INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
BRG Sports, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of BRG Sports, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of BRG Sports, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of BRG Sports, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about BRG Sports, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive

to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ABC Company Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about BRG Sports, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H (Line 4I) Form 5500 – Schedule of Assets (Held at End of the Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified

investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. BRG SPORTS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of BRG Sports, Inc. 401(k) Plan (the “Plan”), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a defined contribution plan established effective January 1, 2007, most recently amended effective January 1, 2021. All full-time employees of BRG Sports, Inc. and subsidiaries (the “Company”) are eligible to participate upon completion of thirty days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective June 15, 2014, the plan name was changed from Easton-Bell Sports, Inc. 401(k) Plan to BRG Sports, Inc. 401(k) Plan.

The Board of Directors is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Directors.

On May 1, 2020, the Plan adopted all of the provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. Two significant provisions of the CARES Act are 1) enables Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020, and 2) allows qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

Effective September 27, 2021, the Plan was restated with a pre-approved plan by the Internal Revenue Service (“IRS”). The restatement is required by the IRS to comply with required amendments, regulatory changes and other enhancements.

Contributions - Participants may elect to defer a percentage of eligible compensation, subject to an annual limit of the lesser of 100% or \$19,500 for the years 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make a maximum of \$6,500 in catch-up contributions. Participants may also make rollover contributions from other qualified plans. Participant contributions are recorded in the period during which the Company makes payroll deductions from the participant’s earnings.

The Company makes a per paycheck automatic matching contribution, and may also make discretionary non-elective contributions. There were no discretionary non-elective contributions during 2021 and 2020. Company contributions are invested directly in the Vanguard Target Retirement Income Fund or pooled separate account investments, as directed by the participant. Company matching contributions are recorded in the period during which the Company makes payroll deductions from the participant’s earnings. Discretionary non-elective, if any, contributions are recorded annually.

BRG SPORTS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of Plan (Continued)

The Company makes matching contributions in an amount equal to \$0.50 for each \$1.00 contributed by a participant. However, in applying this matching percentage, only contributions up to a maximum of 6% of the participant's Plan compensation were considered. Total employer match, net of forfeitures, was \$901,521 and \$1,037,302 for the years ended December 31, 2021 and 2020, respectively. In April 2020, due to COVID-19, Management elected to suspend matching contributions indefinitely. In December, Management elected to reinstate the matching contribution retroactively to April 2020.

Participants direct the investment of their contributions and Company contributions made on their behalf into the various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options, including a self-directed account for participants. Contributions received prior to year-end awaiting investment in the appropriate investment options at December 31, 2021, if any, were invested in the Vanguard Target Retirement Income Fund.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of the Company's contributions and Plan earnings or losses. Earnings or losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon vest in accordance with the following schedule:

Number of Completed Years of Service	Vesting Percentage
Less than 1 year	0%
1 year, less than 2 years	20%
2 years, less than 3 years	40%
3 years, less than 4 years	60%
4 years, less than 5 years	80%
5 years of more	100%

However, if an active participant dies or becomes totally and permanently disabled prior to attaining the normal retirement age, the participant's account becomes 100% vested. See Note 6.

Notes Receivable from Participants - Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested portion of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 7.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions or remitted to the employer by the employee, who in turn submits the payment to Fidelity Management Trust Company ("FMTC").

See Independent Auditors' Report and Notes to Financial Statements.

BRG SPORTS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

1. Description of Plan (Continued)

Payment of Benefits - On termination of service, including termination due to retirement, total and permanent disability or death, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or annual installments over a period of time of their vested interest. Distributions are subject to the applicable provisions of the Plan agreement. Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan. The Plan allows for withdrawals for serious financial hardship.

Forfeited Accounts - Forfeitures result from non-vested benefit payments remaining in the Plan from terminated employees. At December 31, 2021 and 2020, forfeiture reserves of \$80,914 and \$114,797, respectively, were available to offset Company cash contributions, which would otherwise be payable by the Company, in accordance with the Plan agreement. During 2021 and 2020, forfeitures and appreciation amounted to \$154,380 and \$139,234, respectively. In 2021 and 2020, Company cash contributions were offset by \$154,396 and \$113,252, respectively, from forfeited non-vested accounts.

2. Summary of Accounting Policies

Basis of Accounting - The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BRG SPORTS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

2. Summary of Accounting Policies (Continued)

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Payment of Benefits - Benefits are recorded when paid.

Terminated and Defaulted Loans - Loans are terminated when a participant withdraws from the Plan. Any unpaid loan balance will be reduced by the amount of the vested interest in the account balance upon distribution. Loans with scheduled repayments that remain unpaid for more than 90 days or with an outstanding principal existing after the last scheduled repayment date are in default.

Date of Management's Review of Subsequent Events - Subsequent events were evaluated through October 14, 2022, which is the date the financial statements were available to be issued.

3. Investments

Unaudited Information Certified by the Plan Trustee - Plan assets are invested in products held by FMTC. The investment balance and related information included in the financial statements and accompanying notes are derived from statements which have been certified by FMTC as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$92,997,753 and \$86,800,830, and the total investment income aggregated \$12,174,472 and \$12,575,890, at December 31, 2021 and 2020, respectively.

BRG SPORTS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - inputs are unadjusted quoted prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - inputs are inputs that include quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 - inputs are unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. No Level 2 or 3 inputs were available to the Plan. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

4. Fair Value Measurements (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Total mutual funds	85,430,775	-	-
Corporate stocks	1,370,055	-	-
Total assets at fair value	\$ 86,800,830	\$ -	\$ -

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

5. Related-Party Transactions and Party In Interest Transactions

Certain Plan investments are shares of mutual funds managed by FMTC. FMTC is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Participant loans also qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment; they are paid through revenue sharing, rather than a direct payment. The Plan made a direct payment of \$109,195 to the third party administrator for administration that was not covered by revenue sharing, as described in Note 2, under Expenses. The Plan Sponsor pays directly any other fees related to the Plan's operations.

BRG SPORTS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account balances.

7. Tax Status

The Internal Revenue Service has informed FMTC by an advisory letter dated March 31, 2014, that the adopted prototype Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended and restated since receiving the most recent advisory letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The advisory letter related to the restatement has not been received by the Plan, however, Management fully expects the restatement to be compliant.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the company has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. As of December 31, 2021 the Plan management determined that the Plan did not have uncertain tax positions, and therefore no adjustments have been recorded to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

8. Risk and Uncertainties

The Plan invests in a combination of investment securities which are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.
