INDEPENDENT AUDITORS REPORT

To the Trustees and Participants
Fresno Plumbing & Heating, Inc. 401 (k) Profit Sharing Plan
Fresno, California

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the October 31, 2022 Financial Statements

We have performed an audit of the financial statements of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a)(3)(c) (ERISA Section 103 (a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of October 31, 2022, and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year of October 31, 2022 ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103 (a)(3)(c), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended October 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the October 31, 2022 Financial Statements (2022 Financial Statements)

In our opinion, based on our audit and on the procedures performed as described in the auditor's responsibilities for the audit of the 2022 financial statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed or derived from the certified investment information, are fairly presented, on the modified basis of the accounting, other than accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the October 31, 2022 Financial Statements (2022 Financial Statements)

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of 2022 Financial Statements section of our report. We are required to be independent of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities. In accordance with the relevant ethical requirements relating to our audits, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the October 31, 2022 Financial Statements (2022 Financial Statements)

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a year after April 30, 2023, the date of the 2022 financial statements is issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the October 31, 2022 Financial Statements (2022 Financial Statements)

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

October 31, 2022 Supplemental Schedules required by ERISA

The supplemental schedules of Assets Held for Investment Purposes (Schedule I) for the year ended October 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rule and Regulations for reporting and Disclosure under ERISA. Such information is the responsibility

of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our Opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Auditor's report on the October 31, 2021 Financial Statements (2021 Financial Statements)

We were engaged to audit the 2021 financial statements of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 30, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following description of the Fresno Plumbing & Heating, Inc. 401 (k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Fresno Plumbing & Heating, Inc. (the "Company") who have six months of service by the entry date and are age eighteen or older. It is subject to the provisions of ERISA.

Contributions

The Plan provides for four types of contributions. The first is the employee salary deferral feature. The employer shall determine the amount of salary reduction contribution in accordance with Salary Reduction Agreements voluntarily executed by each eligible participant.

There is an employer discretionary match. The employer will determine annually the amount of matching contribution it will deposit based on Company profitability.

The employer may make an annual employer discretionary contribution to the Plan depending on Company profits.

The employer may make an annual Qualified Non-Elective Contribution (QNEC) to the Plan if necessary to pass the non-discrimination testing. The QNEC will be allocated only to non-highly compensated employees.

The Plan includes an additional contribution source - prevailing wage. These contributions (QNIP) only cover prevailing wage employees and include a separate service and vesting requirement from the 401 (k) deferrals and match. Furthermore, these prevailing wage contributions can be characterized as QNEC (Qualified Non-Elective Contributions) or safe harbor contributions for testing purposes.

Starting in 2015, the Plan adopted a Safe Harbor contribution to all participants. Employer will make a Matching Contribution to the Participants' Accounts, based on the Deferral Contributions in an amount equal to 100% of the first 3% of Compensation that they contribute to the Plan and 50% of the next 2% of Compensation that they contribute to the Plan for each payroll period ("Contribution Period").

NOTE A - DESCRIPTION OF PLAN (cont.)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their rollover contributions, salary deferrals and QNEC. Vesting refers to ownership in matching contributions and the employer discretionary contributions. Vesting is a percentage based on years of service with the employer.

Vesting credit will be given according to the following table:

<u>Years of Service</u>	<u>Vesting Percentages</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeiture

Forfeiture arising from Employer discretionary contributions will be used to fund Employer matching contributions in the year immediately following the plan year in which the forfeiture occurs. Forfeitures arising from matching contributions will be used first to reduce fees and then to supplement employer contributions.

Investment Options

Upon enrollment into the Plan, a participant may direct contributions to any of the investment options which include investments in a registered insurance company's mutual funds.

NOTE A - DESCRIPTION OF PLAN (cont.)

Investment of Contribution

As a participant in the plan, an individual directs the investment of his or her accounts. He or she can also discontinue deferrals at any time, upon written notice to the plan administrator.

It is intended that the Plan meet the requirements of ERISA section 404(c) by providing the participants with sufficient information for them to make informed investment choices. This information will be provided by the financial institutions managing the investment options.

The Plan also allows an after-Tax Roth IRA contribution.

Distribution

Hardship distributions of the participants' pre-tax salary deferrals and Roth deferrals are permitted.

The participants may receive in-service distributions of their salary deferral amounts when they reach the normal retirement date.

The participant will reach the plans' normal retirement age when they reach age 65, at the normal retirement age, the participant will be fully vested in the employer contribution account.

