Independent Auditors' Report

To the Participants and Trustees of
C&E Sales, Inc. Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of the C&E Sales, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of September 30, 2022 and 2021, and the related statement of changes in net assets available for benefits in liquidation for the year ended September 30, 2022, and the related notes to the financial statements in liquidation.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits in liquidation of the C&E Sales, Inc. Profit Sharing Plan as of September 30, 2022 and 2021, and the changes in its net assets available for benefits in liquidation for the year ended September 30, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the C&E Sales, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

As described in Note A to the financial statements, the governing body of C&E Sales, Inc. Profit Sharing Plan approved a plan of liquidation on June 29, 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of C&E Sales, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year), as of September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION
SEPTEMBER 30, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the C&E Sales, Inc. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of C&E Sales, Inc. (the Company, Employer and Plan Sponsor) upon hire. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination and Liquidation

The governing body of the Plan approved the termination of the Plan effective June 29, 2021. Plan Management determined liquidation to be imminent upon the decision to terminate the Plan. Final distributions will be determined based on all participants being 100% vested and will be made as soon as administratively feasible following the receipt of a favorable determination letter from the IRS on the termination of the Plan.

Eligibility

Prior to the termination of the Plan, all eligible employees were eligible to participate in the 401(k) elective deferrals. For participants to receive a discretionary profit sharing contribution they had to be 21 years of age or older and had to have completed at least one year of service during the Plan Year (1,000 hours). The allowable profit sharing entry date was October 1 of the Plan Year after eligibility requirements were met.

Contributions

- (a) *Participant's voluntary salary reductions and rollover contributions.* Each year, participants could have contributed to the Plan a percentage of their compensation which was not to exceed Internal Revenue Service limitations. Participants could have also contributed amounts representing distributions from other qualified defined benefit or contribution plans.

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION
SEPTEMBER 30, 2022 and 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

- (b) *Discretionary profit sharing contributions.* The Company may have, in its sole discretion, made discretionary profit sharing contributions to the Plan on behalf of each participant who was employed by the Company on the last day of the Plan Year. Discretionary contributions were to be allocated in an amount designated by the Company's board of directors to be allocated to two groups. Group One consisted of the four owners of the Plan Sponsor; Group Two consisted of all participants who were not members of Group One. Contributions to Groups One and Two were allocated among group members in the ratio that each such participant's compensation bore to the compensation of all members of the group who were eligible to receive allocations of discretionary company contributions. There were no discretionary contributions paid or accrued for the years ended September 30, 2022 and 2021.
- (c) *Non-elective contribution.* The Plan Sponsor could have elect to make a non-elective contribution for purposes of complying with the Safe Harbor requirement, as stated in the Plan provisions. There were no non-elective Safe Harbor contributions for the years ended September 30, 2022 and 2021. There was no age or year of service requirement for participating employees to receive these contributions.

Participant Accounts

Prior to the termination of the Plan, each participant's account was credited or charged with the above contributions, transfers, plan earnings, forfeitures, and plan expenses. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account balance. As a result of the termination of the Plan, no further contributions are required by the Company, and no participants shall accrue additional benefits under the Plan, other than on account of the allocations of subsequent investment gains or losses with respect to the participant's account.

Notes Receivable from Participants

Prior to the termination of the Plan, participants could borrow from the vested portion of their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms ranged from one to five years or up to ten years for the purchase of a primary residence. The loans were secured by the participant's account balance and bore interest at a rate commensurate with prevailing rates. Principal and interest were paid ratably through monthly payroll deductions.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Vesting

Prior to the termination of the Plan, participants were 100% vested in employee and rollover contributions and employer non-elective contributions. In addition, a participant became fully vested upon attainment of normal retirement age or upon death or disability while an employee of the Plan Sponsor. The employer contributions vested according to the following schedule:

<u>Years of Service</u>	<u>Non-Forfeitable Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

As a result of the termination of the Plan, each participant with an undistributed account balance as of June 29, 2021, that had not previously been forfeited in accordance with the terms of the Plan became 100% vested in such account balance.

