INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Sukup Manufacturing Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Sukup Manufacturing Company 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 7, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and the content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SUKUP MANUFACTURING COMPANY 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE 1 — PLAN DESCRIPTION

The following description of the Sukup Manufacturing Company 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of Sukup Manufacturing Co. (the Company). The Plan allows Company employees age 19 or older to be eligible for elective deferrals upon the first of the month following the employee working three months for the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and has been amended to comply with the requirements of subsequent revenue acts.

Plan Administration

The Company has contracted Bankers Trust Company (BTC) to hold the Plan's assets, execute investment transactions, perform allocations of contributions and investment earnings, and make benefit payments.

Employer Contributions

The Plan currently provides that the Company may make matching and/or profit sharing contributions to the Plan as they deem advisable, irrespective of whether the Company has net profits. The Company contributed 10% of eligible participant compensation for the years ended September 30, 2022 and 2021.

Participant Contributions

Participants are allowed to contribute a share of their compensation, as defined in the Plan, up to the maximum amount allowed by ERISA and the Internal Revenue Code (IRC). Employees who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions as allowed by the IRC. The Plan allows an eligible employee to transfer funds from another qualified plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, an allocation of the Company's discretionary profit sharing contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
September 30, 2022 and 2021

NOTE 1 — PLAN DESCRIPTION (Continued)

Vesting

Participants are vested immediately in their salary deferral contributions plus earnings thereon. Company contributions plus earnings thereon vest over six years of service: 20% after two years, 40% after three years, 60% after four years, 80% after five years, and 100% after six years. Upon death, permanent disability or normal retirement at the age of 65, a participant's account becomes fully vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of the participant's vested account balances, whichever is less. A loan for any purpose other than the purchase of a primary residence must be repaid over a period of not more than five years. The loans are secured by the participant's account balance and bear interest at market rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service, death, disability, or retirement, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals of a participant's entire vested account balance is available upon reaching the age of 65. If a terminated participant's accrued benefit is less than \$5,000, the vested account balance will be automatically deposited in an individual retirement account designated by the administrator.

Forfeited Accounts

Forfeitures may be utilized by the Company to offset employer contributions or to reduce Plan expenses. During the years ended September 30, 2022 and 2021, \$54,165 and \$37,658, respectively, of forfeiture were utilized to reduce Plan expenses. At September 30, 2022 and 2021, forfeited non-vested accounts totaled \$22,927 and \$7,088, respectively.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan administrator to make certain estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

SUKUP MANUFACTURING COMPANY 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
September 30, 2022 and 2021

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value as reported to the Plan by BTC. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statements of changes in net assets available for benefits as administrative expenses. Other expenses related to the Plan are paid by the Company and excluded from the Plan's financial statements. Certain investment-related expenses are included within net appreciation (depreciation) in fair value of investments.

NOTES TO FINANCIAL STATEMENTS
September 30, 2022 and 2021

NOTE 3 — INFORMATION CERTIFIED BY BANKERS TRUST COMPANY

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, BTC has certified that the following data included in the accompanying financial statements and supplementary schedules as of and for the years ended September 30, 2022 and 2021 is complete and accurate:

	<u>2022</u>	<u>2021</u>
Cash	\$ -	\$ 9,527
Investments, at fair value	48,135,128	58,171,424
Notes receivables from participants	807,202	605,492
Due to Bankers Trust Company for investments purchased	83,034	-
Investment income:		
Dividends	\$ 348,394	\$ 234,714
Net appreciation (depreciation) in fair value of investments	(10,067,218)	9,801,764
Interest on notes receivables from participants	23,909	21,002

NOTE 4 — FAIR VALUE MEASUREMENTS

GAAP establishes a three-tier fair value hierarchy, which categorizes the inputs used in measuring fair value. These categories include (in descending order of priority):

Level 1, defined as unadjusted quoted prices in active markets accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2, defined as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means; and

Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the methodologies used at September 30, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS
September 30, 2022 and 2021

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methods used for assets measured at fair value:

Mutual funds – The fair value of investments in mutual funds are valued at the quoted prices of identical shares at year-end as stated on the applicable national exchange.

Common trust funds – The fair value of units are valued at net asset value, determined using available market information of the underlying securities including quoted prices for identical or similar securities in active or nonactive markets, similar to a mutual fund. These redemption values are the values at which a participant would transact on a daily basis. There are no restrictions on the ability to transact with the funds at net asset value.

The tables below present the Plan's assets that are measured at fair value on a recurring basis as of September 30, 2022 and 2021, respectively, aggregated by the level in the fair value hierarchy within which those measurements fall:

Description	Assets at fair value as of September 30, 2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 20,588,275	\$ 20,588,275	\$ -	\$ -
Common trust funds	<u>27,546,853</u>	<u>-</u>	<u>27,546,853</u>	<u>-</u>
Investments, at fair value	<u>\$48,135,128</u>	<u>\$20,588,275</u>	<u>\$27,546,853</u>	<u>\$ -</u>

Description	Assets at fair value as of September 30, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 21,850,339	\$ 21,850,339	\$ -	\$ -
Common trust funds	<u>36,321,085</u>	<u>-</u>	<u>36,321,085</u>	<u>-</u>
Investments, at fair value	<u>\$58,171,424</u>	<u>\$21,850,339</u>	<u>\$36,321,085</u>	<u>\$ -</u>

NOTE 5 — PARTY-IN-INTEREST TRANSACTIONS

The Plan contracts with BTC to serve as its trustee. The Plan also invests a portion of its assets in funds maintained by BTC and, therefore, these transactions qualify as party-in-interest transactions. For such responsibilities, BTC receives fees at customary and reasonable rates as provided in the Plan. The fees paid by the Plan for the investment management services were \$297,038 and \$269,446 for the years ended September 30, 2022 and 2021, respectively. As of September 30, 2022 the Plan owed BTC \$83,034 for investments purchased.

NOTE 6 — PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time, subject to the provisions set forth in ERISA. Should the Plan be terminated at some future time, all participants become 100% vested in their participant accounts as of the termination date.

SUKUP MANUFACTURING COMPANY 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
September 30, 2022 and 2021

NOTE 7 — INCOME TAXES

The Plan was created from a prototype plan developed by BTC. The Internal Revenue Services (IRS) has issued an opinion letter, dated March 31, 2014, that the prototype plan is qualified, and the trust established under the Plan is tax-exempt under Section 401(a) of the IRC. The Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC under the prototype.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that "more-likely-than-not" would not be sustained upon examination by the IRS. Plan management has not identified any uncertain tax positions as of September 30, 2022 and 2021.

NOTE 8 — SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through July 10, 2023, the date the financial statements were available to be issued.
