INDEPENDENT AUDITORS' REPORT

To Folk Oil Company, Inc. Plan Administrator
Folk Oil Company, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Folk Oil Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Folk Oil Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Folk Oil Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Folk Oil Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Folk Oil Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Folk Oil Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of the Attachment to the Form 5500 for the year ended September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOLK OIL COMPANY, INC.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Folk Oil Company, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multi-employer, defined contribution plan covering employees of Folk Oil Company, Inc., Convenience King Group, Inc., Toledo 76, Inc., and 115 Truck Stop, Inc. (collectively, the "Company"). The Plan covers employees who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustees are responsible for the oversight of the Plan, determine the appropriateness of the Plan's investments, and monitor investment performance.

Contributions

Each year, participants may contribute to the Plan at their discretion up to 100% of their annual pre-tax wages not to exceed \$20,500 and \$19,500 for the years ending September 30, 2022 and 2021, respectively. Participants may also contribute amounts representing distributions from other qualified plans and certain IRA'S (rollover contributions). Participants may elect to direct the investment of their contributions into various investment options offered by the Plan. Additional matching contributions may be declared at the option of the Company. For the Plan years ended September 30, 2022 and 2021, a match was declared at 50% of the first 6% of base compensation that a participant contributes to the Plan. Profit sharing contributions may also be made at the option of the Company. For the Plan years ended September 30, 2022 and 2021, the Company did not elect to make a profit sharing contribution to the Plan. Contributions are subject to certain statutory limitations.

Catch-Up Contributions

A participant age 50 or older may elect to defer additional amounts (called "catch-up contributions") to the plan. The additional amounts may be deferred regardless of any other limitations on the amount that a participant may defer to the plan. The maximum "catch-up contribution" that a participant can make is subject to Internal Revenue Service limitations, which was \$6,500 at September 30, 2022 and 2021. Any "catch-up contributions" that a participant makes will not be taken into account in determining any Employer matching contribution made to the Plan.

Vesting

Participants are immediately vested in their voluntary contributions, including rollover contributions, plus actual earnings on the contributions. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, including any rollover contribution, and an allocation of (a) the Company's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of death, a participant may elect to be paid out no later than five years following the date of death. Withdrawals from participant's salary deferral and vested employer contribution accounts may also be made in the event of financial hardship, in accordance with provisions specified in the Plan. Prior to termination of employment, participants who have attained the age of 59-1/2 are eligible to make in-service withdrawals, in accordance with provisions of the Plan.

Forfeited Accounts

At September 30, 2022 and 2021 forfeited nonvested accounts totaled \$9,150 and \$12,153, respectively. These accounts have been used to reduce future company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

The Plan has evaluated subsequent events through June 29, 2023, the date the financial statements were available to be issued. See Note 12 for subsequent events due to COVID-19.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses incurred in connection with investment advice, trust fees, and general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses.

3. INVESTMENT INFORMATION CERTIFIED BY PLAN TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at September 30, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and dividends for the year then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of September 30, 2022 and 2021.

	<u>Fair Value Measurements Using Level 1:</u>	
	<u>Quoted Prices in Active Markets for Identical Assets</u>	
	<u>September 30, 2022</u>	<u>September 30, 2021</u>
Mutual Funds	<u>\$5,762,293</u>	<u>\$7,056,688</u>
Investments at fair value	<u>\$5,762,293</u>	<u>\$7,056,688</u>

Gains and losses included in changes in net assets available for benefits for the years ended September 30, 2022 and 2021, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended September 30, 2022 and 2021, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

5. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 27, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

7. PARTICIPANT-DIRECTED INVESTMENTS

The investments in all participant accounts are self-directed by the participants.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, SCHEDULE H

The following is a reconciliation of net assets for benefits per the financial statements at September 30, 2022 and 2021 to Form 5500, Schedule H:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per financial statements	<u>\$ 5,941,955</u>	<u>\$ 7,222,356</u>
Net assets available for benefits per the Form 5500	<u>\$ 5,941,955</u>	<u>\$ 7,222,356</u>
Difference	<u>\$ -</u>	<u>\$ -</u>

10. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

During the years ended September 30, 2022 and 2021, Plan investments included mutual funds with shares managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fee is charged. In addition, the Company absorbs expenses of the Plan as disclosed in Note 2.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

11. PLAN AMENDMENT

Effective October 1, 2020, the plan was amended to add automatic enrollment and a QACA Safe Harbor match.