Forfeited Accounts

Prior to termination of the Plan, amounts forfeited from a participant's account were periodically used to reduce employer discretionary profit sharing contributions or were reallocated to participants. Forfeitures for the Plan year ending September 30, 2021 totaled \$724. No forfeitures were used during the Plan years ended September 30, 2022 and 2021. The unallocated forfeitures at September 30, 2022 and 2021, were \$765 and \$766, respectively.

Payment of Benefits

Prior to the termination of the Plan, upon termination of service for any reason, a participant received either the value of the participant's vested interest in his or her account in the form of a joint and survivor annuity or a lump sum amount equal to the value of the participant's vested interest in his or her account. Benefits are recorded when paid.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting. Plan Management determined that liquidation was imminent upon the governing body's decision to terminate the Plan as described in Note A. As a result, the Plan has changed its basis of accounting to the liquidation basis in presenting the 2022 and 2021 financial statements.

The liquidation basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement value. The estimated net realizable cash value for investments would be equivalent to fair value and no adjustment to carrying amounts was necessary.

Investment Valuation and Income Recognition

As a result of the termination of the Plan, the Plan's investments are stated at liquidation value, which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Capital gain distributions are included in interest and dividend income.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Loans to Participants

Loans to participants were reported at their unpaid principal balances at September 30, 2021.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Fees

Investment advisory fees are paid out of the Plan assets. Prior to the Plan termination date, all other expenses of the Plan were paid by the Plan Sponsor. Effective as of the Plan termination date of June 29, 2021, all expenses of the Plan are to be paid out of Plan assets.

Amendments

Effective June 29, 2021, the Plan was amended to terminate the Plan. As a result, as of June 29, 2021, (a) no individual shall be eligible to become a participant or otherwise enter the Plan; (b) no further contributions to the Trust shall be required by the Company; (c) no participant shall accrue additional benefits under the Plan, other than on account of the allocations of subsequent investment gains or losses with respect to the participant's cash account; (d) each participant with an undistributed account balance as of June 29, 2021, that has not previously been forfeited in accordance with the terms of the Plan shall become 100% vested in such account balance; and (e) participant accounts shall be distributed as soon as administratively feasible following the receipt of a favorable termination determination letter from the IRS.

NOTE C - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash balances in various money market funds. At various times during the year, some or all of these funds may be uninsured or exceed insurance limits.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

C&E SALES, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION
SEPTEMBER 30, 2022 and 2021

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

Money market funds - Valued at the net asset value (NAV) of shares held by the Plan at year-end, as reported to the Plan by the trustee. A fund's NAV reflects an exit price, is the same for all holders of the fund, and provides the basis for current transactions.

U.S. government securities - Valued at the closing price reported on the active market on which the individual securities are traded. Certain U.S. Government securities are mortgage and asset backed securities, which are primarily valued using discounted cash flow models.

Alternative funds - Valued based on the NAV per share, without further adjustment. NAV is based upon the fair value of the underlying investments, such as collective funds, hedge funds, and other types of private investments with underlying investment holdings. The NAV is used as a practical expedient to estimated fair value and is not readily determinable.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022 and 2021:

* Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits in liquidation.

The following table summarizes investments measured at fair value based on NAV per share as of September 30, 2022 and 2021:

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Morgan Stanley. Morgan Stanley is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services provided by Morgan Stanley amounted to \$807 and \$190,269 for the years ended September 30, 2022 and 2021, respectively.

NOTE F - INCOME TAX STATUS

Effective September 30, 2015, the Plan Sponsor adopted a Sungard Business Systems, LLC prototype plan dated March 30, 2012. Sungard Business Systems, LLC obtained an Advisory Letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. Therefore, no income taxes have been provided for in the financial statements.

Accounting principles generally accepted in the United States of America require Plan Management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Although terminated, the Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE G - PLAN TERMINATION

The governing body of the Plan approved the termination of the Plan effective June 29, 2021. Final distributions will be determined based on all participants being 100% vested and will be made as soon as administratively feasible following the receipt of a favorable determination letter from the IRS on the termination of the Plan.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE I - SUBSEQUENT EVENTS

Subsequent to September 30, 2022, the Plan distributed the majority of the Plan assets in relation to the Plan termination as described in Note G. As of July 5, 2023, approximately \$139,000 of Plan assets remained in the Plan.

Subsequent events were evaluated through July 5, 2023, which is the date the financial statements were available to be issued.
