EMPLOYEES' SAVINGS AND RETIREMENT PLAN

Report on the Financial Statements

We were engaged to audit the accompanying financial statements and supplemental information of Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan, which comprise the statements of net assets available for benefits as of December 31, 2019 and 2018 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 6 and 9, which was certified by Wells Fargo Bank, N.A., the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2019 and 2018, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

Other Information

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes, which are the responsibility of Plan management, are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

Prior Period Adjustment

As described in Note 11, during the 2019 audit the Trustee was notified that an employer contribution of \$50,308 for 2018 was due as a result of late distribution of excess employee contributions. As a result, the Plan has restated the accompanying financial statements as of and for the year ended December 31, 2018 to reflect the additional employer contribution for that year. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FAMILY CARE PARTNERS OF NORTHEAST FLORIDA, LLC
EMPLOYEES' SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Family Care Partners of Northeast Florida, LLC Employees' Savings and Retirement Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan (401(k)) covering all full-time employees who have satisfied eligibility requirements which include six (6) months of service and no minimum age requirement. The Plan is intended to comply with Section 404(c) of ERISA (The Employee Retirement Income Security Act of 1974).

Contributions

Each year participants may contribute a percentage of their compensation, not to exceed a certain dollar limit which is set by law. The Plan Sponsor (Family Care Partners of Northeast Florida, LLC) contributes a discretionary matching contribution equal to a 25% of the salary reduction up to 4% of total payroll compensation (a total match of up to 1%). In addition, the Plan Sponsor shall have the right to make additional discretionary contributions which shall be allocated to each eligible employee in proportion to their compensation as a percentage of the compensation of all eligible employees. Contributions are subjected to limitations. Participants direct the investment of contributions made by them on their behalf to the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the preceding paragraph. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FAMILY CARE PARTNERS OF NORTHEAST FLORIDA, LLC
EMPLOYEES' SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** – (Continued)

Vesting Participants

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six (6) years of credited service, based on the six (6) year graded provision of the Plan. However, a participant is 100% vested upon early or normal retirement age. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2 years	0
2	20
3	40
4	60
5	80
6 or more	100

Distributions

On termination of service due to death, disability or retirement, participants are entitled to 100% of their account balance. On termination of service due to other reasons, a participant may receive the value of their vested balance.

Expenses and Fees

Expenses and fees associated with the Plan are paid with Plan assets. Such expenses and fees include the compensation of investment managers, brokers' fees, and costs related to Plan administration. During the years ended December 31, 2019 and 2018, expenses and fees were \$59,158 and \$69,953, respectively. Fees associated with the audit for the Plan were paid by the Plan and are included in expenses in these financial statements.

NOTES TO FINANCIAL STATEMENTS

1. **DESCRIPTION OF PLAN** – (Continued)

Forfeited Accounts

Forfeited non-vested accounts totaled \$16,926 and \$1,997 for the years ended December 31, 2019 and 2018, respectively. These accounts will be used to offset administrative expenses of the Plan. If forfeitures exceed these expenses, forfeitures shall be applied to reduce the Employer's contribution to the Plan.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at reasonable rates which are commensurate with local prevailing rates as determined by the Plan administrator.

2. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The Plan uses the accrual method of accounting. Under this method of accounting, contributions to the Plan are recognized when approved by the Employer. Revenues are recognized when earned, and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements. Management's estimates and assumptions also affect the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value held by the Plan at year-end.

FAMILY CARE PARTNERS OF NORTHEAST FLORIDA, LLC
EMPLOYEES' SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate fluctuations, market changes and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

3. PLAN TERMINATION

Although it has no intention to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants are 100% vested in their account balances from the date of participation to termination by the company.

4. TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated September 4, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax provisions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2019 and 2018, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The tax years 2017, 2018, and 2019 are subject to examination.

FAMILY CARE PARTNERS OF NORTHEAST FLORIDA, LLC
EMPLOYEES' SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

5. CONCENTRATION OF CREDIT RISK

Plan assets are currently held by a single financial institution. Contributions receivable from Plan participants as of December 31, 2019 and 2018 were \$-0- and \$12,022, respectively. Contributions receivable from the Plan Sponsor as of December 31, 2019 and 2018 were \$50,308 and \$54,876, respectively.

6. FAIR VALUE MEASUREMENTS

Fair value as defined under generally accepted accounting principles ("GAAP") is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

These tiers include:

- Level 1: Observable inputs such as quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.
- Level 2: Inputs other than quoted prices within Level 1 that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted prices for similar assets or liabilities in active or non-active markets. Level 2 may also include insignificant adjustments to market observable inputs.
- Level 3: Unobservable inputs used for valuing the asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances.

Following is a description of the valuation methodologies used for assets measured at fair values. There have been no changes in the methodologies used at December 31, 2019 and 2018.

Mutual funds: Registered investment companies where fair value is the net asset value ("NAV") of shares held by the plan at year end.

Common collective trusts: The estimated fair value is net asset value, exclusive of the adjustment to contract value. The use of net asset value is deemed appropriate as the collective trust funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions. Valuation of the remaining investments in collective funds is based on NAV. The unit value of an underlying fund is calculated by dividing the fund's NAV on the calculation date by the number of units of the fund that are outstanding on the calculation date. The collective funds have the ability to redeem its investment in the underlying fund at NAV per unit at the valuation date.

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2019 and 2018.

During the year ended December 31, 2019 and 2018, Wells Fargo Advisors WBS, Wells Fargo Bank, N.A., Morningstar Investment Management, LLC, Financial Engines, Inc., and Howard & Company, CPAs, P.A. received advisory fees, administrative fees and independent auditor fees. NOTES TO FINANCIAL STATEMENTS

11. PROHIBITED TRANSACTIONS

The Plan Sponsor inadvertently failed to deposit \$30,145 and \$12,022 of participant deferrals in 2019 and 2018, respectively, within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers such late deposits to be prohibited transactions. The Plan Sponsor is required to file Form 5330 and pay applicable excise taxes. The excise tax payments will be made from the Plan Sponsor's assets rather than from assets of the Plan. Management estimates that the lost income associated with the delays in contributions amounts to \$979 and \$472 for the years ending December 31, 2019 and 2018, respectively.

12. SUBSEQUENT EVENTS

The date to which events occurring after December 31, 2019, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is October 29, 2020, which is the date on which the financial statements were available to be issued.

13. PRIOR PERIOD ADJUSTMENT

During the 2019 audit, the Trustee was notified by the custodian that an employer contribution of \$50,308 for 2018 was due. This was the result of late distribution of excess contributions from ADP/ACP testing for 2018. This amount is a QNEC/QMAC contribution. As a result, the Plan has restated the accompanying financial statements as of and for the year ended December 31, 2018 to reflect this contribution receivable. This change increased net assets available for benefits by \$50,308 for the year ended December 31, 2018.