Participant Loans/Notes Receivable from Participants

The Plan has adopted a participant loan program that is intended to comply with Labor Regulation 2550.408b-1, and Treasury Regulation sec 1.72(p)-1. Loans will be made pursuant to the term of the Plan and Trust with the provisions listed in the Plan document.

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.25% for home purchase loans or 7.25% for general purpose loans, which are commensurate with local prevailing rates as determined by the Plan administrator.

NOTE A - DESCRIPTION OF PLAN (cont.)

Administrative Expenses

There were no administrative expenses paid by the Company in the 2020/2021 plan year. The Company absorbed the audit expense.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Plan's Year End

The Plan changed the year-end to October 31st starting 2018.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain contributions and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. This is a basis of accounting other than Generally Accepted Accounting Principles of the United States of America. Investment income is recorded when incurred while benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefit

Benefits are recorded when paid.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (cont.)

Investment Valuation and Income Recognition

The investments in all of the funds are presented at fair value, based on the quoted market prices of the underlying securities within each fund as of October 31, 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

There were no administrative expenses paid by the Company in the 2021-2022 plan year. The Company absorbed the audit expense.

Subsequent Event

Subsequent events were evaluated through April 30, 2023, the date which the financial statements were available to be issued.

Markets expect the Fed to continue raising the interest rate due to the inflation concerns. The high interest rate has been already triggered the residential housing market declines. Then the late December's weather crisis also impacted the commercial business. Effective January 1, 2023, the Plan Sponsor decided to freeze the Safe Harbor employer contribution for one year amid the declining of the plumbing business affected by the above mentioned factors.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying balance sheet, as well as the general classification of such instruments pursuant to the valuation hierarchy.

NOTE C – FAIR VALUE MEASUREMENTS (cont.)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There are some Target-Date Fund included in the mutual funds' investment. A target-date fund is a class of mutual funds or ETFs that periodically rebalances asset class weights to optimize risk and returns for a predetermined time frame.

Common-Collective trust fund: Valued at the net asset value (NAV) of units of a bank or investment company collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Under the new ASU 2015-07, certain investment that are measured at fair value using the net asset value using the net asset value per share (or its equivalent) practical expedient will not be classified in the fair value hierarchy. The net asset value amount of Fidelity Advisor Stable Value Portfolio (a common-collective trust) presented in this table are intended to permit reconciliation of the fair value hierarchy to the amount presented in the statement of Net Assets Available for Benefit.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of October 31, 2022 and 2021.

Assets at Fair Value as of October 31, 2022

The availability of observable market data is monitored to assets the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the year ended October 31, 2022 and October 31, 2021, there were no transfers in or out of Levels 2, or 3.

NOTE D – USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – RELATED PARTY/EXEMPT PARTY-IN-INTERET TRANSACTIONS

During 2022/2021 plan year, the members of the Plan's Administrative Committee and Investment Committee serve in Fresno Plumbing and Heating Inc.'s positions as Chief Executive Officer, Chief Financial Officer and Management. They are also the participants in the plan.

The Trustees of the Plan, who are also the owners of the plan sponsor, are also participants in the Plan and, therefore qualify as parties-in-interest. The Trustees holding plan assets provide various services to the Plan and receive fees for these services and, therefore, qualify as parties-in-interest. Total fees paid to these parties-in-interest (Fidelity) totaled \$3,400 each for the years ended October 31, 2022 and 2021, respectively. According to the DOL Regulations, Baker, Chi & Parkey Accountancy Corporation, the Plan's Auditor is also defined as the parties-in-interest. Plan Sponsor absorbs the fee paid to the auditor. There is no reportable parties-in-interest transaction in 2022/2021 year.

NOTE G – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrators have elected the method of compliance permitted by 29 CFR2520.103-5 (d) of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA 1974. Accordingly, as permitted under such election, the investment assets information in the report was certified by Fidelity Management Trust Company, the Trustee of custodian of the Plan assets, as complete and accurate.

The October 31, 2021 Plan's investment was certified to be audited as the limited scope audit. The October 31, 2022 Plan's investment was certified to be audited now referred to ERISA Section 103(a)(3)(c) audit.

Total investments were \$14,200,487 and \$17,406,172 as of October 31, 2022, and 2021, respectively. Total new appreciation (depreciation), interest and dividends combined were \$(3,521.585) and \$4,141,894 for the years ended October 31, 2022, and 2021, respectively.

