## **INDEPENDENT AUDITORS' REPORT**

Plan Administrator and Participants  
A Plus Consulting, Inc. 401(K) Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of A Plus Consulting, Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for plan benefits (liquidation basis) as of September 30, 2022, and the related statement of changes in net assets available for plan benefits (liquidation basis) for the nine months then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of A Plus Consulting, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2022 and for the nine months then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined to meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A Plus Consulting, Inc. 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting***

As further discussed in Note 1 to the financial statements, management of A Plus Consulting, Inc., the plan's sponsor, voted on May 31, 2022 to terminate the plan, effective June 30, 2022, and management determined liquidation is imminent. As a result, A Plus Consulting, Inc. 401(K) Plan used the liquidation basis of accounting to present the financial statements. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements and are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants and to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the A Plus Consulting, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## A PLUS CONSULTING, INC. 401(K) PLAN

Notes to Financial Statements  
September 30, 2022

### 1. Description of Plan

The following description of the A Plus Consulting, Inc. 401(K) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan was established on January 1, 2004 and is a salary reduction plan pursuant to Section 401(K) of the Internal Revenue Code. It covers substantially all employees of A Plus Consulting, Inc. (the Company). The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Termination of plan

As a result of continued operating expenses, the Sponsor determined it was in the best interests of the Company to dissolve and wind up operations of the Plan and approved a plan of liquidation effective June 30, 2022. As of September 30, 2022, all account balances were distributed from the Plan in accordance with the terms of the Plan.

#### Participation

Each employee of the Company shall be entitled to make his or her own contributions (elective deferrals) to the Plan. Participants may enter the Plan upon start of employment at the Company.

#### Contributions

Participants may elect to defer a portion of their salary into the Plan as qualified pre-tax contribution or as an elective after-tax Roth contribution at their own discretion. The maximum contribution each participant may make in each year is subject to federal limits.

During 2022, qualified pre-tax contributions totaled \$54,764 and elective after-tax Roth contributions totaled \$3,487.

The Company may also decide each plan year to make a discretionary profit sharing contribution (non-elective contribution) on behalf of the eligible participants as determined annually by the Board of Directors. Such contributions shall be allocated to eligible participants in the ratio that each participant's compensation bears to the total compensation paid to all eligible participants within the specified classification for the plan year. There is no age and/or service required to be eligible for all contribution types. During the nine months ended September 30, 2022, the Company made no discretionary profit sharing contributions.

The Company may also contribute an amount which it designates as a qualified discretionary contribution (qualified non-elective contribution). This contribution may be included in the actual deferral percentage test or the actual contribution percentage test. During the nine months ended September 30, 2022, the Company made no qualified discretionary contributions.

## A PLUS CONSULTING, INC. 401(K) PLAN

Notes to Financial Statements  
September 30, 2022

### 1. Description of Plan (Continued)

#### Contributions (Continued)

In addition, participants may transfer funds from other qualified plans with the consent of the plan administrator. During the nine months ended September 30, 2022, rollover contributions totaled \$19,349.

#### Participant accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution(s) and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants' vested account.

#### Vesting

Participants are immediately 100% vested in their elective deferrals as well as earnings thereon. Vesting in the employer contributions is based on years of continuous service.

Vesting on these contribution types is determined in accordance with the following schedule:

<u>Years of Service</u> <u>(1,000 or More Hours</u> <u>of Service in a Plan Year)</u>	<u>Vesting</u> <u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant is 100% vested if the following occurs while the participant is an employee: death or disability.

#### Payment of benefits

Upon termination of service due to death, disability, termination or retirement, the entire account balance, if less than \$5,000, will be distributed in the form of a lump-sum payment. If the account balance is greater than \$5,000, the participant may choose a lump-sum distribution or to receive required minimum distributions as permitted under the Internal Revenue Code.

The plan permits participants who have attained the age of 59½ and are still employed by the Company to obtain distributions from their vested accounts.

**1. Description of Plan (Continued)**

Forfeited accounts

Forfeitures arising under the Plan may, at the Company's discretion, be used for payment of the Plan's administrative expenses or to reduce the Plan sponsor's contributions, subject in some cases to a five-year suspension for a break in service. There was no forfeiture activity for the nine months ended September 30, 2022. As of September 30, 2022, there were no forfeitures available for use.

Notes receivable from participants

The Plan allows participants to borrow funds from their accounts. Loans must be a minimum of \$1,000 and may not exceed the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participants' accounts. Each loan shall bear interest at the prime rate plus 2%. The prime rate of interest was 6.25% at September 30, 2022. Repayments of principal and interest are made through payroll withholding or checks. At any time, no more than two loans may be outstanding from the Plan to a participant.

Administrative expenses

Record keeping, tax filing, and loan origination costs are paid by the Plan. The plan sponsor has elected to pay the audit fees of the Plan. Investment commissions are paid from the Plan's assets and are charged directly to the related investment earnings in the year incurred. For 2022, administrative expenses consisted of the following:

	<u>2022</u>
Total administrative expenses	\$ 7,349
Less: Expenses paid by plan sponsor	<u>239</u>
	Financ <u>\$ 7,110</u>

**2. Summary of Significant Accounting Policies**

Basis of accounting

The accompanying financial statements have been prepared on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) and present the net assets available for plan benefits and changes in those net assets.

### 2. Summary of Significant Accounting Policies (Continued)

#### Basis of accounting (Continued)

The liquidation basis of accounting is required when liquidation is deemed imminent. Under the liquidation of accounting, assets are measured and presented at their net realizable values, which is the amount expected to be collected in the settling or disposing of the assets. Estimates for future costs expected to be incurred during the liquidation period have been recorded. In addition, any income expected to be earned and collected on investments and any employer contributions expected during the liquidation period have been recorded.

#### Revenue recognition

Purchases and sales of securities are recorded on the trade date basis. Interest and dividends are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Use of estimates

The preparation of financial statements in accordance with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### Payment of benefits

Benefits are recorded when paid.

#### Notes receivable from participants

Loans to participants are reported at their unpaid balances plus any accrued but unpaid interest.

#### Income taxes

The Plan evaluates income tax positions for uncertainty to determine any tax positions that may not be fully sustained upon examination by taxing authorities, despite the belief that the underlying tax positions are fully supportable. Tax positions are reviewed on an ongoing basis and are analyzed in light of changing facts and circumstances, including progress of tax audits, developments in case law, and closing of statute of limitations. The Plan administrator has determined that the Plan has no uncertain tax positions. The Plan is no longer subject to examinations by the applicable taxing jurisdictions for periods prior to December 31, 2019.

#### Plan management's review of subsequent events

The Plan administrator evaluated events occurring between September 30, 2022 and June 30, 2023, the date the financial statements were available to be issued.

### **3. Information Certified by the Trustees**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide Financial Services, the custodians of the Plan, have certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits and the schedule of assets held for investment purposes and the related investment activity reflected in the statements of changes in net assets available for plan benefits.

### **4. Related Party Transactions**

The Plan was invested in funds managed by affiliates of Nationwide Financial Services. Nationwide Financial Services acted as the custodian for all of the investments as defined by the Plan. Transactions in such investments qualified as party-in-interest transactions, which were exempt from prohibited transaction rules. Administrative fees paid to Nationwide Financial Services amounted to \$4,696 for the nine months ended September 30, 2022.

### **5. Tax Status**

The Plan obtained its latest determination letter on December 31, 2018 in which the Internal Revenue Service stated that the Plan and related trust, as then designed, was in compliance with the applicable provisions of the Internal Revenue Code (IRC). The Plan has been amended since receiving this determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and is tax-exempt as of the financial statement date.
