INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator and Fiduciary Committee of
Plan de Ahorros Empleados Island Finance

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Plan de Ahorros Empleados Island Finance, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan de Ahorros Empleados Island Finance's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
ASSURANCE | TAX | CONSULTING

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plan de Ahorros Empleados Island Finance and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan de Ahorros Empleados Island Finance's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plan de Ahorros Empleados Island Finance's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan de Ahorros Empleados Island Finance's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

PLAN DE AHORROS EMPLEADOS ISLAND FINANCE

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

1) Plan description:

The following description of Plan de Ahorros Empleados Island Finance (the "Plan") provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

- A) General – The Plan is a defined contribution Plan with cash or deferred profit sharing, which provides retirement benefits to participating employees of Island Finance, LLC (the "Employer") and its subsidiaries.

The Fiduciary Committee (the "Administrator") administers the Plan. The Plan qualifies under section 1081.01 of the Puerto Rico Internal Revenue Code (the "Code") and is subject to the provisions of the Employee Income Security Act of 1974 ("ERISA"). Empower Retirement, LLC ("Empower")¹ is the custodian of the Plan and Oriental Trust, the trustee.

- B) Contributions – The Plan provides for contributions to be made by the Employer and by participants as follows:

- i) Employee pre-tax contributions – Pre-tax contributions were limited to \$15,000 for the year ended December 31, 2022.
- ii) Employee after-tax contributions – Voluntary after-tax contributions may not exceed 10% of the aggregate compensation for all years since becoming a participant in the Plan.
- iii) Rollover contributions – Rollover contributions are permitted.
- iv) Matching contributions – During the year ended December 31, 2022, the Employer, based on a discretionary percentage of the participant's compensation, shall determine a matching contribution equal to \$0.50 per \$1.00 of participant's deferral contribution, not to exceed a 4%. The percentage determined by the Employer should be on a uniform basis for all participants. Matching contributions shall be made only if current or accumulated profits are sufficient to make such a contribution. The true-up matching contribution is limited to active employees as of the end of the Plan year.
- v) Catch-up contributions – Participants who will attain age 50 at any time during the Plan year and who have elected to make the maximum allowable deferral contribution, may elect to make additional before-tax contributions per Plan year of up to \$1,500 for the year ended December 31, 2022.

For the year ended December 31, 2022, total annual contributions made by the Employer and participants are limited to the lesser of \$61,000 or the total compensation paid by the Employer to the participant during the Plan year, as provided in the Code, Section 1081.01 (a)(11)(B)(i).

- C) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect participant and employer contributions as well as the participants' share of the Plan's income and any related expenses. Allocations are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested accounts.
- D) Investment options – The participants' contributions are allocated to the various investment options offered by the Plan as directed by participants.

¹Empower includes a group of affiliated entities, including Empower Annuity Insurance Company of America, previously known as Great-West Life & Annuity Insurance Company; Empower Life & Annuity Insurance Company of New York (the recordkeeper), previously known as Great-West Life & Annuity Insurance Company of New York; Empower Trust Company, LLC (the custodian), previously known as Great-West Trust Company, LLC; Empower Advisory Group, LLC previously known as Advised Asset Group, LLC; Empower Capital Management, LLC, previously known as Great-West Capital Management, LLC and Empower Financial Services, Inc, previously known as GWFS Equities, Inc.

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

- E) Eligibility – Employees are eligible to participate in the Plan upon completion of six (6) months of service. Notwithstanding the above, any eligible employee employed on or after January 1, 2018, will become a participant on the next payroll date following the date on which he or she completes thirty (30) days of service. Once eligible to participate in the Plan, the participant will be automatically enrolled at a before tax rate of 2% unless a different deferral amount is elected or the participant elects to opt out from the automatic enrollment.
- F) Vesting – Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Vesting in the employer's contributions portion plus earnings thereon is based on years of continuous service. During the year ended December 31, 2022, the vesting period is as follows:

<u>Years of Service</u>	<u>Vesting Percentage for the year ended December 31, 2022</u>
Less than 1 year	0%
At least one (1) year but less than two (2)	25%
At least two (2) years but less than three (3)	50%
At least three (3) years but less than four (4)	75%
Four (4) or more years	100%

- G) Retirement dates – A participant will be fully vested in his account at all times after reaching the normal, early or late retirement date.
- H) Payment of benefits – The distribution of benefits to which a participant or beneficiary may become entitled to in case of retirement, disability or termination of employment shall be distributed under whichever of the following methods the participant or beneficiary shall elect:
- One lump sum payment;
 - Installment payments for a certain period or amount not to exceed the life expectancy of the participant and his designated beneficiary. The installment payment option will only be available in the case of a participant that has attained the age of 55 years and 4 years of service or that terminated employment due to disability.
- I) Hardship withdrawals – A participant, while an employee, may withdraw all or any portion of the amount allocated to his elective deferral contributions account (including catch-up contributions), excluding earnings, in case of a financial hardship.
- J) Forfeited accounts – As of December 31, 2022 and 2021, forfeitures of non-vested accounts amounted to approximately \$52,000 and \$44,000, respectively. These accounts will be used to reduce future employer contributions and pay administrative expenses.
- K) Notes receivable from participants – Under the terms of the Plan, participants may borrow up to the lesser of \$50,000 or 50% of the eligible vested account balance with a minimum loan amount of \$1,000 and treated as a transfer to (from) the investment fund from (to) the participant account. The notes are payable over a period not to exceed 5 years, or 10 years if used for the purchase of a residence. The note is secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

