## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
CBCC 401(k) Profit Sharing Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of CBCC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CBCC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CBCC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CBCC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CBCC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CBCC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - DESCRIPTION OF THE PLAN**

The following brief description of the CBCC 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

**1. General**

Effective January 1, 2003, the Plan was established for the benefit of employees of Ravi Patel, MD, Inc. dba Comprehensive Blood & Cancer Center (CBCC), CBCC Global Research, Inc., CBCC Outsmarting Cancer, LLC, CBCC Foundation for Community Wellness, Health and Wellness Cafe and CBCC Pain Medicine and Surgery Center, Inc. (collectively, the “Company”). The Plan is intended to meet the requirements of Sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2022, the Plan was amended to change the vesting service for Company nonelective and matching contributions from a six-year graded schedule to a five-year graded schedule where participants vest 20% per year of service and are 100% vested after 5 years of service.

**2. Eligibility**

An employee is eligible to make elective contributions to the Plan on the first day of the month following the completion of six months of service and attainment of age 21. A part-time employee is eligible to make elective contributions to the Plan on the first day of the month following completion of 1,000 hours of service and attainment of age 21.

The Plan has an automatic enrollment provision which automatically enrolls newly eligible employees into the Plan at a 3% deferral rate, unless the employee elects a greater or lesser percentage (including zero) through a salary reduction agreement. Deferral rates for auto-enrolled participants increase annually by 1% each year up to a maximum of 10% of compensation, unless elected otherwise.

An employee is eligible for discretionary Company matching and nonelective contributions on January 1 or July 1 upon the completion of six consecutive months of service and attainment of age 21. Participants must be employed as of the last day of the plan year and incur 1,000 hours of service during the plan year to receive Company contributions, unless the participant dies or becomes disabled. Employees who are non-resident aliens, leased employees, and employees covered by a collective bargaining agreement are not eligible to participate in the Plan.

**3. Contributions**

Participants may elect to contribute pre-tax contributions and Roth contributions, up to the maximum deferral limit per Section 402(g)(1) of the IRC. Additional “catch-up” contributions can be made beginning in the plan year in which a participant will be at least age 50 by the end of the plan year. The Company may make discretionary matching contributions or nonelective contributions. At the end of each plan year, the Company determines the amount of Company contributions to the Plan, if any. In 2022, the Company made a discretionary matching contribution equal to 50% of participant deferrals up to 6% of compensation. No non-elective contributions were made during the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**4. Participant Accounts**

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Company nonelective contributions (if any), and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**5. Investment Options**

A participant may direct employee contributions and Company contributions as desired, in any of a variety of investment options held by Fidelity Management Trust Company ("Fidelity"), the trustee, as selected by the Company. Participants may change their investment options daily.

**6. Benefit Payments**

Upon termination of service, participants are entitled to a distribution of their vested account balance in the form of a lump sum distribution, in accordance with the Plan's distribution policy. Upon the later of the attainment of age 60 or the participant's 5<sup>th</sup> anniversary date, or in the event of a permanent disability or death while employed by the Company, participants (or their beneficiary in the case of death) will be entitled to 100% of their account balance. Hardship distributions are permitted if certain criteria are met.

**7. Forfeitures**

Forfeitures of terminated participants' nonvested account balances are used to pay Plan expenses or to reduce future Company contributions. During the year ended December 31, 2022, forfeitures used to reduce Company contributions totaled \$10,592. Outstanding forfeitures at December 31, 2022 and 2021 totaled \$10,681 and \$19,715, respectively.

**8. Vesting**

Participants are 100% vested in their deferred compensation and rollovers plus actual earnings thereon. However, vesting of the Company matching and nonelective contribution portions of participant accounts plus actual earnings thereon is based upon the participant's years of continuous service with the Company as follows (see Note A.1.):

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 1             | 0%                |
| 1                       | 20%               |
| 2                       | 40%               |
| 3                       | 60%               |
| 4                       | 80%               |
| 5                       | 100%              |

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**9. Plan Termination**

The Company has established the Plan with a bona fide intention and expectation to continue the Plan indefinitely, but reserves the right to terminate it at any time, subject to the provisions of ERISA. In the event of a termination of the Plan, all participants would be 100% vested in their accounts. The assets of the Plan would then be allocated and distributed to the participants in accordance with the provisions of the Plan.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**1. Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**2. Plan Administration**

CBCC is the plan sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

**3. Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation of fair value of assets.

**4. Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**5. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits, changes in net assets available for benefits and disclosures during the reporting period. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**6. Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 and 2021 excess contributions before March 15, 2023 and 2022, respectively.

