INDEPENDENT AUDITOR'S REPORT

SDC Group 401(k) Plan Administrator and
Plan Administrative Committee
Southern Development & Construction, Inc.
Oviedo, Florida

Scope and Nature of the ERISA 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of SDC Group 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively, the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the SDC Group 401(k)
Plan Administrative Committee

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 14, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

SDC GROUP 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Plan

The following description of the SDC Group 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan was established on January 1, 2016 by Southern Development & Construction, Inc. (the “Plan Sponsor” or the “Employer”), and included the Plan Sponsor, as well as two affiliated entities, Mud Hole Custom Tackle, Inc, and American Tackle Company International, Inc. In January 2021, the Plan was amended and restated to exclude these affiliated entities, and approximately \$634,000 was transferred to newly created plans sponsored by those two entities. The Plan, as amended and restated, is classified as a defined-contribution plan, covering employees, who reached the age of 21 (except those covered under a collective bargaining agreement, and non-resident aliens), of the Employer with at least one hour of service within three consecutive months from the date of hire. The purpose of the Plan is to reward eligible employees of the Employer for long and loyal service by providing them with retirement benefits. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan’s trustee is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Board of Directors.

On January 29, 2021, all Plan assets were transferred from Voya Retirement Insurance and Annuity Company (“Voya”), who previously served as the Plan custodian, to Millennium Trust Company, LLC (“MTC”) who serves as both directed trustee and custodian of the Plan assets with MTG LLC (“Betterment Securities”), a broker-dealer registered with the U.S. Securities and Exchange Commission (“SEC”), authorized to hold Plan assets and act as MTC’s servicing agent.

Contributions - Each year, participants may contribute a percentage of their pre-tax or after-tax (Roth) annual compensation, as defined in the Plan, up to the annual limits established by the Internal Revenue Service (“IRS”). The Plan provides for automatic enrollment whereby new participants are automatically enrolled in the Plan with a default deferral rate set at 3% of eligible compensation unless they affirmatively elect not to participate in the Plan.

The Employer may make discretionary matching contributions, as well as non-elective contributions, as defined by the Plan. Employees are eligible to share in the non-elective Employer contributions if they completed 1,000 hour or service during the applicable period and are employed at the end of the applicable period. During the year ended December 31, 2021, the Employer did not make any non-elective discretionary contributions to the Plan.

NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Description of Plan (Continued)

Participant Accounts - Under the Plan, a separate account is maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of the Employer's contribution and Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options - Upon enrollment in the Plan, participants may elect to have their employee and Employer contributions, and related earnings thereon, allocated to one or more investment options offered by the Plan.

Vesting - Participants are immediately vested in their voluntary contributions, plus actual earnings thereon, as well as certain special contributions, if any. Vesting in the Employer non-elective discretionary contributions is based on years of continuous service, as follows:

Employer matching and non-elective discretionary contributions vest as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeited Accounts - Forfeitures of terminated participants' non-vested accounts are used to reduce future Employer contributions to the Plan and pay for certain Plan administration expenses. At December 31, 2021 and 2020, the Plan had approximately \$11,000 and \$-0-, respectively, of forfeited, non-vested accounts, which will be used to reduce future Employer contributions. During the year ended December 31, 2021, no forfeitures were used to offset Employer contributions.

Participant Notes Receivable - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the highest outstanding balance of loans in the past 12 months, or one-half of present value of their vested account balance. Participant notes receivable transactions are treated as a transfer to (from) the Investment Fund from (to) the Participant Notes Receivable Fund. Participants may not have more than one note receivable outstanding from the Plan at the same time. The notes are collateralized by the balance in the participant's account and bear interest at a rate equal to the Prime Rate plus one percentage point, as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Description of Plan (Continued)

Payment of Benefits - Upon the death, permanent disability, or retirement of participants at the age of 65, their entire account balances become fully vested. Distribution of benefits may be made in one lump-sum cash payment equal to the participant's vested account balance. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances payable in a lump-sum distribution. As of December 31, 2021 and 2020, there were no unpaid amounts allocated to participants who elected to withdraw from the Plan but had not yet been paid.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Administration and Other Costs

Plan administration costs charged to the Plan for the year ended December 31, 2021 were approximately \$19,000. Certain other administration costs are paid by the Employer. Investment fees, commissions, and related expenses are included in net appreciation in fair value of investments in these financial statements.

Investment Valuation and Income Recognition

The Plan's investments include registered investment companies (at December 31, 2021) and pooled separate accounts (at December 31, 2020), which are stated at fair value, as well as an insurance company general account (at December 31, 2020), which is stated at contract value.

Investments held in registered investment companies are recorded at their reported net asset value ("NAV"), which is computed based on the estimated fair value of the funds' underlying securities, less any fund liabilities. Valuation methods used by Betterment Securities are based on quoted market prices, as well as quotes from pricing services and brokers.

NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition (Continued)

Prior to the January 2021 Plan amendment, investments held in pooled separate accounts were recorded at their accumulation unit value (“AUV”). The Plan held units of participation in the pooled separate accounts, and the AUV was the value of each unit in the separate accounts. The separate accounts were valued daily as the number of accumulation units multiplied by the AUV. The AUV is first established when a new fund starts (typically, the beginning AUV is \$10.00), and is then determined daily based on the net asset value (“NAV”) of the shares of underlying funds, the funds’ dividends, and the contract separate accounts charges. The separate accounts were invested directly in designated registered investment companies or collective trust shares, which are valued daily at their reported NAV. The NAV was computed based on the estimated fair value of the funds’ underlying securities using quoted market prices, less any fund liabilities. Investments held in pooled separate accounts were recorded at their reported NAV of the underlying assets. Valuation methods used by Voya were based on quoted market prices, as well as quotes from pricing services and brokers. Applicable surrender charges are a feature of the pooled separate accounts and are based on a percentage of the withdrawal amount in a contract year. These charges may result in an adjustment to fair value upon redemption. If the Plan initiates a full redemption of the pooled separate accounts, the issuer reserves the right to temporarily delay withdrawal from the accounts to ensure that securities liquidation is carried out in an orderly business manner.