2) Summary of significant accounting policies:

The most significant accounting policies followed by the Plan are summarized below:

- A) Basis of accounting – The accompanying financial statements are prepared on the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.
- C) Investment valuation and income recognition – Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction. See Note 4 for discussion of fair value measurements.

For investments in mutual funds that are registered with the Securities and Exchange Commission, fair value is determined using net asset values ("NAV"). The NAV per share of the registered investment companies is published daily and is calculated by each fund based on the market value of the underlying securities within each fund. The reported values for fully benefit-responsive investment contracts are reported at contract value.

The net appreciation (depreciation) in fair value of investments, including realized gains or losses and net change in unrealized gains or losses, is reflected in the statement of changes in net assets available for benefits. Realized gains or losses on the disposal of investments are determined by specific identification and recognized on a trade date basis. Purchases and sales are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

- D) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when earned. As of December 31, 2022 and 2021, interest rate on outstanding loans ranges from 5.25% to 7.00%. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.
- E) Contributions – Participant contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- F) Payment of benefits – Benefit payments to participants are recorded when paid.
- G) Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from the accompanying financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are presented as administrative expenses. Investment related expenses are included in net appreciation (depreciation) of investments.

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

3) Information certified by Empower:

The Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, was prepared by, or derived from, information provided by the custodian furnished to the Plan Administrator.

The Plan Administrator has obtained a certification from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information, which appears throughout the financial statements and supplemental schedule related to the following assets:

Description	December 31,	
	2022	2021
Mutual funds	\$ 6,331,831	\$ 8,157,164
Group annuity contract	\$ 2,759,815	\$ 2,734,059
Notes receivable from participants	\$ 65,498	\$ 62,385

Empower also certified the completeness and accuracy of \$2,132,999 of net depreciation on investments stated at fair value, \$341,259 of interest and dividends related to the aforementioned assets and interest income of \$4,220 on notes receivable from participants for the year ended December 31, 2022.

4) Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The valuation techniques are based upon observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

These two types of inputs create the following fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PLAN DE AHORROS EMPLEADOS ISLAND FINANCE

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

As of December 31, 2022 and 2021, investments held by the Plan in mutual funds are registered with the Securities and Exchange Commission, all of which are considered Level 1 type investments within the fair value hierarchy.

5) Group annuity contract:

The Plan entered into a Group Annuity Contract with Empower, through a Key Guaranteed Portfolio Fund, a general account product of Empower that meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The contract value, as reported to the Plan by Empower represents (a) contributions made under the contract plus earnings; less (b) the sum of any amounts distributed and administrative fees.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest credit rate is reset quarterly.

There is no guaranteed interest rate under this contract; however, such rate will never be less than 0%. The actual average yield earned by the Plan at December 31, 2022 and 2021 was 1.05% and 1.15%, respectively.

6) Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

Description	2022	2021
Net assets available for benefits per financial statements	\$ 9,157,144	\$ 10,953,608
Amounts allocated for deemed distributed participant loans	(17,350)	(17,813)

The following is a reconciliation of changes in net assets available for benefits for the year ended December 31, 2022, per the financial statements to Form 5500:

PLAN DE AHORROS EMPLEADOS ISLAND FINANCE

NOTES TO FINANCIAL STATEMENTS December 31, 2022 and 2021

7) Tax status:

The Plan is intended to be a tax qualified arrangement that complies with the provisions of the Employee Retirement Income Security Act of 1974, as amended, and with the Puerto Rico Internal Revenue Code ("PRIRC") of 2011, as amended. The latest determination letter received from the Puerto Rico Treasury Department was dated January 13, 2021, covering amendments up to January 1, 2020.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that as of December 31, 2022 and 2021, the Plan had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustment or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements.

8) Risk and uncertainties:

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying financial statements.

9) Party-in-interest transactions:

The Employer, Oriental Trust, Empower Advisory Group, LLC, the Plan's investment manager, Cetera Advisor Networks LLC, the Plan's broker and advisor and Pension Plus, Inc., the Plan's contract administrator are parties-in-interest as defined by ERISA. There were no prohibited party-in-interest transactions during the years ended December 31, 2022, and 2021.

10) Plan termination:

Although it has not expressed any intent to do so, the Employer has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested and non-forfeitable in their accounts.

11) Subsequent events:

The Plan Administrator has evaluated subsequent events through July 7, 2023, the date on which the financial statements were available to be issued.
