INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Treasure Coast Community Health, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Treasure Coast Community Health, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, part IV line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Treasure Coast Community Health, Inc. 403(b) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. In their report dated October 14, 2021, they indicated that (a) because of the significance of the information that we did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Treasure Coast Community Health, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of Treasure Coast Community Health, Inc. 403(b) Plan (the "Plan") is provided for general information purposes. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted effective January 1, 2007, and most recently restated December 1, 2021, and is sponsored by Treasure Coast Community Health, Inc. (the "Organization"). The Plan is a defined contribution plan covering all employees of the Organization who have met the eligibility requirements as defined by the Plan. The Plan provides retirement and death benefits to eligible participants. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Employees are eligible to participate in the Plan except for those who are non-resident aliens and who are eligible to make salary reduction contributions to another plan of the Organization described in Section 403(b) of the Internal Revenue Code ("IRC"). Eligible employees are allowed to participate upon date of hire. Employees must have three months of service, as defined by the Plan, to participate in the employer discretionary contributions.

Participant Contributions

Participants may contribute up to 100% of annual compensation limited by the maximum amount allowable by law. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

The Plan includes an auto-enrollment provision whereby all new employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in an investment arrangement selected for this purpose by the Plan administrator until changed by the participant. There is no provision for automatic deferral increases each year. Catch-up contributions are permitted for those participants over age 50 and up to \$6,500. The Plan allows for Roth contributions.

Employer Contributions

The Organization may make a discretionary matching contribution, as defined by the Plan, to each contributing participant who is a non-highly compensated employee and has completed three consecutive months of service. For the year ending December 31, 2021, the Organization declared a discretionary matching contribution of up to 3% of a participant's eligible compensation. The Organization's discretionary matching contribution, calculated per payroll period, for the year ending December 31, 2021 was approximately \$305,000.

Investment Options

Participants direct their investment of their contributions and employer contributions into the investment options offered by the Plan. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Organization's contributions and an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements
December 31, 2021 and 2020

Vesting

Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. The Organization's contributions begin vesting on a graduated scale and the participant becomes fully vested in the account balances after five years of continuous service.

Forfeitures

Non-vested amounts forfeited by participants are retained in the Plan and may be used to reduce future employer contributions. The balance of non-vested unallocated forfeitures as of December 31, 2021 and 2020 was \$43 and \$1,815, respectively.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account. A participant may also elect a direct rollover to a qualifying plan. Participants reaching age 70½ receive required minimum distributions from their accounts on an installment basis. Account balances that are \$5,000 or less will automatically be distributed upon severance of employment. The Plan also allows for in-service and hardship withdrawals as defined in the Plan document. Participant loans are not permitted by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value consists of the net realized gains or losses on investments sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

It is the policy of the Company to pay substantially all of the noninvestment administrative expenses incurred by the Plan.

Treasure Coast Community Health, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Subsequent Events

Plan management has evaluated events and transactions for potential recognition or disclosure in the financial statements through June 16, 2023, the date the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustments to or disclosure in the financial statements.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Reliance Trust Company (the current custodian) and Ascensus Trust Company (the former custodian), the Plan custodians, except for comparing such information with the information reported in the financial statements. Based on the information provided and certified by the custodians, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2021 and 2020. Accordingly, the custodians of the Plan assets have certified to the completeness and accuracy of:

- Investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, as well as the supplemental schedule of assets (held at end of year) as of December 31, 2021.
- Net appreciation in fair value of investments and interest and dividends reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021 and 2020.

4. FAIR VALUE MEASUREMENTS

The *Fair Value Measurement* topic of the FASB ASC establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the *Fair Value Measurement* topic are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Treasure Coast Community Health, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,753,350	\$ -	\$ -	\$ 6,753,350
2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,712,239	\$ -	\$ -	\$ 4,712,239

5. FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan is invested in a stable asset fund determined to be fully benefit-responsive with Standard Insurance Company. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan with no conditions, limits, or restrictions. The stable asset fund provides Plan participants with a guaranteed return on principal, along with a competitive crediting interest rate. The interest rate is declared in advance and is reset quarterly. Principal and interest are guaranteed by Standard Insurance. The guaranteed interest rate per contract is 3%.

6. TAX STATUS

The Plan adopted a volume submitter 403(b) plan which the Internal Revenue Service determined and informed the sponsoring organization by a letter dated June 30, 2020, that the volume submitter plan is designed in compliance with applicable sections of the Internal Revenue Code ("IRC"), and that employers adopting the volume submitter plan could rely on such determination. Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Treasure Coast Community Health, Inc. 403(b) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Plan management has evaluated tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. On April 17, 2023, the Plan received a notice of late or incomplete Form 5500 filing penalty from the Internal Revenue Service (IRS). Plan management is currently working with the IRS on abating the penalty. Except for the penalty notice, the Plan administrator has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties accrued or paid for the periods presented in these financial statements.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all employer contributions.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments were held and managed by the custodians. Certain investment transactions and balances are considered to be transactions with a party-in-interest. Fees paid by the Plan to the custodians of \$28,772 for the year ended December 31, 2021, are considered to be party-in-interest transactions.

9. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which are exposed to various risks such as interest rate, overall market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
