Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Tribal Council, Plan Trustees, and
Plan Administrator of
Hannahville Indian Community 401(k) Plan
N14911 Hannahville B-1 Road
Wilson, MI 49896

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of the Hannahville Indian Community 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of September 30, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Hannahville Indian Community 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical

requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hannahville Indian Community 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hannahville Indian Community 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Hannahville Indian Community 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of *Schedule H, Line 4i – Schedule of Assets (Held at End of Year)* as of September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Hannahville Indian Community 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 12, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2021 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Hannahville Indian Community 401(k) Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all eligible employees of Hannahville Indian Community Business-Type activities ("Employer"). Eligible employees are regular employees who have 1,000 hours of service during a relevant counting period not to exceed 12 months and have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established October 1, 2006.

Contributions – Participants may contribute to the Plan by means of a wage deferral agreement. They may defer, in whole percentages, up to the maximum amount permitted by the applicable federal pension law, \$20,500 and \$19,500 for 2022 and 2021, respectively; with an additional catch-up amount of \$6,500 for 2022 and 2021 respectively, for individuals aged 50 and over. Participants may also contribute amounts representing distributions from other qualified plans.

The employer may make discretionary contributions as determined annually by the Hannahville Indian Community Tribal Council. Such contributions will be allocated among eligible participants in proportion to each participant's W-2 compensation received during the plan year, excluding tips. The current discretionary contribution rate is five percent and three percent for plan years 2022 and 2021, respectively. The employer may also make matching contributions; none were made in 2022 or 2021.

Participant Accounts – Each participant's account is credited with the participant's contribution, plan earnings, and the annual discretionary employer contribution, if applicable. Participants designate the investment options into which contributions are allocated. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Refunds – The Plan is subject to the discrimination testing required per ERISA. Pursuant to the ERISA testing, excess contributions made by highly compensated employees, if any, will be refunded according to IRS requirements.

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (continued)

Vesting – Participants are immediately vested in their deferral contributions plus actual earnings thereon. Vesting in the Employer’s discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants will be vested as follows:

Investment Options – Upon enrollment in the Plan, a participant may direct employee and employer discretionary contributions among forty-nine investment options. Participants may redirect their investment options any time via the telephone or internet directly with the record keeper.

Notes Receivable from Participants – Under the plan, participants may borrow up to 50% of the balance, to which they are 100% vested, up to a maximum of \$50,000. The loans bear interest and require level amortization payments over not more than 5 years or if the loan is used to acquire a dwelling unit the repayment period shall not exceed 15 years.

Payment of Benefits – Upon termination of service a participant may elect to receive either the entire value of their account as a lump-sum distribution of cash or a direct transfer to another qualified retirement plan, a Code Section 403(b) tax deferred annuity, a governmental 457 plan or an IRA. In-service distributions are allowed upon attaining age 59 1/2.

Forfeited Account - For the years ended September 30, 2022 and 2021, there was \$6,295 and \$5,489, respectively, in forfeited non-vested accounts which will be used to reduce the employer’s discretionary contributions when paid in the subsequent year. In 2022 and 2021, \$13,784 and \$5,745 respectively, was used to offset the employer’s discretionary contribution as it related to the amount recorded as accrued employer contributions receivable as of September 30, 2021 and 2020.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (concluded)

Plan Expenses – The attorney, accountant, and auditor expenses necessary to administer the Plan were paid by the Employer. To both reduce fees being charged to participants and improve transparency, in 2018 the Plan switched from John Hancock Class 5 funds to Class 0 funds. This change discontinued the netting of fees with returns and instead lowered the expense ratio per fund while directly charging participants an asset based fee for platform, third-party administration, and investment advisor fees. Effectively, this grossed up investment returns and plan expenses instead of netting them together. Additionally it reduced net fees by an average of 20 basis points across all funds. During plan year 2022 and 2021, \$103,302 and \$127,165, respectively, of expenses were paid from participant accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Subsequent Events – Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through July 12, 2023, the date of the accompanying independent auditors' report, which is the date the financial statements were available to be issued.

Fair Value Determination - As described in FASB ASC 962-325, investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The plan invests in mutual funds through Pooled Separate Accounts under a group annuity contract. The group annuity contract is not “fully benefit responsive” as defined by FASB ASC 962-325. Therefore, for financial statement purposes, these contracts are carried at fair value. The Statement of Changes in Net Assets Available for Benefits is also prepared on a fair value basis.

**HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE B—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)

Notes Receivable from Participants – Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan is reduced, and the delinquent participant note receivable is recorded as a benefit payments based on the terms of the Plan document.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's interest in the group annuity contract is based on the fair value of the group annuity contract's underlying investments as based on information reported by the investment advisor using the audited financial statements of the group annuity contract at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded at the sub-account level and is not applicable to the group annuity contract holdings and are therefore not recorded at the participant level.

