## INDEPENDENT AUDITOR'S REPORT

July 11, 2023

To the Board of Directors of  
Rensselaer County Chapter NYSARC, Inc. Pension Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rensselaer County Chapter NYSARC, Inc. Pension Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 13, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period January 1, 2022 through September 13, 2022, and for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Rensselaer County Chapter NYSARC, Inc. Pension Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the period ended September 13, 2022, and as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rensselaer County Chapter NYSARC, Inc. Pension Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rensselaer County Chapter NYSARC, Inc. Pension Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Auditor's Responsibilities for the Audit of the Financial Statements (Continued)**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rensselaer County Chapter NYSARC, Inc. Pension Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rensselaer County Chapter NYSARC, Inc. Pension Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of September 13, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS SEPTEMBER 13, 2022, AND DECEMBER 31, 2021

---

### 1. THE PLAN

The following description of the Rensselaer County Chapter NYSARC, Inc. Pension Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution 401(k) Plan established for employees of Rensselaer County Chapter NYSARC, Inc. (the "Agency" or "Plan Sponsor"). The Plan is administered by management of the Agency and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In July 2020, The Arc New York Board of Governors approved a resolution to create a single retirement plan for all NYSARC Chapters called "The Arc New York Affiliated Employers 401(k) Plan" ("NYSARC Plan"). As a result, nearly all assets of the Rensselaer County Chapter NYSARC, Inc. Plan were transferred to the NYSARC Plan on September 13, 2022. The total liquidated and transferred net assets amounted to \$10,965,782. The remaining assets of the Plan transferred to the NYSARC Plan on September 14, 2022.

#### **Administration**

The Company is the Plan Sponsor and is responsible for administration of the Plan. Empower Life & Annuity Insurance Company of New York and Empower Trust Company LLC ("Empower") were the custodians and recordkeepers for the Plan.

#### **Eligibility**

All employees are eligible to begin salary deferrals on the first day of the month following sixty days of employment. Union employees, consumer employees, and non-resident aliens with no U.S. source of income are excluded from the Plan. Employees become eligible to receive employer discretionary contributions upon attaining the age of 21 and the completion of one year of service in which a minimum of 1,000 hours were worked during that year. Employer discretionary contributions begin on the first of the month following the completion of the eligibility requirements.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions along with an allocation of (a) the Agency's contribution, and (b) Plan earnings and losses. Allocations are based on participant earnings and losses or account balances, as defined. The entitled benefit is the participant's account balance subject to vesting.

#### **Investment Options**

The accounts of all participants in this Plan are held in a trust. Each participant directs the investment of their Plan account among the funding choices available under the trust fund from Empower Life & Annuity Insurance Company of New York and Empower Trust Company, LLC. Participants may change their investment options daily.

#### **Contributions**

Participants may contribute a percentage of their annual compensation subject to certain IRS limitations. At its discretion, the Agency may contribute employer profit sharing contributions to the Plan for each employee that meets the eligibility requirements. As of January 1, 2012, the employer's contribution was modified to base the formula on years of service.

## 1. THE PLAN (Continued)

### Contributions (Continued)

The Agency's discretionary contribution was 10% of annual compensation for the Executive Director and 7% for all administrative employees. For all other employees hired after January 1, 2012, the percentage of the employee's annual compensation used in the calculation is as follows:

<u>Employee Years of Service</u>	<u>Percentage</u>
1st year	3%
2nd year	4%
3+ years	5%

### Vesting

Participants are immediately fully vested in their voluntary contributions. Vesting in the employer pension contributions and actual earnings/losses thereon are based upon years of service. A participant earns a year of service, for vesting purposes, if they are credited with 1,000 or more hours of service in a Plan year. A participant only becomes 100% vested after three years of credited service. Participants become fully vested upon death, total and permanent disability, or normal retirement age.

### Payment of Benefits

If a terminated participant's benefit is over \$1,000 a participant may request payout of the benefit prior to retirement age. However, the value of the account will not be determined earlier than the valuation date coinciding with or next following the termination date. If the participant's benefit is less than \$1,000, the benefit may be distributed earlier.