**7. Payment of Benefits**

Benefits are recorded when paid.

**NOTE C - INFORMATION CERTIFIED BY TRUSTEE**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee, as complete and accurate, except for comparing such information certified by Fidelity to information included in the Plan's financial statements and supplemental schedule:

- Investments reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021
- Net investment income (loss) reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022
- Investments reflected on the Schedule of Assets (Held at End of Year)

**NOTE D - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1            Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2            Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**CBCC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE D - FAIR VALUE MEASUREMENTS (Continued)**

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the quoted net asset value (NAV) of shares held by the Plan at year end. These funds are required to publish their daily net asset value and to transact at that price. The NAV for mutual funds is a publicly available quoted price in an active market.

*Common collective trust fund:* The Fidelity Advisor Stable Value Fund (the "Stable Value Fund") invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into "wrap" contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds. The NAV is used as a practical expedient to estimate fair value. The Stable Value Fund strives to maintain a stable NAV of \$1.00 per unit, although there is no guarantee that the portfolio will be able to maintain this value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| <i>Assets at Fair Value as of December 31, 2022</i>    |                      |                |                |                      |

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021. **NOTE E - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

**NOTE H - TAX STATUS**

The Company adopted a non-standardized pre-approved profit sharing plan with CODA (“non-standardized plan”), which received its latest opinion letter dated June 30, 2020, in which the IRS stated that the non-standardized plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving its most recent opinion letter. However, the plan administrator and the Plan’s advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**NOTE H - TAX STATUS** (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

To the Administrative Committee of  
CBCC 401(k) Profit Sharing Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of CBCC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CBCC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CBCC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CBCC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CBCC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CBCC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - DESCRIPTION OF THE PLAN**

The following brief description of the CBCC 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

**1. General**

Effective January 1, 2003, the Plan was established for the benefit of employees of Ravi Patel, MD, Inc. dba Comprehensive Blood & Cancer Center (CBCC), CBCC Global Research, Inc., CBCC Outsmarting Cancer, LLC, CBCC Foundation for Community Wellness, Health and Wellness Cafe and CBCC Pain Medicine and Surgery Center, Inc. (collectively, the “Company”). The Plan is intended to meet the requirements of Sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2022, the Plan was amended to change the vesting service for Company nonelective and matching contributions from a six-year graded schedule to a five-year graded schedule where participants vest 20% per year of service and are 100% vested after 5 years of service.

**2. Eligibility**

An employee is eligible to make elective contributions to the Plan on the first day of the month following the completion of six months of service and attainment of age 21. A part-time employee is eligible to make elective contributions to the Plan on the first day of the month following completion of 1,000 hours of service and attainment of age 21.

The Plan has an automatic enrollment provision which automatically enrolls newly eligible employees into the Plan at a 3% deferral rate, unless the employee elects a greater or lesser percentage (including zero) through a salary reduction agreement. Deferral rates for auto-enrolled participants increase annually by 1% each year up to a maximum of 10% of compensation, unless elected otherwise.

An employee is eligible for discretionary Company matching and nonelective contributions on January 1 or July 1 upon the completion of six consecutive months of service and attainment of age 21. Participants must be employed as of the last day of the plan year and incur 1,000 hours of service during the plan year to receive Company contributions, unless the participant dies or becomes disabled. Employees who are non-resident aliens, leased employees, and employees covered by a collective bargaining agreement are not eligible to participate in the Plan.

**3. Contributions**

Participants may elect to contribute pre-tax contributions and Roth contributions, up to the maximum deferral limit per Section 402(g)(1) of the IRC. Additional “catch-up” contributions can be made beginning in the plan year in which a participant will be at least age 50 by the end of the plan year. The Company may make discretionary matching contributions or nonelective contributions. At the end of each plan year, the Company determines the amount of Company contributions to the Plan, if any. In 2022, the Company made a discretionary matching contribution equal to 50% of participant deferrals up to 6% of compensation. No non-elective contributions were made during the year ended December 31, 2022.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**4. Participant Accounts**

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Company nonelective contributions (if any), and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**5. Investment Options**

A participant may direct employee contributions and Company contributions as desired, in any of a variety of investment options held by Fidelity Management Trust Company ("Fidelity"), the trustee, as selected by the Company. Participants may change their investment options daily.