Total notes receivable from participants were \$389,396 and \$383,321 as of October 31, 2022 and 2021, respectively. Total interest from participants' notes receivable was \$16,511 and \$19,741 for the years ended October 31, 2022, and 2021 respectively.

NOTE I – TAX STATUS

The IRS has determined and informed the company by a letter dated January 25, 2012, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan has not been amended since and the plan administrator and plan's tax counsel believe that the plan is designed and has been operated in compliance with the applicable provisions of the IRC.

The Cycle 3 PPA restatement of the Plan was done on March 30, 2021 to comply with IRS requirement.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE J – CHANGE OF THE PARTICIPANTS LOANS REPORTING REQUIREMENT

In September 2010, the FASB issued ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*. ASU 2010-25 changed the reporting of loans to participants. Prior to ASU 2010-25, loans to participants were reported as investments at fair value. ASU requires that loans to participants be reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest. ASU 2010-25 is effective for periods ending after December 15, 2010.

NOTE J – CHANGE OF THE PARTICIPANTS LOANS REPORTING REQUIREMENT (cont.)

Statement of net assets available for benefits of Fresno Plumbing & Heating, Inc. 401 (k) Profit Sharing Plan for October 31, 2022 and October 31, 2021 follows the required format.

NOTE K – RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

There are possible risks and uncertainties related to the Plan's financial statements in the current environment, e.g., the post Pandemic uncertainty affects the economic growth, the Russian-Ukraine war causes the instability of the market and the inflation triggering the interest rate hikes. The plan sponsor's plumbing business has been affected by the residential housing market declines, so the business had a major layoff started September 2022. The large distributions from the departures of the employees cause the decrease of the net asset balance at the year end.

The unusual bad weather during the 2022 winter in California also impacted the commercial side of the plumbing business with the prevailing wage labor demand subsided. The Plan sponsor decided to freeze the safe harbor employer's contribution for a year after October 31, 2022. (Subsequent event)

Although the Plan itself is not in jeopardy, the investment suffers the loss because the market declination during the plan year. Also, the potential volatility of the market triggered by the government's decision of the interest rate increase will cause the uncertainty of the Plan's function. But the Plan assets are still intact since all the investment is prudent and held by a reputable national investment custodian also is monitored by a local investment advisor with the expertise.

NOTE L – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Some of the participants of Fresno Plumbing & Heating, Inc. 401 (k) profit sharing plan invest in Fidelity Advisor Stable Value Portfolio Class II. It is a commingled pool of the Fidelity Group Trust for Employee Benefit Plans and is managed by Fidelity Management Trust Company (FMTTC).

NOTE L – INVESTMENT CONTRACT WITH INSURANCE COMPANY (cont.)

The FA Stable Value Portfolio invests in investment contracts issued by insurance companies and other financial institutions (“Wraps”), fixed income securities, and money market funds. Wraps are designed to permit the use of book value accounting to maintain a constant \$1 NAV. Wraps are purchased in conjunction with an investment by the FA Stable Value Portfolio in fixed income securities. These securities may include, but are not limited to, U. S. Treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and bond funds. Through the use of book value accounting, there is no immediate recognition of investment gains and losses on the FA Stable Value Portfolio’s securities.

Instead, gains and losses are recognized over time by adjusting the interest rate credited to the FA Stable Value Portfolio under the Wraps. The Wraps provide for the payment of participant-directed withdrawals and exchanges at book value (principal and interest accrued to date) during the term of the Wraps. In order to maintain the Wrap issuers’, promise to pay ongoing contractual commitments on the FA Stable Value Portfolio as well as the plans invested in the FA Stable Value Portfolio. Withdrawals from the FA Stable Value Portfolio are subject to certain restrictions.

Plan sponsor-directed withdrawals may be required to be preceded by 12 months written notice. Although the FA Stable Value Portfolio seeks to maintain a stable \$1 NAV, it is possible to lose money by investing in the FA Stable Value Portfolio. The FA Stable Value Portfolio’s yield will fluctuate.

According to ASU 2015-07, the investment that uses the “practical expedient” can be removed from the hierarchy table. This would apply to the Fidelity advisor stable value portfolio using net asset value (NAV) to measure the fair value. The following is some information needs to be disclosed regarding the fund.

Unfunded commitments:

There were no unfunded commitments on the Fidelity advisor stable value portfolio as of October 31, 2022.