12. COVID-19 AND SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared the outbreak of a novel strain of coronavirus (COVID-19) to be a global pandemic. As a result of COVID-19, which continues subsequent to the year end, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

INDEPENDENT AUDITORS' REPORT

To Folk Oil Company, Inc. Plan Administrator
Folk Oil Company, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Folk Oil Company, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Folk Oil Company, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Folk Oil Company, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Folk Oil Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Folk Oil Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Folk Oil Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of the Attachment to the Form 5500 for the year ended September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOLK OIL COMPANY, INC.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Folk Oil Company, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multi-employer, defined contribution plan covering employees of Folk Oil Company, Inc., Convenience King Group, Inc., Toledo 76, Inc., and 115 Truck Stop, Inc. (collectively, the "Company"). The Plan covers employees who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Trustees are responsible for the oversight of the Plan, determine the appropriateness of the Plan's investments, and monitor investment performance.

Contributions

Each year, participants may contribute to the Plan at their discretion up to 100% of their annual pre-tax wages not to exceed \$20,500 and \$19,500 for the years ending September 30, 2022 and 2021, respectively. Participants may also contribute amounts representing distributions from other qualified plans and certain IRA'S (rollover contributions). Participants may elect to direct the investment of their contributions into various investment options offered by the Plan. Additional matching contributions may be declared at the option of the Company. For the Plan years ended September 30, 2022 and 2021, a match was declared at 50% of the first 6% of base compensation that a participant contributes to the Plan. Profit sharing contributions may also be made at the option of the Company. For the Plan years ended September 30, 2022 and 2021, the Company did not elect to make a profit sharing contribution to the Plan. Contributions are subject to certain statutory limitations.

Catch-Up Contributions

A participant age 50 or older may elect to defer additional amounts (called "catch-up contributions") to the plan. The additional amounts may be deferred regardless of any other limitations on the amount that a participant may defer to the plan. The maximum "catch-up contribution" that a participant can make is subject to Internal Revenue Service limitations, which was \$6,500 at September 30, 2022 and 2021. Any "catch-up contributions" that a participant makes will not be taken into account in determining any Employer matching contribution made to the Plan.

Vesting

Participants are immediately vested in their voluntary contributions, including rollover contributions, plus actual earnings on the contributions. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, including any rollover contribution, and an allocation of (a) the Company's contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to disability, retirement, or any other reason, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In the event of death, a participant may elect to be paid out no later than five years following the date of death. Withdrawals from participant's salary deferral and vested employer contribution accounts may also be made in the event of financial hardship, in accordance with provisions specified in the Plan. Prior to termination of employment, participants who have attained the age of 59-1/2 are eligible to make in-service withdrawals, in accordance with provisions of the Plan.

Forfeited Accounts

At September 30, 2022 and 2021 forfeited nonvested accounts totaled \$9,150 and \$12,153, respectively. These accounts have been used to reduce future company contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

The Plan has evaluated subsequent events through June 29, 2023, the date the financial statements were available to be issued. See Note 12 for subsequent events due to COVID-19.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

FOLK OIL COMPANY, INC.
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Operating Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Expenses incurred in connection with investment advice, trust fees, and general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses.

3. INVESTMENT INFORMATION CERTIFIED BY PLAN TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at September 30, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and dividends for the year then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Capital Bank and Trust Company, the trustee of the Plan.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of September 30, 2022 and 2021.

	<u>Fair Value Measurements Using Level 1:</u>	
	<u>Quoted Prices in Active Markets for Identical Assets</u>	
	<u>September 30, 2022</u>	<u>September 30, 2021</u>
Mutual Funds	<u>\$5,762,293</u>	<u>\$7,056,688</u>
Investments at fair value	<u>\$5,762,293</u>	<u>\$7,056,688</u>

Gains and losses included in changes in net assets available for benefits for the years ended September 30, 2022 and 2021, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended September 30, 2022 and 2021, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

5. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 27, 2001, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Uncertain Tax Positions

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan should be allocated to participant accounts and distributed in such a manner as the Company may determine.

7. PARTICIPANT-DIRECTED INVESTMENTS

The investments in all participant accounts are self-directed by the participants.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, SCHEDULE H

The following is a reconciliation of net assets for benefits per the financial statements at September 30, 2022 and 2021 to Form 5500, Schedule H:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per financial statements	<u>\$ 5,941,955</u>	<u>\$ 7,222,356</u>
Net assets available for benefits per the Form 5500	<u>\$ 5,941,955</u>	<u>\$ 7,222,356</u>
Difference	<u>\$ -</u>	<u>\$ -</u>

10. RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

During the years ended September 30, 2022 and 2021, Plan investments included mutual funds with shares managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Company provides certain accounting, administrative, and investment management services to the Plan for which no fee is charged. In addition, the Company absorbs expenses of the Plan as disclosed in Note 2.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

11. PLAN AMENDMENT

Effective October 1, 2020, the plan was amended to add automatic enrollment and a QACA Safe Harbor match.

12. COVID-19 AND SUBSEQUENT EVENTS

In March 2020, the World Health Organization declared the outbreak of a novel strain of coronavirus (COVID-19) to be a global pandemic. As a result of COVID-19, which continues subsequent to the year end, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
