment options offered by the Plan. The Company makes matching contribution equal to 25% of the contributing participant's elective deferral, not to exceed 4% of the contributing participant's eligible earnings.

The Company may also decide each plan year to make a nonelective employer contribution on behalf of the eligible participants. Such contributions shall be allocated to eligible participants in the ratio that each participant's compensation bears to the total compensation of all qualifying participants for the plan year. All eligible participants are able to receive a discretionary employer contribution. Nonelective employer contributions may vary annually and are determined by the Board of Directors of the Company. The Company did not make any nonelective employer contributions during 2022 or 2021.

Participant Accounts

Each participant shall have an account that will be credited with the participant's contributions, Company contributions, Plan earnings, Plan expenses and forfeitures of terminated participants' non-vested accounts. Allocations are based on participant compensation or account balances, as defined.

Vesting

Participants are immediately 100% vested in their contributions plus actual earnings and losses thereon. The Plan provides for the vesting of matching employer contributions and nonelective employer contributions at the following rate:

<u>Years of Services</u> <u>(1,000 or More Hours of Service in a Plan Year)</u>	<u>Vesting</u> <u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Benefit Payments

The Plan provides for normal retirement benefits upon termination of service due to death, disability or attainment of retirement age. The normal retirement age is the date a participant reaches the age of 65. Participants may elect disbursement of their vested account balance in wither a lump-sum amount or direct rollover into an individual retirement account or another qualified plan.

In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59 ½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant vested accounts under certain circumstances. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures of non-vested account balances may solely be used to reduce the employer's contribution for the current or a future plan year. The Plan reported no available forfeited non-vested accounts as of December 7, 2022 and December 31, 2021. Forfeitures of non-vested account balances and earnings on unused amounts totaled \$1,121 and \$162 in 2022 and 2021, respectively. Forfeitures of \$1,121 and \$191 were used to reduce employer contributions in 2022 and 2021, respectively.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions for a period not to exceed five years, unless they are used to purchase a primary residence, in which case the Plan Administrator may permit terms up to 30 years. Notes receivable are secured by the participant's account and bear interest at a fixed rate of Prime plus 2%. Effective November 2, 2021, the Plan was amended for notes receivable to bear interest at a fixed rate of Prime plus 1%. Notes receivable are measured at the unpaid principal balance plus any accrued but unpaid interest. The Plan allows for participants to have two active notes. Notes receivable in default must be paid before another loan may be issued. Delinquent loans are treated as distributions based upon ERISA, IRS, and plan document provisions.

Administrative Expenses

Certain fees may be paid by the Plan through reduction of investment income and netted against net appreciation in value of investments. All other administrative expenses may be paid by the Plan or the Company.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments are reported at fair value as reported by the trustee. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. The net depreciation in fair value of investments consists of both realized and unrealized gains and losses on the Plan's investments.

Fair Value Measurement - Definition and Hierarchy

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10 (ASC 820), *Fair Value Measurements and Disclosures* defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All plan assets were transferred to the VdFY Yamazaki Plan effective December 7, 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - Definition and Hierarchy (Continued)

The Plan uses various valuation techniques in determining fair value. ASC 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable outputs.

See Note 4 for a description of where the Plan's assets fall within the fair value hierarchy.

Risks and Uncertainties

Investment Securities are exposed to various risks, such as interest rate, market, economic conditions, world affairs and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the accompanying financial statements.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. As of December 7, 2022 and December 31, 2021, no allowance for credit losses have been recorded.

Benefit Payments

Benefit payments are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and notes. Actual results could differ from those estimates.

The following information was certified as complete and accurate by Reliance as of:

	December 7, <u>2022</u>	December 31, <u>2021</u>

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, were as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 2,406,484	\$ -	\$ -	\$ 2,406,484
Corporate bond	\$ <u>154,563</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>154,563</u>
Total Investments, at fair value	\$ <u>2,561,047</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>2,561,047</u>

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: valued at fair value based on quoted market prices.

Corporate bond: valued at fair value based on quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

ADP, Inc serves as the recordkeeper of the Plan's investment assets and Reliance serves as the trustee and custodian. As such, transactions between these parties and the Plan qualify as party-in-interest transactions. Transactions involving notes receivable from participants also qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. INCOME TAX STATUS

The Plan is based on an IRS approved prototype plan provided by ADP, Inc. The IRS has determined, by the letter dated January 31, 2006, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the e benefit of their employees. The Plan itself has not received a determination letter from the IRS. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