Redemption frequency:

INDEPENDENT AUDITORS REPORT

To the Trustees and Participants
Fresno Plumbing & Heating, Inc. 401 (k) Profit Sharing Plan
Fresno, California

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the October 31, 2022 Financial Statements

We have performed an audit of the financial statements of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a)(3)(c) (ERISA Section 103 (a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of October 31, 2022, and 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year of October 31, 2022 ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103 (a)(3)(c), our audit needs not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended October 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the October 31, 2022 Financial Statements (2022 Financial Statements)

In our opinion, based on our audit and on the procedures performed as described in the auditor's responsibilities for the audit of the 2022 financial statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed or derived from the certified investment information, are fairly presented, on the modified basis of the accounting, other than accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion on the October 31, 2022 Financial Statements (2022 Financial Statements)

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of 2022 Financial Statements section of our report. We are required to be independent of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities. In accordance with the relevant ethical requirements relating to our audits, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the October 31, 2022 Financial Statements (2022 Financial Statements)

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a year after April 30, 2023, the date of the 2022 financial statements is issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the October 31, 2022 Financial Statements (2022 Financial Statements)

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of the ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

October 31, 2022 Supplemental Schedules required by ERISA

The supplemental schedules of Assets Held for Investment Purposes (Schedule I) for the year ended October 31, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rule and Regulations for reporting and Disclosure under ERISA. Such information is the responsibility

of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our Opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Auditor's report on the October 31, 2021 Financial Statements (2021 Financial Statements)

We were engaged to audit the 2021 financial statements of Fresno Plumbing & Heating, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 30, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following description of the Fresno Plumbing & Heating, Inc. 401 (k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Fresno Plumbing & Heating, Inc. (the "Company") who have six months of service by the entry date and are age eighteen or older. It is subject to the provisions of ERISA.

Contributions

The Plan provides for four types of contributions. The first is the employee salary deferral feature. The employer shall determine the amount of salary reduction contribution in accordance with Salary Reduction Agreements voluntarily executed by each eligible participant.

There is an employer discretionary match. The employer will determine annually the amount of matching contribution it will deposit based on Company profitability.

The employer may make an annual employer discretionary contribution to the Plan depending on Company profits.

The employer may make an annual Qualified Non-Elective Contribution (QNEC) to the Plan if necessary to pass the non-discrimination testing. The QNEC will be allocated only to non-highly compensated employees.

The Plan includes an additional contribution source - prevailing wage. These contributions (QNIP) only cover prevailing wage employees and include a separate service and vesting requirement from the 401 (k) deferrals and match. Furthermore, these prevailing wage contributions can be characterized as QNEC (Qualified Non-Elective Contributions) or safe harbor contributions for testing purposes.

Starting in 2015, the Plan adopted a Safe Harbor contribution to all participants. Employer will make a Matching Contribution to the Participants' Accounts, based on the Deferral Contributions in an amount equal to 100% of the first 3% of Compensation that they contribute to the Plan and 50% of the next 2% of Compensation that they contribute to the Plan for each payroll period ("Contribution Period").

Notes to Financial Statements

October 31, 2022

NOTE A - DESCRIPTION OF PLAN (cont.)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their rollover contributions, salary deferrals and QNEC. Vesting refers to ownership in matching contributions and the employer discretionary contributions. Vesting is a percentage based on years of service with the employer.

Vesting credit will be given according to the following table:

<u>Years of Service</u>	<u>Vesting Percentages</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeiture

Forfeiture arising from Employer discretionary contributions will be used to fund Employer matching contributions in the year immediately following the plan year in which the forfeiture occurs. Forfeitures arising from matching contributions will be used first to reduce fees and then to supplement employer contributions.

Investment Options

Upon enrollment into the Plan, a participant may direct contributions to any of the investment options which include investments in a registered insurance company's mutual funds.

NOTE A - DESCRIPTION OF PLAN (cont.)

Investment of Contribution

As a participant in the plan, an individual directs the investment of his or her accounts. He or she can also discontinue deferrals at any time, upon written notice to the plan administrator.

It is intended that the Plan meet the requirements of ERISA section 404(c) by providing the participants with sufficient information for them to make informed investment choices. This information will be provided by the financial institutions managing the investment options.

The Plan also allows an after-Tax Roth IRA contribution.

Distribution

Hardship distributions of the participants' pre-tax salary deferrals and Roth deferrals are permitted.

The participants may receive in-service distributions of their salary deferral amounts when they reach the normal retirement date.

The participant will reach the plans' normal retirement age when they reach age 65, at the normal retirement age, the participant will be fully vested in the employer contribution account.

