INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Commune Hotels and Resorts 401(k) Plan
San Francisco, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Commune Hotels and Resorts 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of September 15, 2022 and December 31, 2021 (in liquidation), and the related statement of changes in net assets available for benefits for the period ended September 15, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of September 15, 2022 and December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Commune Hotels and Resorts 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As further discussed in Note A to the financial statements, the governing body of the Commune Hotels and Resorts 401(k) Plan approved a plan of liquidation on September 30, 2021, and management determined liquidation is imminent. As a result, in accordance with accounting principal generally accepted in the United States of America, the Plan has used the liquidation basis used in presenting the financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Commune Hotels and Resorts 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commune Hotels and Resorts 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

COMMUNE HOTELS AND RESORTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 15, 2022 AND DECEMBER 31, 2021

Note A - Description of Plan

The following description of the Commune Hotels and Resorts 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan effective January 1, 2013, and has been amended and restated over the years to comply with authoritative regulation. The Plan was frozen as of December 31, 2016, and as of March 2019, a transfer of plan sponsorship was made from Coral Tree Hospitality Group, LLC to CL Vie Holdings, LLC (the "plan sponsor"). The Plan was last restated on January 1, 2021, to comply with the IRS cycle 3 restatement remedial period. The Plan covers substantially all employees of the plan sponsor and certain affiliate companies (the "Company"), who are at least eighteen years old and have ninety days of completed of service, other than employees who are covered by a collective bargaining agreement, nonresident aliens, leased employees, and interns and on-call employees. Seasonal and temporary employees must complete one year of service, as defined in the Plan document. Eligible employees may enter the Plan on the first day of the month coinciding with or next following the date eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination:

The plan was terminated effective September 30, 2021, and the participants and beneficiaries were notified on October 21, 2021, of the termination and account liquidation options. Effective with the Plan's termination, all participants with an account balance remaining in the Plan became fully vested in all contribution sources, regardless of status or years of vested service.

Plan Transfers:

Pursuant to the termination of the Plan, if participants did not make a distribution election by February 28, 2022, vested balances exceeding \$5,000 were transferred to the Aperture Group, LLC Retirement Savings Plan. As a result, \$4,071,686 were transferred from the Plan into the Aperture Group, LLC Retirement Savings Plan on August 31, 2022.

Contributions:

Prior to the freeze of the Plan, participants could elect to defer a portion of their compensation, subject to the maximum amount allowed by the Internal Revenue Code, and make a contribution to the Plan. Catch-up contributions are also allowed by the Plan. Participants could also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

COMMUNE HOTELS AND RESORTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 15, 2022 AND DECEMBER 31, 2021

Prior to the freeze of the Plan, the Plan Sponsor had adopted the safe-harbor matching provisions as calculated based on the sum of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the Participant's deferrals that exceed 3% of participant's compensation but do not exceed 5% of the participant's compensation. Additionally, the Plan Sponsor may also make an discretionary matching contribution. For the period ended September 15, 2022, the Company did not make discretionary contributions.

Participants direct the investment of their contributions and Sponsor sourced contributions into various investment options offered by the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

As of December 31, 2016, the Plan was frozen and all participants became 100% vested in all of their account balances.

Payment of Benefits:

Participants may elect to receive a lump-sum amount equal to the value of their vested interest as defined in the Plan document upon retirement, termination of service, death or disability. A terminated employee with a balance of less than \$5,000 may be automatically paid out by the Plan upon termination. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document.

Forfeited Accounts:

At September 15, 2022 and December 31, 2021, forfeited nonvested accounts totaled \$-0- and \$22,710, respectively. Forfeitures of \$22,715 were utilized for the year ended September 15, 2022 to pay administrative expenses, as allowed by the plan document.

Note B - Significant Accounting Policies

Basis of Accounting:

As a result of the decision to terminate the Plan effective September 30, 2021, and in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), the Plan's financial statements as of September 15, 2022 and December 31, 2021, and for the period ended September 15, 2022 are presented using the liquidation basis of accounting. For periods prior to the decision to terminate the Plan, the financial statements were prepared using the ongoing basis of accounting.

COMMUNE HOTELS AND RESORTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 15, 2022 AND DECEMBER 31, 2021

Note B - Significant Accounting Policies (Continued)

Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. There are no material changes to the September 15, 2022 and December 31, 2021, financial statements as a result of the change under the liquidation basis of accounting. All investments of the Plan are stated at fair value (the estimated net realizable cash value for investments as of September 15, 2022 and December 31, 2021, are equivalent to fair value). Purchases and sales of investments are recorded on a trade-date basis. The cost of Plan investments sold is determined by the average cost method. Distributions are recorded when paid.

Investment Valuation and Income Recognition:

Investments are reported at liquidation value, which approximates fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Company personnel perform various administrative services for the Plan. The payroll and related overhead costs associated with these services are not included as plan expenses. Fees related to participant recordkeeping and specific participant transactions are charged directly to each participants' account and are included in administrative expenses.

Risk and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the financial statements.

Payment of Benefits:

Benefit distributions, determined in accordance with provisions of the Plan, are recorded when paid.

Use of Estimates:

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

COMMUNE HOTELS AND RESORTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 15, 2022 AND DECEMBER 31, 2021

Note C - Plan Termination

On September 30, 2021, the Plan was effectively terminated. Effective with the Plan's termination, all participants with an account balance remaining in the Plan became fully vested in all contribution courses, regardless of status or year of vested service.

Note D - Income Tax Status

The Plan is a pre-approved plan of C-Ben Group LLC which received an opinion letter on November 23, 2020, in which the Internal Revenue Service ("IRS") stated that the form of the plan document was acceptable under the applicable requirements of the Internal Revenue Code ("IRC"). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress for any tax periods.

Note E - Related Party Activity

Certain plan investments are investments managed by Empower Trust Company, LLC. Empower Trust Company, LLC is the trustee, as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. For the period ended September 15, 2022, direct fees paid by the plan to Empower Advisory Group, LLC and Empower Annuity Insurance Company of America (affiliates of Empower Trust Company, LLC) totaled \$3,918 and \$32,025, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note F - Information Certified by the Trustee of the Plan

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at September 15, 2022 and December 31, 2021, and net appreciation (depreciation) in fair value of investments, and interest and dividends for the year ended September 15, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the trustee of the Plan).

Note G - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques are used to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 15, 2022 and December 31, 2021.

Mutual funds: Valued at the quoted net asset value of shares traded in active markets and held by the plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 (none at September 15, 2022):

Description	Total	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