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, installments paid over a certain number of years, life annuity, or any other form of payment that may be permitted under the Plan, at the time of distribution. Distributions are recorded when paid.

### Administrative Expenses

The Plan permits the payment of Plan expenses to be made from Plan assets to the extent not paid by the plan sponsor. Any expenses paid by the Plan are paid by Plan participants as a reduction of investment income.

### Notes Receivable From Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50% of their account balance to a maximum term of 5 years, or 10 years if the funds are used to acquire a primary residence. No loans less than \$1,000 will be made. The loans are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime rate of interest at origination date, published by the Wall Street Journal as of the last day of the preceding month, plus 2%. Principal and interest is paid through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The financial statements of the Plan are prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

### **Investments**

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except fully-benefit responsive investment contracts. Contract value is the relevant measurement for that portion of the net assets available for benefits of a defined contribution Plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect, participants' account balances and the amount reported in the statements of net assets available for benefits.

### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are stated at fair value based upon quoted market prices, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the current value of investments, including realized/unrealized gains and losses on assets sold/held during the year, are reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in the fair value of investments. Dividends are recorded on the ex-dividend date and purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual basis. All investments are participant directed.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### **Fixed Annuity Contract**

During 2022 and 2021, the Plan held a fixed annuity contract with the Plan's custodians, which is reported as fully benefit responsive. The contract is a group unallocated contract, which means the deposits and earnings on those deposits are credited to the group as a whole, rather than individual participants.

Certain events may limit the Plan's ability to transact at contract value with the Plan's custodians. Such events may include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that may limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Interest crediting rates are determined based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest crediting rates are reset quarterly, ranging from 1.10% to 1.20%.

Generally, there are no events that allow the issuer to terminate the contract, and which require the Plan to settle at an amount different than contract value paid over time.

### **Forfeitures**

Participants who terminate employment before they vest will forfeit their interest in employer contributions. These accounts will be held in the Plan in an interest-bearing cash account to meet any obligations to pay Plan expenses if the employer elects not to pay such expenses directly. Forfeitures of approximately \$47,000 and \$22,000 were used to reduce employer contributions during 2022 and 2021, respectively. Approximately \$67,000 of forfeited non-vested accounts were transferred to the NYSARC Plan upon merger. The forfeiture balance approximated \$0 and \$58,500 at September 13, 2022 and December 31, 2021, respectively, and was included within cash.

### **Fair Value Measurements**

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits.

The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Fair Value Measurement - Definition and Hierarchy

U.S. GAAP provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC Section 820 are described below:

- Level 1 Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly. The Plan has no investments valued using Level 2 inputs.
- Level 3 Valuations based on inputs that are unobservable and significant to the overall fair value measurement. The Plan has no investments valued using Level 3 inputs.

The assets' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

*Mutual funds* – Valued at the net asset value of shares held at year-end based on quoted prices in active markets.

There were no changes in the valuation methodologies used during 2022 or 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 7. PARTY-IN-INTEREST TRANSACTIONS

The Plan allowed participants of the Plan to invest in certain funds managed by Great-West Trust Company, a custodian of the Plan. As such, transactions between the participants investing in these funds and the Plan qualify as party-in-interest transactions.

The Plan allowed current employees who are participants to receive loans under specific circumstances. As such, loan transactions between participants and the Plan qualify as party-in-interest transactions.

## 8. RECONCILIATION TO FORM 5500

The following is a reconciliation of the assets available for benefits per the financial statements to Schedule H of Form 5500 at September 13, 2022:

Net assets available for benefits per the financial statements	\$ 614,970
Assets to be transferred to NYSARC Plan	<u>(614,970)</u>
Assets available for benefits per Schedule H of Form 5500	<u>\$ -</u>

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Schedule H of Form 5500 for the period ended September 13, 2022:
