AND PROFIT SHARING PLAN**

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

(1) Description of the Plan

The following description of the InnovaCare Services Company LLC Savings and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

The Plan is a defined contribution retirement income plan covering most full-time employees and certain part-time employees of InnovaCare Services Company LLC (the Sponsor), its subsidiaries and sister companies. The Plan was amended and restated effective January 1, 2011. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(a) Eligibility

Eligible employees may become a participant for purposes of making salary deferral contributions on the Plan entry date following three months of service from the date of hire. Eligible employees become eligible for the employer matching contributions on the Plan entry date following one year of service.

(b) Plan Administration

Reliance Trust Company is the Plan Trustee (the Trustee) and Massachusetts Mutual Life Insurance Company ("Mass Mutual", the Record Keeper) maintains the individual participant accounts. Contributions are paid to the Trustee by the Sponsor.

The Plan provides that all necessary expenses of the Plan may be paid by the Sponsor or out of the assets of the Plan. As allowed by the Plan, such expenses reduced the investment income allocated to the respective investment accounts.

(c) Contributions

Participants are allowed to make pre-tax and after-tax contributions subject to limitations set forth in the Internal Revenue Code (IRC). Participants who are at least age 50 are allowed to make an additional catch-up contribution subject to IRC limitations. All participant contributions are 100% vested and nonforfeitable. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Sponsor's matching contribution equals 100% of a participant's salary deferral contributions that do not exceed 3% of the participant's eligible compensation and the Sponsor will make a matching contribution of 50% of the participant's salary deferral contributions that exceed 3% but, do not exceed 5% of the participant's eligible compensation. A supplemental matching contribution may be made at the sole discretion of the Sponsor. For the years ended December 31, 2020 and 2019, supplemental matching contributions were made of up to 100% of a participant's salary deferral contributions that do not exceed 2% of the participant's eligible compensation. The Sponsor made total matching contributions to the Plan of \$661,777 and \$473,771 for the years ended December 31, 2020 and 2019, respectively.

Participants are allowed to make after-tax salary deferral contributions to a Roth 401(k) contribution account. The Sponsor's matching contributions for the Roth 401(k) contribution accounts will be made into a tax deferred investment account in the Plan.

AND PROFIT SHARING PLAN**

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

The Sponsor may also make supplemental profit sharing contributions that are allocated based on a participant's eligible compensation in excess of the FICA taxable wage base in proportion to the total of such compensation for all participants limited to the lesser of 10% of the excess compensation or the maximum permitted under the IRC. An additional supplemental profit sharing contribution may be made that is allocated to any participant who has attained age 41 based on the participant's compensation in excess of the FICA taxable base in proportion to the total of such compensation, limited to the maximum permitted under the IRC. No supplemental profit sharing contributions were made for the Plan years 2020 and 2019. The maximum of all contributions on behalf of any participant is the lesser of \$57,000 for 2020 and \$56,000 for 2019 or 100% of the participant's compensation. Profit sharing contributions and supplemental contributions, along with related investment income, are subject to the following vesting schedule:

	<u>Vesting percentage</u>
Years of service:	
Less than 2 years	— %
2	20
3	40
4	60
5	80
6	100

In the event of retirement after age 65, death, or disability, a participant becomes 100% vested in all amounts credited to the participant's account.

(d) Participant Accounts

In 2020 and 2019, each participant's account is credited with the participant's contribution, match, and an allocation of Plan earnings daily. Allocations are based on participant's account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) Benefit Payments and Withdrawals

Hardship withdrawals may be made for qualified emergencies, as defined in the IRC. Depending upon the type of withdrawal and the status of the contribution, penalties upon withdrawal may apply. Participants may also begin to make withdrawals without penalty at age 59½, subject to certain limitations as defined by the Plan.

Upon termination of employment for reasons other than retirement after age 65, death, or disability, participants are entitled to receive the vested balance of their account as of the day preceding the distribution.

