j Total expenses. Add all expense amounts in column (b) and enter total	2j		1784051
Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d	2k		-4687259
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **PKF O'CONNOR DAVIES, LLP**

(2) EIN: **27-1728945**

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
4d		X	
e Was this plan covered by a fidelity bond?	X		2000000
4e	X		2000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
4k		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.

Provide explanation _____

Nitsch Engineering, Inc. 401(k) Plan

Financial Statements

December 31, 2022 and 2021

Independent Auditors' Report

To the Plan Administrator and Participants
Nitsch Engineering, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Nitsch Engineering, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements ("Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the Financial Statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

PKF O'CONNOR DAVIES, LLP

155 Federal Street, Suite 200, Boston, MA 02110 | Tel: 781.937.5300 | Fax: 781.937.5100 | pkfod.com

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

- the information in the Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the Financial Statements.

In preparing the Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the Financial Statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the Financial Statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Financial Statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Financial Statements or to the Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Nitsch Engineering, Inc. 401(k) Plan (the "Plan") provides only general information. More complete information regarding the Plan's provisions may be found in the Plan document.

General

The Plan is a defined contribution plan covering all employees of the sponsoring organization Nitsch Engineering, Inc. and a related employer, Nitsch Engineering of DC, LLC, (collectively the "Employer") except union employees or non-resident aliens, as defined ("Participants"). Employees may enter the Plan on the first day of each quarter of the Plan year coinciding with or following the date they have completed three (3) months of service and have attained the age of twenty-one (21). Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively "Empower") provides asset custodian services. Empower Retirement, LLC provides recordkeeping services. Certain members of management at the Employer serve as the trustees for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). All investments are participant-directed.

Subsequent Events

The Plan has evaluated subsequent events through July 12, 2023, the date the financial statements were available to be issued by management, and determined that there have been no subsequent events, except as disclosed in Note 1, that would require recognition in, or disclosure in the financial statements and notes to the financial statements.

Participant Contributions

Participant contributions to the Plan are deferrals of the employee's compensation. Participants may defer up to a maximum of 100% of their eligible compensation, not to exceed a dollar limit established under the Internal Revenue Code (the "Code"). Participants may make pre-tax or Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans ("Rollovers").

Effective March 1, 2023, the Plan was amended for employees, upon eligibility to participate in the Plan, to be automatically enrolled to defer 6% pre-tax of their eligible compensation. Participants may choose not to defer or choose another deferral percentage once enrolled. Automatic enrollment deferrals are invested in the American Century Strategic Allocation Moderate Fund.

Employer Contributions

Non-elective Employer Contributions

Each year, the Employer may make a discretionary non-elective contribution to the Plan, as determined by its Board of Directors. Non-elective Employer contributions are allocated to Participants based on the ratio that each eligible Participant's compensation bears to the total compensation paid to all eligible Participants in that Participant's group. Groups consist of (1) all owner employees who own 5% or more interest in the Employer or (2) all owner employees who own less than 5% interest in the Employer and non-owner employees. To be eligible, Participants must have completed a minimum of one thousand (1,000) hours of service during the Plan year and be employed by the Employer as of the last day of the Plan year. For the year ended December 31, 2022, the Employer elected not to make a non-elective Employer contribution.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of Plan *(continued)*

Employer Contributions *(continued)*

Matching Contributions

The Employer, at its discretion, may elect to contribute a matching contribution. To be eligible, Participants must have completed a minimum of one thousand (1,000) hours of service during the Plan year. For the year ended December 31, 2022, the Employer elected to make matching contributions in an amount equal to 50% of the elective Participant contributions up to 6% of their eligible compensation. Total Employer matching contributions were \$367,480 for the year ended December 31, 2022, which were reduced by \$9,480 of allocated forfeitures.

Participant Accounts

Each Participant's account is credited with the Participant's contributions, the respective Employer contributions and an allocation of the Plan's investment earnings or losses and is charged with an allocation of certain expenses. Allocations are based on Participant compensation or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual Participant accounts may be charged directly for all administrative expenses, if not paid by the Employer. Individual Participant accounts are charged directly for loan recordkeeping, if applicable.

Vesting

Participants are immediately vested in their Participant and rollover contributions plus allocated earnings thereon. Participants begin vesting in Employer non-elective and matching contributions, if any, plus earnings thereon after two years of service and are 100% vested after six years of service. A year of service is defined as any Plan year which a Participant completed at least one thousand (1,000) hours of service. Upon death, disability, or attainment of normal retirement age, a Participant is fully vested in all of their accounts.

Notes Receivable from Participants

Participants may borrow from their vested accounts up to a maximum amount equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made or 50% of their vested account balance. The minimum amount a Participant may borrow is \$1,000. A Participant may only have one loan outstanding at a time. Loan terms range from one to five years (or up to ten years for the purchase of a primary residence). Loans are secured by the vested balance in the Participant's account and bear interest at 1% over the prime rate published in the Wall Street Journal on the first business day of the month before the loan originated. Principal and interest are paid ratably through payroll deductions or by check if the employee has terminated employment. If a Participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the Participant's loan balance is reduced and a benefit payment is made in accordance with the Plan document. Notes receivable from participants, with interest rates ranging from 4.25% to 7.25% at December 31, 2022 and 2021, mature at various dates through 2027.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of Plan (*continued*)

Payment of Benefits

Upon termination of service due to death, disability, termination, or retirement, a Participant or beneficiary may elect to receive a lump-sum distribution in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant or beneficiary, subject to income tax withholdings, or a tax-free rollover to an individual retirement account or another qualified plan.

