INDEPENDENT AUDITOR'S REPORT

To Board of Trustees of
the Community Resource Project, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Resource Project, Inc. 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 30, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended September 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Resource Project, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2022, and 2021, and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the financial statements of Community Resource Project, Inc. 403(b) Plan. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

Community Resource Project, Inc. 403(b) Plan does not have sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 1 to the financial statements, the Community Resource Project, Inc. 403(b) Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Resource Project, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of Community Resource Project, Inc. 403(b) Plan 's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Community Resource Project, Inc. 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at Year End) for the year ended September 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report it is inappropriate to and we do not express an opinion on the supplemental schedules referred to above.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Community Resource Project, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

- 1) *General:* The Plan is a defined contribution plan (403(b) plan) adopted January 1, 2009, covering all employees of Community Resources Project, Inc. (the Organization). Prior to January 1, 2009, there was no formal 403(b) plan in place. Employees made contributions to individual 403(b) plans. When the law changed as of December 31, 2008, the Organization adopted a formal 403(b) plan. Employees are eligible to participate in the Plan on hire date. As of September 30, 2022, the Plan was amended to provide that employees are eligible at one year of service and the age of 21 for nonelective employer contributions. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Board of Trustees oversees the governance of the Plan.
- 2) *Contributions:* Participants may contribute up to \$20,500 in 2022 (thereafter as adjusted by the Secretary of Treasury) as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and an insurance investment contract as investment options for participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 2% of eligible compensation. Contributions are automatically invested in a balanced fund until changed by the participant. As of September 30, 2022, the Plan was amended to provide that the Organization contributes, at its discretion, an amount equal to a percentage of base compensation.
- 3) *Participant Accounts:* Each participant's account is credited with the allocations of (a) the participant contributions and (b) the Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- 4) *Vesting:* Participants are vested immediately in their contributions plus actual earnings thereon. As of September 30, 2022, the Plan was amended to provide that participants are vested in the Organization's contribution based on years of continuous service. A participant is 100 percent vested after six years of credited service.
- 5) *Funding Policy:* It is the policy of the Organization to fully fund all participant accounts as required by ERISA.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

- 6) *Payment of Benefits:* On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- 7) *Administration Costs:* A portion of administration costs are currently being paid by the employer.
- 8) *Plan Termination:* Although they have not expressed any intent to do so, the Organization has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, no contributions will be made to the Plan and all amounts credited to the participant's accounts will continue to be 100% vested.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

- 1) *Basis of Accounting:* The financial statements of the Plan are prepared under the accrual basis of accounting.
- 2) *Investment Valuation and Income Recognition:* The Plan's investments are stated at fair value except for the fully-benefit responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The statement of net assets available for benefits presents the contract value of the investment contracts. The statement of changes in net assets available for benefits is also prepared on a contract value basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2022

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

- 3) *Estimates*: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- 4) *Note Receivable from Participants*: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their account balance, whichever is less. The loans are secured by the balance in the participant's account. Interest is charged at a reasonable rate determined by prevailing rates at that time. Principal and interest is paid ratably through monthly payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.
- 5) *Payment of Benefits*: Benefits are recorded when paid.
- 6) *Date of Management's Review*: Subsequent events were evaluated through July 12, 2023, which is the date the financial statements were available to be issued.

NOTE 3 - RELATED PARTY TRANSACTIONS/IDENTITY OF INTEREST TRANSACTIONS

Related Party: Management of the employer participates to the same extent as other employees.

Identity of Interest: Fees paid by the Plan for investment management service and recordkeeping were \$20,300 to Standard Retirement Services and \$45 to Massachusetts Mutual Life Insurance Company and \$90 to Empower Retirement, LLC for the year ended in September 30, 2022. The broker of the Plan was paid \$9,131 for the year ended September 30, 2022. The trustees of the Plan are Charles Schwab Trust Bank, Empower Annuity Insurance Company of America and Standard Life Insurance Company.

NOTE 6 - TAX STATUS

The Plan participates in a Volume Submitter Profit Sharing sponsored by Standard Retirement Services, Inc. This Plan was identified as acceptable by the IRS on March 31, 2014. Although the Plan has been amended since receiving the determination letter, the Plan's administrator and council believe the Plan is currently being designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan's administrator and council believe the Plan is currently being designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 7 - CONCENTRATION OF CREDIT RISK ARISING FROM INVESTMENTS IN UNINSURED ACCOUNTS

The Plan's investments are currently all held with Charles Schwab Bank, Empower Annuity Insurance Company of America and Standard Life Insurance Company. These funds are uninsured and are not guaranteed. The value is based on current market value that varies daily. The availability of funds is based on the financial strength of the mutual funds and the insurance company. Uninsured balances total \$1,808,501 and \$1,859,598 at September 30, 2022 and 2021.

NOTE 8 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available, and Level 3 inputs were used when Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented. And there were no changes in the methods used to measure fair value at September 30, 2022 and September 30, 2021.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2022

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted prices in active markets on actual assets held by the Plan at year end.

The following tables set forth, by level, within the Fair Value hierarchy, the plans investments at September 30, 2022 and 2021.

	Fair Value Measurements at the end of the reporting period using:	
		Quoted Prices in Active Markets for Identical Assets Level 1
	<u>Fair Value</u>	<u>Level 1</u>
<u>September 30, 2022</u>		
Mutual Funds	<u>\$1,454,726</u>	<u>\$1,454,726</u>
Total investments at fair value	<u>\$1,454,726</u>	<u>\$1,454,726</u>

	Fair Value Measurements at the end of the reporting period using:	
		Quoted Prices in Active Markets for Identical Assets Level 1
	<u>Fair Value</u>	<u>Level 1</u>
<u>September 30, 2021</u>		
Mutual Funds	<u>\$1,599,006</u>	<u>\$1,599,006</u>
Total investments at fair value	<u>\$1,599,006</u>	<u>\$1,599,006</u>

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2022

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended September 30, 2022 and 2021, are reported in net appreciation in value of investments.

The Plan's policy is recognized transfer between Level 1 and Level 2 into and out of Level 3 at the end of the reporting period. For the years ended September 30, 2022 and 2021, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

NOTE 9 - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2009, the Plan entered into a benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company which was acquired by Empower Annuity Insurance Company of America on February 18, 2022. In 2017, the Plan entered into a benefit-responsive investment contract with Standard Insurance Company. Standard Insurance Company and Empower Annuity Insurance Company of America maintain the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The total fair value of the investment contracts at September 30, 2022 and 2021, was \$181,061 and \$241,785, respectively. The crediting interest rate is based on an agreed-upon formula with the issuer, but it may not be less than 1% for Standard Insurance Company and 3% for Empower Annuity Insurance Company of America. Such interest rates are reviewed on a quarterly basis for Standard Insurance Company and Empower Annuity Insurance Company of America for resetting. Certain events limit the Plan's ability to transact at contract value with Standard Insurance Company and Empower Annuity Insurance Company of America. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs and the liberalization of plan withdrawal or transfer rules. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2022

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