Purchases and sales of marketable securities are reflected on a trade-date basis, and interest income is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in the fair value of the Plan’s investments include the Plan’s gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments in the insurance company general account at December 31, 2020 were held in the Voya Fixed Account. The Voya Fixed Account was credited with declared rates of interest and was subject to a minimum rate described in the contract. The contract value represented contributions, plus credited interest, plus or minus any market value adjustments, less contract surrender charges. Any market value adjustments or contract surrender charges were based on the formulas and schedules in the contract.

NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Summary of Significant Accounting Policies *(Continued)*

Investment Valuation and Income Recognition *(Continued)*

The valuation inputs for the formulas and schedules in the contract included weighted averages of certain Barclays Fixed Income indices, U.S. treasury rates, rate spreads, as defined in the contract, time periods prior to the valuation date of surrender, and number of days remaining in the guaranteed term. Amounts allocated to the Voya Fixed Account were held in Voya's general account, which supported insurance and annuity obligations. The general account was managed on an aggregate basis and supported all of Voya's financial commitments. Voya and the Plan administrator determined that the Voya Fixed Account was fully benefit-responsive (see Note 6).

Investments held by a defined contribution plan are required to be reported at fair value, except for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals and administrative expenses, plus accrued interest. The Plan's investments in the Voya Fixed Account before the January 2021 Plan amendment, which were held in an insurance company general account and deemed to be fully benefit-responsive and, therefore, were stated at contract value (see Note 6).

Risks and Uncertainties

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements, based on information provided by Betterment Securities and Voya.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and due to recent market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance, plus accrued but unpaid interest.

NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Summary of Significant Accounting Policies *(Continued)*

Contributions

Employer contributions to the Plan are recorded in the period in which they become obligations of the Employer.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - PLAN CERTIFICATION

Voya held the Plan's investments as of December 31, 2020 and executed all investment transactions through January 29, 2021. Starting January 29, 2021, MTC and Betterment Securities hold all investment and participant notes receivable and execute all investment transactions. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments and participant notes receivable held at December 31, 2021 and 2020, net appreciation in fair value of investments, and dividends and interest for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan custodians.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - INCOME TAX STATUS

The Plan is designed to be a qualified trust under Section 401 of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. Effective January 1, 2021, the Plan adopted a Prototype Pre-Approved Profit-Sharing Plan with CODA, sponsored by CCH Incorporated d/b/a fitwilliam.com, which received a favorable opinion letter dated June 30, 2020, in which the IRS stated that the prototype plan, as then designed, qualified under Section 401 of the IRC. The Plan has been amended since receiving the most recent determination letter. The Plan administrator believes that the Plan, as currently amended, is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's accompanying financial statements.

NOTE 5 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy, under Financial Accounting Standards Board Accounting Standards Codification 820-10 are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Investments:				
Registered investment companies	\$ 1,169,166	\$ -	\$ -	\$ 1,169,166
Investments at fair value	\$ 1,169,166	\$ -	\$ -	\$ 1,169,166

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Investments:				
Pooled separate accounts	\$ -	\$ 1,164,445	\$ -	\$ 1,164,445
Investments at fair value	\$ -	\$ 1,164,445	\$ -	\$ 1,164,445

NOTE 6 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Prior to the transfer of assets to Betterment Securities, the Voya Fixed Account, which was held in an insurance company general account, was a fixed annuity product issued by Voya. It is an interest-earning investment option, which was deemed fully benefit-responsive, and provided a guarantee of principal and was backed by Voya's general account assets. An interest rate was declared prior to the beginning of a calendar year and was guaranteed for the year until the new rate is set for the next year. Participants invested in the Voya Fixed Account could have transferred money into and out of the account without any restrictions. Withdrawals influenced by Employer-initiated events, such as reallocation of investments, may have resulted in a distribution at other than contract value, and may have been subject to certain restrictions. No events were deemed probable of occurring that might have limited the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

Voya Fixed Account investments primarily consisted of a mix of high-quality corporate and agency securities, as well as direct commercial mortgages, with very limited exposure to equities or alternative securities. The Plan's ability to receive amounts due in accordance with a fully benefit-responsive contract was dependent upon the contract issuer's ability to meet its financial obligations. There were no reserves against contract values for credit risk of the contract issuer or otherwise.

NOTE 7 - COVID-19 PANDEMIC

On March 11, 2020, the World Health Organization declared the novel coronavirus ("COVID-19") a pandemic, triggering volatility in the financial markets and having an impact on the global economy in general. As a result, the Plan's investments have experienced significant volatility. While the value of the Plan's investments fluctuates in response to changing market conditions, the amount of losses, if any, that will be recognized in subsequent periods and the related impact on the Plan's liquidity cannot be currently determined.

NOTE 8 - CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law. The CARES Act provided plan sponsors the option of adopting, among other things, temporary provisions that would ease certain restrictions related to plan distributions and loans. The above provisions were available for retirement plans, if adopted by plan sponsor, until they expired on December 31, 2020. During the year ended December 31, 2020, management approved these provisions for Plan operation and is currently in the process of formally amending the Plan. The Plan had until December 31, 2022, to formalize these amendments.

NOTE 9 - SUBSEQUENT EVENTS

In preparing these financial statements, the Employer has evaluated events and transactions for potential recognition through June 26, 2023, the date the financial statements were available to be issued.