If a Participant's vested account is more than \$1,000 but less than \$5,000, the Plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than \$1,000, the Plan administrator may distribute the account balance to the Participant in a lump sum payment.

In service withdrawals from the Participant's vested account balances are permitted upon reaching age 59 ½. In service withdrawals are also permitted due to financial hardship, as defined in the Plan document. Participants must have obtained all distributions, other than a hardship withdrawal, before financial hardship withdrawals are allowed. Hardship withdrawals may be taken from the Participant's deferral contributions account or rollover contributions account.

Forfeited Accounts

A Participant who no longer is employed by the Employer forfeits any non-vested balance. Non-vested forfeited account balances are retained in the Plan and are used to pay administrative expenses or reduce future Employer contributions. Forfeited non-vested accounts at December 31, 2022 and 2021 amounted to \$20,300 and \$17,290, respectively, of which \$9,480 and \$4,541, were used to offset respective Employer matching contribution receivables.

Revenue Sharing

During 2022, the Employer added a revenue sharing arrangement with an investment advisor and Empower that provides for a monthly allocation to the plan expense account, as defined in the agreement, which are used to pay administrative expenses or reduce future Employer contributions. The monthly allocation is 0.22% of Plan assets based upon an average daily balance for each month. For the year ended December 31, 2022, the Plan received \$36,426 of revenue credits, which are included in other income, net. As of December 31, 2022, there was \$11,647 of unallocated revenue sharing credits in the plan expense account.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (*continued*)

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. See Note 5 for discussion of the investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on mutual funds bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Notes Receivable from Participants

Loans to Participants are reported as notes receivable from Participants at the unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payments of Benefits

Payments of benefits are recorded during the period in which the Participants are paid.

3. Information Prepared and Certified by Empower

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower has certified that the following data included in the accompanying financial statements and supplemental schedule is completed and accurate:

- Investments and notes receivable from participants, as showing in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022.

The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodology used at December 31, 2022 and 2021. The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurements (*continued*)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment at fair value as of December 31, 2022 and 2021:

Investment at Fair Value as of December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 16,259,944</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,259,944</u>

Investment at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 20,827,770</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 20,827,770</u>

5. Guaranteed Interest Account

The Plan entered into a fully benefit-responsive investment contract (the "Investment Contract") with Empower, which is backed by the full faith and creditworthiness of the issuer. Participants may invest in the Investment Contract through a guaranteed interest account. Since the Investment Contract is fully benefit-responsive, contract value is the relevant measurement attribute. Contract value represents contributions made under the contract, plus earnings, less Participant withdrawals and administrative expenses. The investment strategy employed for the Investment Contract seeks to achieve consistent returns to support a competitive credited rate.

Interest is credited on contract balances using the "portfolio rate" approach. Under this methodology, a single interest crediting rate is applied to all contributions made to the account regardless of the timing of these contributions. Interest crediting rates are reviewed on a quarterly basis for resetting. When establishing interest crediting rates for this account, Empower considers many factors, including current economic and market conditions, the general interest rate environment and both the expected and actual experience of a reference portfolio within the general account. The average yield earned, as defined, and the actual average yield, as defined, to Participants was 0.94% for the year ended December 31, 2022. The average yield earned and the actual average yield can be calculated by averaging the quarterly gross interest rates for the fund over the year.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include the following: (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (ii) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawal from the Plan, or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with Plan Participants are probable of occurring as of the date of these financial statements.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

6. Risk and Uncertainties

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in their accounts. Any unallocated assets of the Plan will be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

8. Tax Status

The underlying volume submitter profit sharing plan with CODA has received an opinion letter from the Internal Revenue Service, dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the Code, is exempt from federal income taxes under Section 501(a) of the Code and that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan as of December 31, 2022 or 2021.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations prior to 2019.

9. Party-in-Interest Transactions

Plan investments include a mutual fund and guaranteed interest account managed by Empower. The Plan paid administrative expenses totaling \$5,238 to Empower or affiliates of Empower and \$25,536 to an investment advisor during the year ended December 31, 2022, which are included in other income, net. These transactions qualify as exempt party-in-interest transactions. Notes receivable from Participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

Nitsch Engineering, Inc. 401(k) Plan

Notes to Financial Statements

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to net assets per the Form 5500 as of December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 17,425,584	\$ 22,034,843
Receivables not recorded on Form 5500	<u>(358,000)</u>	<u>(280,000)</u>
Net assets per Form 5500	<u>\$ 17,067,584</u>	<u>\$ 21,754,843</u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to net loss per the Form 5500 for the year ended December 31:

	<u>2022</u>
Net decrease in net assets available for benefits per the financial statements	\$ (4,609,259)
2022 receivable not recorded on Form 5500	(358,000)
2021 receivable not recorded on Form 5500	<u>280,000</u>
Net loss per Form 5500	<u>\$ (4,687,259)</u>
