INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
DMLO 401(k) Retirement Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of the DMLO 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company (Reliance) as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

INDEPENDENT AUDITORS' REPORT (Continued)

- The information in the accompanying 2022 financial statements related to assets held by and certified to by Reliance agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITORS' REPORT (Continued)

Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4i - Schedule of Assets Held (At End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the

INDEPENDENT AUDITORS' REPORT (Continued)

financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by Reliance agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the financial statements of the Plan from October 1, 2020 through September 30, 2021 (2021 financial statements). As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Reliance. In our report dated June 30, 2022 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended September 30, 2022 and 2021**

NOTE A – DESCRIPTION OF PLAN

The following description of the DMLO 401(k) Retirement Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Deming, Malone, Livesay & Ostroff, P.S.C. (the Company, the Plan Administrator) for the benefit of its eligible employees who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is intended to qualify under the applicable sections of the Internal Revenue Code of 1986, as amended. On October 1, 2020, the Plan was amended to allow employees of Melhiser Endres Tucker CPA's, P.C. (MET) to participate in the Plan. In March 2021, a formal resolution was done to accept assets from these employees into the Plan. Approximately \$4,818,944 was transferred into the Plan in June 2021. On October 1, 2022, the Plan was amended to change the plan year end to a calendar year end.

Contributions

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, provided the contribution does not exceed limits established by law. Participant elective deferral contributions will be pre-tax elective deferral contributions unless all or a portion is designated as Roth elective deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of their contributions, as well as the Employer's contributions, into various investment options offered by the Plan. The Company offers safe harbor nonelective and discretionary profit-sharing contributions. In order to be eligible to receive safe harbor contributions and profit-sharing contributions, employees must be age 21 or older and complete one year of service (1,000 hours). In addition, employees must be employed on the last day of the Plan year and work at least 1,000 hours during the Plan year in order to be allocated discretionary profit-sharing contributions. Safe harbor contributions are made at 3% of eligible compensation. Discretionary profit-sharing contributions are determined annually. The Plan includes an auto-enrollment provision whereby all newly eligible participants who do not make an affirmative election are automatically enrolled in the Plan at 5% contributions on a pre-tax basis.

Participants' Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended September 30, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions and safe-harbor nonelective contributions, plus actual earnings thereon. For employer profit sharing contributions, the vesting schedule is 20% after 2 years of service, 40% after 3 years of service, 60% after 4 years of service, 80% after 5 years of service and 100% after 6 years of service.

Notes Receivable from Participants

Loans to Participants are not permitted by the Plan. The MET employees who merged into the Plan were allowed to roll their loans into the Plan and to continue making payments on those loans, however there were no outstanding balances as of September 30, 2022 or 2021.

Payment of Benefits

Upon termination of service, retirement, disability or death, a participant (or his or her beneficiary) may elect to receive the vested portion of his or her account as a lump sum payment, installment payments or other means as defined by the Plan. In addition, participants may elect in-service distributions once age 59 ½ is attained or for undue financial hardship, as defined by the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported additions to and reductions from net assets. Actual results could vary from estimates used.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of the fair value measurements.

DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended September 30, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants or distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Income Taxes

Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Subsequent Events

The Plan Administrator has evaluated subsequent events through July 11, 2023, which is the date the financial statements were available to be issued.

NOTE C – INFORMATION CERTIFIED BY RELIANCE

The following is a summary of the investment information as of and for the years ended September 30, 2022 and 2021 included throughout the Plan's financial statements and supplemental schedules that were prepared by or derived from information provided by Reliance Trust Company (Reliance), the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from Reliance that information provided to the Plan Administrator by Empower Retirement, on behalf of Reliance, related to the following investments is complete and accurate.

DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended September 30, 2022 and 2021

NOTE C – INFORMATION CERTIFIED BY RELIANCE (Continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets as of September 30,:

	2022	2021
Investments at Fair Value – Mutual Funds	\$ 16,616,947	\$ 20,802,149
Investments at Contract Value – General Account	240,808	662,033
Money Market Funds	21,471	9,272
	<u>\$ 16,879,226</u>	<u>\$ 21,473,454</u>

Reliance also certified to the completeness and accuracy of \$(4,721,750) and \$2,352,891 of net depreciation and appreciation in the fair value of investments and \$892,129 and \$409,088 of dividends, to the aforementioned assets for the years ended September 30, 2022 and 2021, respectively.

The following is a reconciliation between the certified amount of net (depreciation) appreciation in the fair value of investments and the amounts recorded in the financial statements for the years ended September 30,:

	2022	2021
Net (Depreciation) Appreciation in Fair Value of Investments per the financial statements	\$(4,741,010)	\$2,334,670
Offsets received from Mass Mutual	19,200	18,300
Reclassifications and Other Items	60	(79)
Net (Depreciation) Appreciation in Fair Value of Investments certified by Reliance	<u>\$(4,721,750)</u>	<u>\$2,352,891</u>

NOTE D – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended September 30, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

Mutual Funds, Money Market Funds – Based on quoted net asset values of the shares held by the Plan at year-end.

Interest Bearing Cash – Valued at cost plus accrued interest which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended September 30, 2022 and 2021

NOTE D – FAIR VALUE MEASUREMENTS (Continued)

Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$16,616,947	\$ -	\$ -	\$ 16,616,947
Money Market Funds	21,471	-	-	21,471
Interest Bearing Cash	450,089	-	-	450,089
Total assets at fair value	<u>\$17,088,507</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,088,507</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$20,802,149	\$ -	\$ -	\$ 20,802,149
Money Market Funds	9,272	-	-	9,272
Interest Bearing Cash	361,542	-	-	361,542
Total assets at fair value	<u>\$21,172,963</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,172,963</u>

NOTE E – FULLY BENEFIT-RESPONSIVE CONTRACT

The Plan holds a group annuity investment contract in the MassMutual Separate Account Guaranteed Interest Contract (SAGIC) Core Bond II that is fully benefit-responsive and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The SAGIC is a stable value fund providing a stated fixed rate of return, generated from performance of short-term bond portfolios, that insulate the account from daily fluctuations in the bond market.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) termination notice by the Company, (ii) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (iii) notice of termination by MassMutual on the anniversary date; (iv) a breach of contract by the Plan; or (v) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

DMLO 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)
Years Ended September 30, 2022 and 2021

NOTE F – TAX STATUS

The Plan adopted a pre-approved plan document sponsored by Retirement Management Services, LLC. The pre-approved plan document has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020 as to the pre-approved plan documents' qualified status. The pre-approved plan's opinion letter has been relied upon by this Plan. Although the Plan has amended the volume submitter plan document, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes that the Plan is no longer subject to income tax examinations for periods prior to September 30, 2019.

NOTE G – PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

Certain plan assets are or were held in investment options managed by Reliance. Reliance is the current trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.