**INNOVACARE SERVICES COMPANY LLC SAVINGS
AND PROFIT SHARING PLAN**

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

If the participant's vested benefit exceeds \$5,000 and he or she has not elected to take an earlier distribution following termination of employment, the distribution of benefit payments normally begins within 60 days following the close of the Plan year in which the participant retires after attaining age 65 or, if later, normal retirement age. The participant may also elect to delay distributions until age 70½. The participant may elect to receive benefits in the form of a lump sum distribution, or monthly installments over a period not to exceed the participant's remaining life expectancy.

(f) Notes Receivable from Participants

Participants may borrow from their account an amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan is \$1,000. Participants may have up to three loans outstanding at one time. Loan transactions are treated as a transfer between the individual investment funds and the participant loan fund. The period of the loan cannot exceed five years, unless the loan is used to acquire a dwelling unit that is the principal residence of the participant, in which this event repayment shall be made within a reasonable period of time that may not be greater than ten years. The loans are secured by the balance in the participant's account and shall bear interest at the then currently prevalent interest rates for similar loans from commercial institutions. At December 31, 2020 and 2019, loans bear interest at rates that range from 3.50% to 5.50%. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are carried at unpaid principal balance plus accrued interest.

(g) Forfeitures

At December 31, 2020 and 2019, forfeited nonvested accounts totaled \$27,957 and \$0, respectively. These accounts are used to reduce future employer contributions or Plan expenses. During 2020 and 2019, employer contributions were reduced by \$0 and \$0, respectively, from forfeited nonvested accounts. No forfeited nonvested accounts were used for Plan expenses.

(h) Unallocated funds

At December 31, 2020 and 2019, the Plan had unallocated funds related to class action lawsuits for mutual funds previously owned totaling \$327,571 and \$304,521, respectively. The Plan uses these unallocated funds to pay plan expenses. During 2020 and 2019, \$940 and \$39,132 were used to pay Plan expenses, respectively. Management is in the process of identifying and allocating the balance of these funds.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**INNOVACARE SERVICES COMPANY LLC SAVINGS
AND PROFIT SHARING PLAN**

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

(b) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

(c) Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. The Plan defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Contract value is the amount Plan participants would receive if they were to initiate permitted transactions under the terms of the Plan. See note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. The average cost method is used in determining the cost of investments sold. Interest income is recorded on the accrual basis.

(d) Payment of Benefits

Benefits are recorded when paid.

(3) Financial Information Certified by Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2020 and 2019, the supplemental schedule – Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2020, and net investment income and interest income on notes receivable from participants, reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2020 and 2019.

(4) Fair Value Measurements

The Plan estimates of fair value are based on ASC 820, *Fair Value Measurement and Disclosures*, which provides a framework for the measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value and requires that observable inputs be used in valuation when available. In many cases, the exit price and the transaction (or entry) price will be the same at initial recognition. It requires that fair value be a market-based measurement in which the fair value is determined based on a hypothetical transaction at the measurement date, considered from the perspective of a market participant. When quoted prices are not used to determine fair value of an asset, the Plan considers three broad valuation techniques: (i) the market approach, (ii) the income approach, and (iii) the cost approach. The Plan determines the most appropriate valuation technique to use, given what is being measured and the availability of sufficient inputs. The Plan prioritizes the inputs to fair valuation techniques and allows for the use of unobservable inputs to the extent that observable inputs are not available. The Plan categorizes its assets and liabilities measured at estimated fair value into a three-level hierarchy, based on the priority of the inputs to the respective valuation technique. The fair value hierarchy

INNOVACARE SERVICES COMPANY LLC SAVINGS AND PROFIT SHARING PLAN

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). An asset's or liability's classification within the fair value hierarchy is based on the lowest level of significant input to its valuation. The input levels are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability and significant to the fair value measurement.

The level in the fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used and no transfers among the fair value levels during December 31, 2020 and 2019.

Mutual funds: Valued at the quoted market prices.