Payment of Benefits – Benefits are recorded when paid.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE D – TAX STATUS

The IRS has determined and informed the Plan sponsor by a letter dated February 7, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrators and the Plan's attorney believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE D – TAX STATUS (concluded)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE E – INFORMATION PREPARED & CERTIFIED BY RECORD KEEPER

The following information included in the accompanying financial statements and supplemental schedule was obtained from data prepared and certified to as complete and accurate by the plan's record keeper.

	2022	2021
Investments, at fair value:		
Shares in pooled accounts	\$ 12,710,768	\$ 16,234,755
Value of participant loans	684,302	676,975
Credit available from cash account	6,295	5,489
Investment gain (loss) from pooled account:	(3,049,494)	3,190,837
Interest earned on participant loans	33,945	38,582

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE F – CONTRIBUTIONS RECEIVABLE

The employer may make discretionary contributions as determined annually by the Hannahville Indian Community Tribal Council. For Plan year 2022 and 2021, the discretionary contribution was set at 5% and 3%, respectively of each eligible participant's W-2 compensation received during the plan year, excluding tips. A discretionary contribution in the amount of \$800,520 and \$426,634 respectively, was accrued at September 30, 2022 and 2021.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – NOTES RECEIVABLE FROM PARTICIPANTS

During 2022 and 2021 there were 29 and 26 loans issued in the amounts of \$369,406 and \$286,278, respectively. During 2022, there were 11 loans that defaulted in the amount of \$36,423. There were 8 loans that defaulted in 2021 in the amount of \$27,539. At September 30, 2022 and 2021, \$684,302 and \$676,974 respectively, remained outstanding. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

NOTE I – INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2007, the Plan entered into a non benefit-responsive group annuity contract with John Hancock Life Insurance Company (John Hancock USA). Contributions under the contract are allocated to sub-accounts which invest solely in shares of an underlying mutual fund. These sub-accounts offer investment options that invest in mutual funds managed by unaffiliated mutual fund companies or mutual funds managed by John Hancock Investment Management Services, LLC and sub-advised by MFC Global Investment Management or unaffiliated third parties.

As described in Note B, the John Hancock USA ARA group annuity contract is not fully benefit-responsive, because contract provisions allow that certain transactions, depending on the investment options chosen by the participant, the withdrawal amount, and the reason for the withdrawal, may be subject to a market value adjustment at withdrawal. Therefore, for financial statement purposes, these contracts must be carried at fair value.

Under the terms of the contract, "benefit" means any payment to which a participant becomes entitled under the terms of the Plan by reason of death, disability, retirement, termination of employment, or in-service withdrawals as permitted by the Plan in effect as of the effective date of the contract.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN NOTES TO FINANCIAL STATEMENTS

NOTE J – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by John Hancock. John Hancock is the record keeper as defined by the Plan and, therefore, these transactions qualify as party-in interest transactions. Total record keeping fees are listed in Note A. Professional fees for the administration and audit of the plan were paid by the Plan Sponsor. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE K – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quotes prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE K – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022 and 2021

		Assets at Fair Value			
		Level 1	Level 2	Level 3	Total
September 30, 2022					
Mutual Funds	\$ 12,710,768	\$ -	\$ -	\$ 12,710,768	
September 30, 2021					
Mutual Funds	\$ 16,234,755	\$ -	\$ -	\$ 16,234,755	

There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The fair value of the Plan's shares in pooled separate accounts is based upon quoted share prices of the underlying mutual fund shares held by the pooled account. The pooled accounts value, as determined by the fair value of the underlying mutual fund shares, is allocated by John Hancock, USA into units of the pooled separate account. As dividends are received from the underlying mutual funds, the dividends are reinvested into additional shares of the mutual fund. Similarly, administrative maintenance fees are paid by selling sufficient shares of the respective underlying mutual fund. The charges reduce the price per unit of the subaccount. By reducing the unit price the cost is effectively allocated among all participants, according to the units each hold. Therefore, the unit value of the John Hancock USA sub-accounts differ from the share value of the underlying mutual fund, yet the fair value of the sub-account is directly determined by the quoted market prices of the underlying shares of the respective mutual fund.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended September 30, 2022 and 2021 are reported in net appreciation/ (depreciation) in fair value of investments.

HANNAHVILLE INDIAN COMMUNITY 401 (k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE K – FAIR VALUE MEASUREMENTS (concluded)

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended September 30, 2022 and 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE L – ERISA BOND REQUIREMENT

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the Plan's assets at the beginning of the plan year or \$500,000. On September 30, 2022 and 2021, the Plan's sponsor maintained bond coverage in the amount of \$500,000 each year.

NOTE M – BENEFIT OBLIGATIONS

Net assets available for benefits at September 30, 2022 and 2021 included \$1,347,801 and \$1,560,307, respectively, allocated to the accounts of persons who as of, or prior to, that date had withdrawn from participating in the operations of the Plan. The affected participants have elected to defer distribution as allowed by the Plan.
