Independent Auditor's Report

The Plan Administrator
CHFS 401(k) Retirement Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the CHFS 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of June 30, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed, as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H (Form 5500), Line 4a - Schedule of Delinquent Participant Contributions for the year ended June 30, 2022 and Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2022 are presented for purposes of additional analysis and are not required parts of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and to other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CHFS 401(k) Retirement Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the CHFS 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Coalition for Hispanic Family Services (the Company or Plan Sponsor). The Plan became effective on July 1, 2004. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Matrix Trust Company (Matrix) is the custodian of the Plan and CUNA Mutual Retirement Solutions (CUNA) is the recordkeeper of the Plan. CMFG Life Insurance Company (CMFG) holds the group annuity contract for the Plan.

Eligibility

Generally, all employees (including leased employees) of the Company can participate in the Plan upon attainment of age 21. Plan participation commences immediately upon satisfying the Plan's eligibility requirements.

Participant Contributions

The Plan allows employees to defer a portion of their compensation, as defined in the Plan, through contributions to the Plan and the investment of such contributions in specified funds. The amount an employee may contribute on a pretax basis is limited to the maximum amount permitted under the Internal Revenue Code (the Code). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Employer Contributions

The Plan provides that the Plan Sponsor may make matching contributions equal to a discretionary percentage determined by the Plan Sponsor. If the deferral contributions exceed the Code 402(g) limitations plus the catch-up limitation, if applicable, in effect for a calendar year, the Plan Sponsor may not make matching contributions on the basis of that excess amount. There were no matching contributions during the year ended June 30, 2022 and 2021. The Company may also elect to make a discretionary non-elective (profit-sharing) contribution, which is divided among the eligible participants. The amount of this profit-sharing contribution may be any amount, including \$0.

In order to share in the employer profit-sharing contributions for a given Plan year, a participant must complete a year of service (1,000 hours) during that Plan year. Participants who are not employed at the end of the Plan year shall not share in the Company profit-sharing contributions, regardless of years of service. Conditions shall be waived upon a participant's death, early or normal retirement, or total and permanent disability. Company contributions are invested in specified funds determined by employees' voluntary contribution allocations. Profit-sharing contributions made to the Plan were \$486,050 and \$688,191 for the years ended June 30, 2022 and 2021, respectively.

CHFS 401(k) Retirement Plan

Notes to Financial Statements

Rollover Contributions

A participant may, with the consent of the Plan administrator, make a rollover contribution to the Plan at any time. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which employees participated prior to their employment by the Company.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the employer contributions, if any, and the Plan's earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, deferrals, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Contributions by employees and the employer are invested by the Plan's recordkeeper based on employee elections from the investment options provided by the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in their Company matching and Company profit-sharing contributions plus actual earnings thereon based on years of continuous service. The Plan provides vesting as follows:

Years of Service	Vested (%)
Less than 2	-
2 but less than 3	20
3 but less than 4	40
4 but less than 5	60
5 but less than 6	80
6	100

Regardless of the vesting schedule, participants shall become fully vested upon death or total and permanent disability.

Forfeited Accounts

Forfeited non-vested accounts are used to reduce administrative expenses and employer contributions. There were \$16,198 and \$21,713 in forfeited non-vested contributions used to reduce administrative expenses during the years ended June 30, 2022 and 2021, respectively. There were no forfeited non-vested accounts at June 30, 2022 and 2021.

Payment of Benefits

The Plan permits withdrawals upon retirement, or other separation from service, from vested account balances. If a participant's vested balance is \$5,000 or less, funds may be automatically disbursed. In-service withdrawals are also permitted when a participant attains age 59½.

CHFS 401(k) Retirement Plan

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. Loan terms range up to five years or over a reasonable period of time for the purchase or repair of a primary residence, as established by the Plan administrator at the time of the loan. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator at loan origination. Rates on loans outstanding at June 30, 2022 range from 4.25% to 6.50% and mature through 2027. Rates on loans outstanding at June 30, 2021 ranged from 4.25% to 6.50% and mature through 2026. Principal and interest are paid ratably through bi-weekly payroll deductions.

Administrative Expenses, Net

Certain administrative fees incurred by the Plan are paid for and recognized by the Plan. Fees related to the administration of notes receivable from participants and benefits paid directly to participants or beneficiaries are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net (depreciation) appreciation in fair value of investments. Expenses that are paid by the Company are excluded from these financial statements.