As of December 31, 2020 and 2019, the Plan's held mutual fund investments at fair value as determined by quoted prices in active markets as Level 1 of \$41,949,298 and \$36,449,802, respectively.

The information above is derived from the information certified by the Trustee.

(5) Fully Benefit-Responsive Contract with Financial Institutions

The Plan's Separate Account is comprised primarily of MassMutual Diversified SAGIC (Separate Account Guaranteed Interest Contract). Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The average yield earned by the Plan and average interest rate credited to the participants for 2020 and 2019 were 3.45% and 3.08%, respectively. The portfolio of investments is primarily investment grade fixed income securities, with the potential of up to 25% of assets in below investment grade debt securities. Participants may direct permitted withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions plus credited interest less participant withdrawals and fees. Contract value as of December 31, 2020 and 2019 amounted to \$8,608,421 and \$7,815,066 respectively.

(6) Party-in-Interest Transactions

Certain investments are shares of a separate account guaranteed by Mass Mutual Life Insurance Company, the record keeper as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the contract administrator services amounted to \$99,223 and \$7,178 for the years ended December 31, 2020 and 2019, respectively.

**INNOVACARE SERVICES COMPANY LLC SAVINGS
AND PROFIT SHARING PLAN**

Notes to Consolidated Financial Statements

December 31, 2020 and 2019

(7) Nonexempt Prohibited Transactions

The Plan Sponsor inadvertently failed to deposit \$55,103 and \$0 of participant deferrals in 2020 and 2019, respectively, within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers such late deposits to be prohibited transactions. The Plan Sponsor is required to file Form 5330 and pay applicable excise taxes. The excise tax payments will be made from the Plan Sponsor's assets rather than from assets of the Plan. Untimely remittances of \$2,534 were funded to the Plan along with lost earnings in 2021, \$52,504 of untimely remittances were funded to the Plan in 2020 with lost earnings funded in 2023, and \$65 of untimely remittances will be funded to the Plan along with lost earnings in 2023.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Sponsor terminates the Plan, all participants' account balances at the time of the Plan's termination become fully vested.

(10) Tax Status

The Company adopted a Prototype Standardized Profit Sharing Plan with cash or deferred arrangement, which received a favorable opinion letter from the IRS dated March 31, 2014, which stated that the form of the Plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has been amended since receiving the determination letter, however the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a liability (or derecognize a tax asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan. The Plan administrator has concluded that as of December 31, 2020 and 2019, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or derecognition of an asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(12) Subsequent Events

The Sponsor evaluated subsequent events for recognition and disclosure through June 21, 2023, the date on which the financial statements were available to be issued. On March 11, 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic. The COVID-19 pandemic has significantly impacted the global economy and has contributed to significant volatility in financial markets. The COVID-19 National Emergency was ended on April 10, 2023. As of the date of issuance of these financial statements, it is noted that the pandemic had significant, but temporary, impacts to the global economy. Financial markets have, for the most part, returned to normal.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was enacted. The CARES Act contains provisions that will temporarily impact the Plan including allowing certain eligible Plan participants to receive coronavirus-related distributions, delaying participant loan repayments and increasing the maximum amount of such participant loans, and suspending required minimum distributions.

On December 31, 2020, the Mass Mutual was acquired by Great-West Life & Annuity Insurance Company, an affiliate of Empower Retirement, LLC (Empower). As a result of this transaction, recordkeeping services provided by MassMutual were transferred to Empower in September 2022.

During 2021, the Plan Sponsor acquired a number of small physician practices. Amendments were made to the Plan to allow employees of these practices to participate in the Plan.

On December 29, 2021, the Plan Sponsor, InnovaCare Services Company, LLC's parent company, ICH Investment Holdings, LP, was acquired by BCPE OceanDrive Holdings, LP. Management expects to continue to maintain the Plan subsequent to this acquisition.

During 2022, BCPE OceanDrive Holdings, LP acquired two additional physician practices in Florida and Texas. These practices have their own employee benefit plans. Management plans to merge the employee benefit plans of the acquired practices into the Plan