Participant Loans/Notes Receivable from Participants

The Plan has adopted a participant loan program that is intended to comply with Labor Regulation 2550.408b-1, and Treasury Regulation sec 1.72(p)-1. Loans will be made pursuant to the term of the Plan and Trust with the provisions listed in the Plan document.

Participants may borrow from their vested fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 7.25% for home purchase loans or 7.25% for general purpose loans, which are commensurate with local prevailing rates as determined by the Plan administrator.

Notes to Financial Statements

October 31, 2022

NOTE A - DESCRIPTION OF PLAN (cont.)

Administrative Expenses

There were no administrative expenses paid by the Company in the 2020/2021 plan year. The Company absorbed the audit expense.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Plan's Year End

The Plan changed the year-end to October 31st starting 2018.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain contributions and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. This is a basis of accounting other than Generally Accepted Accounting Principles of the United States of America. Investment income is recorded when incurred while benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefit

Benefits are recorded when paid.

FRESNO PLUMBING & HEATING, INC. 401 (k) PROFIT SHARING PLAN

Notes to Financial Statements

October 31, 2022

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (cont.)

Investment Valuation and Income Recognition

The investments in all of the funds are presented at fair value, based on the quoted market prices of the underlying securities within each fund as of October 31, 2021. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

There were no administrative expenses paid by the Company in the 2021-2022 plan year. The Company absorbed the audit expense.

Subsequent Event

Subsequent events were evaluated through April 30, 2023, the date which the financial statements were available to be issued.

Markets expect the Fed to continue raising the interest rate due to the inflation concerns. The high interest rate has been already triggered the residential housing market declines. Then the late December's weather crisis also impacted the commercial business. Effective January 1, 2023, the Plan Sponsor decided to freeze the Safe Harbor employer contribution for one year amid the declining of the plumbing business affected by the above mentioned factors.

NOTE C – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying balance sheet, as well as the general classification of such instruments pursuant to the valuation hierarchy.

NOTE C – FAIR VALUE MEASUREMENTS (cont.)

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. There are some Target-Date Fund included in the mutual funds' investment. A target-date fund is a class of mutual funds or ETFs that periodically rebalances asset class weights to optimize risk and returns for a predetermined time frame.

Common-Collective trust fund: Valued at the net asset value (NAV) of units of a bank or investment company collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Under the new ASU 2015-07, certain investment that are measured at fair value using the net asset value using the net asset value per share (or its equivalent) practical expedient will not be classified in the fair value hierarchy. The net asset value amount of Fidelity Advisor Stable Value Portfolio (a common-collective trust) presented in this table are intended to permit reconciliation of the fair value hierarchy to the amount presented in the statement of Net Assets Available for Benefit.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of October 31, 2022 and 2021.

Assets at Fair Value as of October 31, 2022

	Level 1	Level 2	Level 3	Total

The availability of observable market data is monitored to assets the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the year ended October 31, 2022 and October 31, 2021, there were no transfers in or out of Levels 2, or 3.

NOTE D – USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F – RELATED PARTY/EXEMPT PARTY-IN-INTERET TRANSACTIONS

During 2022/2021 plan year, the members of the Plan's Administrative Committee and Investment Committee serve in Fresno Plumbing and Heating Inc.'s positions as Chief Executive Officer, Chief Financial Officer and Management. They are also the participants in the plan.

The Trustees of the Plan, who are also the owners of the plan sponsor, are also participants in the Plan and, therefore qualify as parties-in-interest. The Trustees holding plan assets provide various services to the Plan and receive fees for these services and, therefore, qualify as parties-in-interest. Total fees paid to these parties-in-interest (Fidelity) totaled \$3,400 each for the years ended October 31, 2022 and 2021, respectively. According to the DOL Regulations, Baker, Chi & Parkey Accountancy Corporation, the Plan's Auditor is also defined as the parties-in-interest. Plan Sponsor absorbs the fee paid to the auditor. There is no reportable parties-in-interest transaction in 2022/2021 year.

NOTE G – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrators have elected the method of compliance permitted by 29 CFR2520.103-5 (d) of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA 1974. Accordingly, as permitted under such election, the investment assets information in the report was certified by Fidelity Management Trust Company, the Trustee of custodian of the Plan assets, as complete and accurate.

The October 31, 2021 Plan's investment was certified to be audited as the limited scope audit. The October 31, 2022 Plan's investment was certified to be audited now referred to ERISA Section 103(a)(3)(c) audit.