**6. Benefit Payments**

Upon termination of service, participants are entitled to a distribution of their vested account balance in the form of a lump sum distribution, in accordance with the Plan's distribution policy. Upon the later of the attainment of age 60 or the participant's 5<sup>th</sup> anniversary date, or in the event of a permanent disability or death while employed by the Company, participants (or their beneficiary in the case of death) will be entitled to 100% of their account balance. Hardship distributions are permitted if certain criteria are met.

**7. Forfeitures**

Forfeitures of terminated participants' nonvested account balances are used to pay Plan expenses or to reduce future Company contributions. During the year ended December 31, 2022, forfeitures used to reduce Company contributions totaled \$10,592. Outstanding forfeitures at December 31, 2022 and 2021 totaled \$10,681 and \$19,715, respectively.

**8. Vesting**

Participants are 100% vested in their deferred compensation and rollovers plus actual earnings thereon. However, vesting of the Company matching and nonelective contribution portions of participant accounts plus actual earnings thereon is based upon the participant's years of continuous service with the Company as follows (see Note A.1.):

| <u>Years of Service</u> | <u>Percentage</u> |
|-------------------------|-------------------|
| Less than 1             | 0%                |
| 1                       | 20%               |
| 2                       | 40%               |
| 3                       | 60%               |
| 4                       | 80%               |
| 5                       | 100%              |

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**9. Plan Termination**

The Company has established the Plan with a bona fide intention and expectation to continue the Plan indefinitely, but reserves the right to terminate it at any time, subject to the provisions of ERISA. In the event of a termination of the Plan, all participants would be 100% vested in their accounts. The assets of the Plan would then be allocated and distributed to the participants in accordance with the provisions of the Plan.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**1. Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**2. Plan Administration**

CBCC is the plan sponsor and the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

**3. Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation of fair value of assets.

**4. Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for discussion of fair value measurements.

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**5. Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits, changes in net assets available for benefits and disclosures during the reporting period. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**6. Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2022 and 2021 excess contributions before March 15, 2023 and 2022, respectively.

**7. Payment of Benefits**

Benefits are recorded when paid.

**NOTE C - INFORMATION CERTIFIED BY TRUSTEE**

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Fidelity, the trustee, as complete and accurate, except for comparing such information certified by Fidelity to information included in the Plan's financial statements and supplemental schedule:

- Investments reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021
- Net investment income (loss) reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022
- Investments reflected on the Schedule of Assets (Held at End of Year)

**NOTE D - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                     |
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> |

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**CBCC 401(k) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE D - FAIR VALUE MEASUREMENTS (Continued)**

Level 3            Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the quoted net asset value (NAV) of shares held by the Plan at year end. These funds are required to publish their daily net asset value and to transact at that price. The NAV for mutual funds is a publicly available quoted price in an active market.

*Common collective trust fund:* The Fidelity Advisor Stable Value Fund (the "Stable Value Fund") invests in assets (typically fixed-income securities or bond funds and may include derivative instruments such as futures contracts and swap agreements), enters into "wrap" contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds. The NAV is used as a practical expedient to estimate fair value. The Stable Value Fund strives to maintain a stable NAV of \$1.00 per unit, although there is no guarantee that the portfolio will be able to maintain this value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

| <i>Assets at Fair Value as of December 31, 2022</i>    |                      |                |                |                      |
|--------------------------------------------------------|----------------------|----------------|----------------|----------------------|
|                                                        | <u>Level 1</u>       | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>         |

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

**NOTE H - TAX STATUS**

The Company adopted a non-standardized pre-approved profit sharing plan with CODA (“non-standardized plan”), which received its latest opinion letter dated June 30, 2020, in which the IRS stated that the non-standardized plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving its most recent opinion letter. However, the plan administrator and the Plan’s advisors believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Administration errors, if any, which are insignificant or operational in nature, are handled by the administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

**NOTE H - TAX STATUS** (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE I - SUBSEQUENT EVENTS**

Plan management has evaluated subsequent events through June 13, 2023, the date the financial statements were available to be issued.
