FAMILY CARE PARTNERS OF NORTHEAST FLORIDA, LLC
EMPLOYEES' SAVINGS AND RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override

of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Statements of Assets Held for Investment Purposes are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following description of the Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Pl1an's provisions.

In May 2021, InnovaCare US, LP acquired a 75% ownership interest in the Plan Sponsor. Subsequently, in December 2021, InnovaCare US, LP was acquired by BCPE OceanDrive Holdings, LP. Management expects to continue to maintain the Plan subsequent to this acquisition.

General

The Plan is a defined contribution plan (401(k)) covering all full-time employees who have satisfied eligibility requirements which include six (6) months of service and no minimum age requirement. The Plan is intended to comply with Section 404(c) of ERISA (The Employee Retirement Income Security Act of 1974).

Contributions

Each year participants may contribute a percentage of their compensation, not to exceed a certain dollar limit which is set by law. The Plan Sponsor (Family Care Partners of Northeast Florida, LLC) contributes a discretionary matching contribution equal to a 25% of the salary reduction up to 4% of total payroll compensation (a total match of up to 1%). In addition, the Plan Sponsor shall have the right to make additional discretionary contributions which shall be allocated to each eligible employee in proportion to their compensation as a percentage of the compensation of all eligible employees. Contributions are subject to limitations. Participants direct the investment of contributions made to them on their behalf to the Plan.

Participant Accounts

Each participants' account is credited with the participants' contribution and allocations of (a) the Plan Sponsor's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the preceding paragraph. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

1. **DESCRIPTION OF PLAN** – (Continued)

Vesting Participants

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six (6) years of credited service based on the six (6) year graded provision of the Plan. However, a participant is 100% vested upon early or normal retirement age. The vesting schedule is as follows:

Years of Service	Vesting %
Less than 2 years	0
2	20
3	40
4	60
5	80
6 or more	100

Distributions

On termination of service due to death, disability, or retirement, participants are entitled to 100% of their account balance. On termination of service due to other reasons, a participant may receive the value of their vested balance.

Expenses and Fees

Expenses and fees associated with the Plan are paid with Plan assets. Such expenses and fees include the compensation of investment managers, brokers' fees, and costs related to Plan administration. During the years ended December 31, 2021 and 2020, expenses and fees were $37,747 and $36,923, respectively. Fees associated with the audit for the Plan were paid by the Plan and are included in expenses in these financial statements.

1. DESCRIPTION OF PLAN – (Continued)

Forfeited Accounts

Forfeited non-vested accounts totaled $16,330 and $31,808 for the years ended December 31, 2021 and 2020, respectively. These accounts will be used to offset the administrative expenses of the Plan. If forfeitures exceed these expenses, forfeitures shall be applied to reduce the Employer's contribution to the Plan.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000, or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at reasonable rates which are commensurate with local prevailing rates as determined by the Plan administrator.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan uses the accrual method of accounting. Under this method of accounting, contributions to the Plan are recognized when approved by the Employer. Revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements. Management's estimates and assumptions also affect the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value held by the Plan at year-end.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. PLAN TERMINATION

Although it has no intention to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants are 100% vested in their account balances from the date of participation to termination by the company.

4. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated September 4, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax provisions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The tax years 2019, 2020, and 2021 are subject to examination.

5. CONCENTRATION OF CREDIT RISK

Plan assets are currently held by a single financial institution. Contributions receivable from Plan participants as of December 31, 2021 and 2020, were $0. Contributions receivable from the Plan Sponsor as of December 31, 2021 and 2020, were $0.

6. FAIR VALUE MEASUREMENTS

Fair value as defined under generally accepted accounting principles ("GAAP") is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 may also include insignificant adjustments to market observable inputs.
- Level 3: Unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

The following is a description of the valuation methodologies used for assets measured at fair values. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Registered investment companies where fair value is the net asset value ("NAV") of shares held by the plan at year end.

Common collective trusts: The estimated fair value is net asset value, exclusive of the adjustment to contract value. The use of net asset value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions. Valuation of the remaining investments in collective funds is based on NAV. The unit value of an underlying fund is calculated by dividing the fund's NAV on the calculation date by the number of units of the fund that are outstanding on the calculation date. The collective funds have the ability to redeem its investment in the underlying fund at NAV per unit at the valuation date.

6. FAIR VALUE MEASUREMENTS – (Continued)

For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3 and no changes in Fair Value of Level 3 Assets and Related Gains and Losses.

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2021 and 2020:

Fair Value as of December 31, 2021

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$2,085,662	$ 2,085,662	$ -	$ -
Common collective trusts	387,684	-	387,684	-
Total assets in the fair value hierarchy	2,473,346	$ 2,085,662	$ 387,684	$ -
Investments measured at net asset value	-			
Investments at fair value	$2,473,346			

Fair Value as of December 31, 2020

	Fair Value	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$1,990,035	$ 1,990,035	$ -	$ -
Common collective trusts	766,662	-	766,662	-
Total assets in the fair value hierarchy	2,756,697	$ 1,990,035	$ 766,662	$ -
Investments measured at net asset value	-			
Investments at fair value	2,756,697			

In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.