Total investments were \$14,200,487 and \$17,406,172 as of October 31, 2022, and 2021, respectively. Total new appreciation (depreciation), interest and dividends combined were \$(3,521.585) and \$4,141,894 for the years ended October 31, 2022, and 2021, respectively.

NOTE I – TAX STATUS

The IRS has determined and informed the company by a letter dated January 25, 2012, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The plan has not been amended since and the plan administrator and plan's tax counsel believe that the plan is designed and has been operated in compliance with the applicable provisions of the IRC.

The Cycle 3 PPA restatement of the Plan was done on March 30, 2021 to comply with IRS requirement.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE J – CHANGE OF THE PARTICIPANTS LOANS REPORTING REQUIREMENT

In September 2010, the FASB issued ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*. ASU 2010-25 changed the reporting of loans to participants. Prior to ASU 2010-25, loans to participants were reported as investments at fair value. ASU requires that loans to participants be reported as notes receivable from participants at the unpaid principal balance plus any accrued but unpaid interest. ASU 2010-25 is effective for periods ending after December 15, 2010.

NOTE J – CHANGE OF THE PARTICIPANTS LOANS REPORTING REQUIREMENT (cont.)

Statement of net assets available for benefits of Fresno Plumbing & Heating, Inc. 401 (k) Profit Sharing Plan for October 31, 2022 and October 31, 2021 follows the required format.

NOTE K – RISK AND UNCERTAINTIES

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

There are possible risks and uncertainties related to the Plan's financial statements in the current environment, e.g., the post Pandemic uncertainty affects the economic growth, the Russian-Ukraine war causes the instability of the market and the inflation triggering the interest rate hikes. The plan sponsor's plumbing business has been affected by the residential housing market declines, so the business had a major layoff started September 2022. The large distributions from the departures of the employees cause the decrease of the net asset balance at the year end.

The unusual bad weather during the 2022 winter in California also impacted the commercial side of the plumbing business with the prevailing wage labor demand subsided. The Plan sponsor decided to freeze the safe harbor employer's contribution for a year after October 31, 2022. (Subsequent event)

Although the Plan itself is not in jeopardy, the investment suffers the loss because the market declination during the plan year. Also, the potential volatility of the market triggered by the government's decision of the interest rate increase will cause the uncertainty of the Plan's function. But the Plan assets are still intact since all the investment is prudent and held by a reputable national investment custodian also is monitored by a local investment advisor with the expertise.

NOTE L – INVESTMENT CONTRACT WITH INSURANCE COMPANY

NOTE L – INVESTMENT CONTRACT WITH INSURANCE COMPANY (cont.)

The FA Stable Value Portfolio invests in investment contracts issued by insurance companies and other financial institutions (“Wraps”), fixed income securities, and money market funds. Wraps are designed to permit the use of book value accounting to maintain a constant \$1 NAV. Wraps are purchased in conjunction with an investment by the FA Stable Value Portfolio in fixed income securities. These securities may include, but are not limited to, U. S. Treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and bond funds. Through the use of book value accounting, there is no immediate recognition of investment gains and losses on the FA Stable Value Portfolio’s securities.

Instead, gains and losses are recognized over time by adjusting the interest rate credited to the FA Stable Value Portfolio under the Wraps. The Wraps provide for the payment of participant-directed withdrawals and exchanges at book value (principal and interest accrued to date) during the term of the Wraps. In order to maintain the Wrap issuers’, promise to pay ongoing contractual commitments on the FA Stable Value Portfolio as well as the plans invested in the FA Stable Value Portfolio. Withdrawals from the FA Stable Value Portfolio are subject to certain restrictions.

Plan sponsor-directed withdrawals may be required to be preceded by 12 months written notice. Although the FA Stable Value Portfolio seeks to maintain a stable \$1 NAV, it is possible to lose money by investing in the FA Stable Value Portfolio. The FA Stable Value Portfolio’s yield will fluctuate.

According to ASU 2015-07, the investment that uses the “practical expedient” can be removed from the hierarchy table. This would apply to the Fidelity advisor stable value portfolio using net asset value (NAV) to measure the fair value. The following is some information needs to be disclosed regarding the fund.

Unfunded commitments:

There were no unfunded commitments on the Fidelity advisor stable value portfolio as of October 31, 2022.

Redemption frequency:

Participant level transactions (like a withdrawal) take place daily – typically the liquidation would be requested on one day and processed the next business day.