The Plan has a revenue-sharing agreement with CUNA for the reimbursement of Plan expenses. Revenue earned from this agreement was used to pay Plan expenses. For the years ended June 30, 2022 and 2021, revenue earned from this agreement and Plan expenses paid out of this revenue amounted to \$31,829 and \$32,510, respectively. These amounts are included in administrative fees, net, on the statements of changes in net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan (except for the benefit-responsive investment contract, which is reported at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 3 for a discussion of fair value measurements and Note 5 for a discussion on contract value.

CHFS 401(k) Retirement Plan

Notes to Financial Statements

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

GAAP establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices to similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds

Mutual funds are valued at unadjusted quoted market prices, which represent the net asset value (NAV) of shares owned by the Plan at year-end.

CHFS 401(k) Retirement Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

June 30, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,798,782	\$ -	\$ -	\$ 4,798,782
Total Investments, at fair value	\$ 4,798,782	\$ -	\$ -	\$ 4,798,782

June 30, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,080,514	\$ -	\$ -	\$ 5,080,514
Total Investments, at fair value	\$ 5,080,514	\$ -	\$ -	\$ 5,080,514

There have been no changes in the methodology used at June 30, 2022 and 2021.

The Plan had no financial assets that were measured at fair value on a nonrecurring basis at June 30, 2022 and 2021.

4. Certified Investments

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix and CMFG, qualified institutions, have certified that the following investment information included in the accompanying financial statements and the ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefit as of June 30, 2022 and 2021.
- Net (depreciation) appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefit for the years ended June 30, 2022 and 2021.
- Investments reflected on the supplemental Schedule of Assets (Held at End of Year).

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Group Annuity Contract

The Plan entered into a fully benefit-responsive group annuity contract with CMFG. At June 30, 2022 and 2021, the value in the fully benefit-responsive group annuity contract is \$0 and \$1, respectively. CMFG maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Because the group annuity contract is fully benefit-

CHFS 401(k) Retirement Plan

Notes to Financial Statements

responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by CMFG, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), and (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division, or as a result of group layoffs or early retirement programs. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. Party-in-Interest Transactions

Certain investments managed or held by CUNA and CMFG qualify as permitted party-in-interest transactions, as defined by ERISA. In addition, the Plan allows participants to borrow from their fund accounts, which qualify as permitted party-in-interest transactions, as defined by ERISA.

7. Late Remittances

During the Plan years ended June 30, 2019 and 2018, employee withholdings in the amounts of \$79 and \$8,271, respectively, were not remitted within the appropriate time period by the Plan Sponsor. The Plan Sponsor has taken corrective action to make participant accounts whole for late employee withholdings. There were no late employee withholdings for the Plan years ended June 30, 2022 and 2021.

8. Tax Status

The Plan adopted the CUNA Volume Submitter Profit-Sharing Plan with Cash or Deferred Arrangement, which has received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the written form of the prototype plan is acceptable under Section 401(a) of the Code and that any employer adopting this prototype plan document will be considered to have a plan qualified under Section 401(a) of the Code. The Plan administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

CHFS 401(k) Retirement Plan

Notes to Financial Statements

9. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company contributions.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits, per the financial statements, to those per Form 5500:

<i>June 30,</i>	2022	2021
Net Assets Available for Benefits , per the financial statements	\$ 5,363,308	\$ 5,852,191
Employer contributions receivable	(486,050)	(688,191)
Net Assets Available for Benefits , per Form 5500	\$ 4,877,258	\$ 5,164,000

The following is a reconciliation of changes in net assets available for benefits, per the financial statements, to those per Form 5500:

<i>Year ended June 30,</i>	2022	2021
Changes in Net Assets Available for Benefits , per the financial statements	\$ (488,883)	\$ 1,631,332
Change in employer contributions receivable	202,141	(138,961)
Changes in Net Assets Available for Benefits , per Form 5500	\$ (286,742)	\$ 1,492,371

11. Risks and Uncertainties

The Plan provides for various investment options in any combination of funds offered by the Plan. These funds are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

12. Subsequent Events

For the purpose of determining the effects of subsequent events on these financial statements, management has evaluated events through May 30, 2023, the date on which the financial statements were available to be issued, and there were no subsequent events requiring adjustments to the financial statements or disclosures.
