Independent Auditor's Report

To the Plan Administrator
JANUS et Cie 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of JANUS et Cie 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) (Schedule H, Line 4i) and Delinquent Participant Contributions (Schedule H, Line 4a) as of or for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

Note 1 - Description of the Plan

The following description of JANUS et Cie 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of JANUS et Cie (the "Company" or the "Employer") except employees covered by a collective bargaining agreement, leased employees, or certain employees who have no earned income from within the United States. Employees become eligible to make employee deferral contributions and to receive Employer safe-harbor matching contributions when they complete one hour of service during one consecutive month. Employees become eligible to receive additional nonelective Employer contributions when they complete one year of service. Eligible employees can enter the Plan on the first day of each month following the date the employee meets the Plan's eligibility requirements for employee deferral contributions and Employer safe-harbor matching contributions and on January 1 or July 1 following the date the employee meets the Plan's eligibility requirements for additional nonelective Employer contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Directors is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Directors.

Contributions

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic deferral feature whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% with a yearly increase of 1% up to a maximum of 5% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. The Company makes a safe-harbor matching contribution equal to 100% of salary deferral up to the first 3% of compensation plus 50% of salary deferrals of more than 3% up to 7% of compensation. The Company may also make a discretionary nonelective contribution to the Plan. In order to receive the nonelective contributions, the participant must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year. Participants also direct the investment of the Company contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and Employer safe-harbor matching contributions, as well as allocations of additional nonelective Employer contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

Vesting

Participants are vested immediately in their contributions and Employer safe-harbor matching contributions plus actual earnings thereon. Vesting in the Company's additional nonelective Employer contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes receivable from participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. If the participant had an outstanding balance during the 12 months prior to the funding of a new loan, the \$50,000 limitation is reduced by outstanding loan balances during that 12-month period. Generally, loans must be repaid within five years. The loans are secured by the balance in the participant's account. The loan interest is set at loan issuance date at prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payments of benefits

On termination of service due to retirement, death or disability, the participant or the participant's beneficiaries are entitled to receive the balance in the participant's account. If a participant terminates for any other reason, the participant is entitled to receive only the vested percentage of the account as a lump-sum distribution or rollover to another qualified benefit plan or individual retirement account. Vested account balances of \$5,000 or more must have the participant's consent before a distribution is made.

Forfeited accounts

At December 31, 2021, forfeited nonvested accounts totaled \$12,114. These accounts will be used to reduce future employer contributions or administrative expenses. At December 31, 2020, there were no forfeited nonvested accounts.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. At December 31, 2020, excess contributions payable of \$801 is included with other liabilities. The Plan distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Other liabilities

At December 31, 2020, other liabilities represent employer contributions that were overfunded and excess contributions payable.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless the Company, at its discretion, elects to pay all or part of those expenses. The expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through June 30, 2023, which is the date the financial statements were available to be issued.

Note 3 - Certified investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable held at December 31, 2021 and 2020, and investment income for the year ended December 31, 2021, that are disclosed in the accompanying financial statements and supplemental schedule, were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Trust Company, LLC ("Great-West") as of December 31, 2021 and for the period from October 7, 2021 through December 31, 2021 and by Charles Schwab Bank as of December 31, 2020 and for the period from January 1, 2021 through October 6, 2021, the trustees of the Plan.

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

Note 4 - Plan termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

Note 5 - Tax status

The IRS has informed the trustee by a letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan used to establish the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Related party and party-in-interest transactions

Certain Plan investments were invested in funds managed by Great-West. Great-West is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Note 7 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

In early 2020, an outbreak of a novel strain of coronavirus ("COVID-19") emerged globally. As a result, events have occurred domestically in the United States and globally, including mandates from federal, state and local authorities, leading to an overall decline in economic activity. The continuation of the effects of COVID-19 could result in significant disruption of global financial markets; however, the ultimate impact of COVID-19 on the financial performance of the Plan's investments cannot be reasonably estimated at this time. Due to COVID-19, the CARES Act was enacted in 2020. Portions of the CARES Act make changes to existing law including relating to the amount and circumstances permitting penalty-free distributions. Plan management adopted the eligible provisions of the CARES Act and made changes to the Plan as a result.

Note 8 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market deposit account: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust funds: Valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 18,778,863	\$ -	\$ -	\$ 18,778,863
Total assets in the fair value hierarchy	18,778,863	-	-	18,778,863
Investment measured at NAV (a)	-	-	-	2,964,827
Total investments at fair value	<u>\$ 18,778,863</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,743,690</u>
	2020			Total
	Level 1	Level 2	Level 3	
Money market deposit account	\$ -	\$ 1,167,524	\$ -	\$ 1,167,524
Mutual funds	18,036,646	-	-	18,036,646
Total investments at fair value	<u>\$ 18,036,646</u>	<u>\$ 1,167,524</u>	<u>\$ -</u>	<u>\$ 19,204,170</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net asset available for benefits.

For the years ended December 31, 2021 and 2020, there were no transfers between Level 1 and 2 and no transfers in or out of Level 3.

Fair value of investments in entities that use NAV

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

	Fair value	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Kayne Anderson Rudnick SC Sust Gr CIT 3	\$ 307,176	n/a	Daily	n/a
Cota Street Managed Blend Accumulation I	178,823	n/a	Daily	n/a
Cota Street Managed Blend Decumulation I	389,511	n/a	Daily	n/a
Cota Street Managed Equity Accumulation	261,265	n/a	Daily	n/a
Cota Street Managed Equity Decumulation	79,529	n/a	Daily	n/a
Cota Street Managed Fixed Income Accum I	4,492	n/a	Daily	n/a
Cota Street Managed Fixed Income Decum I	35,994	n/a	Daily	n/a
PGIM Total Return Fund CIT Fee Class R	171,770	n/a	Daily	n/a
Putnam Stable Value Fund	1,536,267	n/a	Daily	n/a

Note 9 - Operational errors

During the year ended December 31, 2021, the employer contributions were not remitted properly to 56 participants' accounts. For 54 of the participants the error was corrected in 2022, and the Plan made correcting contributions with any lost earnings, and recorded this as employer receivables as

JANUS et Cie 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021

of December 31, 2021. For the remaining two participants the Plan is working on calculating and correcting this error.

During the year ended December 31, 2021, the employee contributions for one participant were not remitted properly. This is considered as late remittance and included in the supplemental schedule of delinquent participant contributions (Schedule H, Line 4a). The Plan is working on correcting this error.

During the year ended December 31, 2021, there was one participant who was not automatically enrolled in accordance with Plan provisions. The plan is working on calculating and correcting this error.

Note 10 - Nonexempt transactions

As reported on the supplemental schedule of delinquent participant contributions (Schedule H, Line 4a), certain Plan contributions were not remitted to the Plan within the time frame specified by the DOL's Regulation 29 (CFR2510.3-102), thus constituting nonexempt transactions between the Plan and the Company for the year ended December 31, 2021.
