## HANSEN, SMITH, CONE & ROBERTELLO, PC

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of RBI Corporation Profit Sharing Plan and to meet other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RBI Corporation Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with

respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individual or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RBI Corporation Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about RBI Corporation Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103 (a) (3) (C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) for the year ended September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information

HANSEN, SMITH, CONE & ROBERTELLO, PC

agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## RBI CORPORATION PROFIT SHARING PLAN

### NOTES TO FINANCIAL STATEMENTS - MODIFIED CASH BASIS

SEPTEMBER 30, 2022 AND 2021

1. Summary of significant accounting policies and other information

Basis of accounting - The RBI Corporation Profit Sharing Plan (the Plan) prepares its financial statements on the modified cash basis of accounting in order to facilitate the timely, cost effective preparation of its financial statements. On that basis, investment purchases and sales are recorded as of trade date; investment income and certain other additions are recorded when earned; and, benefit payments and other expenses are recognized when paid rather than when the obligation is incurred.

Estimates - The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments - Investments are stated at fair value. Investments in Empower Annuity Insurance Company of America's and Great-West Trust Company's Registered Investment Companies shares consists of investments in various mutual funds.

The difference between fair value and the cost of investments held at year-end, adjusted for appreciation on investments sold during the year, is reflected in the Statement of Changes in Net Assets Available for Plan Benefits - Modified Cash Basis as the net appreciation (depreciation) in the fair value of investments. The net appreciation reflects both realized and unrealized gains and losses on investment transactions.

Date of management's review - Subsequent events were evaluated through July 12, 2023, which is the date the financial statements were available to be issued.

Payment of benefits - Benefit payments to participants are recorded upon distribution.

2. Description of the plan

The following description of the Plan provides only general information. Participants should refer to the Plan's summary plan description for a more complete description of the Plan's provisions.

## NOTES TO FINANCIAL STATEMENTS - MODIFIED CASH BASIS

SEPTEMBER 30, 2022 AND 2021

### 2. Description of the plan (Continued)

#### **General**

The Plan is a defined contribution plan established by RBI Corporation (the "Company") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and the requirements of Section 401(k) of the Internal Revenue Code (IRC). The Company is the sponsor and administrator of the Plan and the Trustee is Great-West Trust Company and Empower Annuity Insurance Company of America for the year ended September 30, 2022, and was Great-West Trust Company for the year ended September 30, 2021. The Trustee manages the investments of the Plan as directed by the participants. In addition, the Trustee provides recordkeeping services for the Plan.

#### **Eligibility**

Employees are eligible to participate in the salary deferral portion of the Plan upon hire. To participate in the employer contribution portion of the Plan, employees must have completed at least one thousand hours of service with the Company during the Plan year, as defined in the Plan, and be employed on the last day of the Plan year. Upon enrollment in the Plan, a participant may direct employer and employee contributions to any combination of available investment options offered by the Plan.

#### **Contributions**

Each year, participants may contribute up to 100% of pretax annual compensation (salary reduction contributions), as defined in the Plan up to the maximum percentage allowable under the provisions of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Plan includes an automatic deferral feature. Accordingly, the employer automatically withholds 3% of the employee's compensation unless a contrary election is made by the employee. The Company may match employee contributions in an amount equal to a uniform percentage or dollar amount of the employee's elective deferrals each Plan year. Each year, the Company

will determine the formula for the discretionary matching contribution.

Discretionary matching contribution of \$57,338 were made for the year ended September 30, 2022.

No discretionary matching contributions were made for the year ended September 30, 2021.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Safe Harbor Nonelective Contributions**

This Plan is referred to as a "safe harbor" 401(k) plan. A safe harbor 401(k) plan is a plan design where the Employer commits to making certain contributions to the Plan. This commitment to make contributions enables the Employer to simplify the administration of the Plan by ensuring that nondiscrimination regulations are met, which is why it is called a "safe harbor" plan.

In order to maintain "safe harbor" status the Employer makes a contribution equal to 3% of each employee's compensation. This contribution is 100% vested.

The safe harbor plan began as of October 1, 2020. Safe harbor nonelective contributions were made in the amount of \$196,822 and \$290,705 for the years ended September 30, 2022 and 2021, respectively.

**Nonelective Contributions**

Each Plan year, the Company may make a discretionary nonelective contribution. In order to share in the nonelective contribution an employee must be employed on the last day of the Plan year and have completed at least 1000 hours of service during the Plan year. An employee will also share in the nonelective contribution in the year they terminate employment regardless of the amount of service completed during the Plan year, if they terminate following their death, disability or attainment of Early or Normal Retirement age. The nonelective contribution will be allocated to eligible participants based upon their compensation

RBI CORPORATION PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - MODIFIED CASH BASIS

SEPTEMBER 30, 2022 AND 2021

2. Description of the plan (Continued)

compared to the total compensation of all eligible participants.

The Company made a nonelective contribution to the Plan in the amount of \$100,000 and \$240,000 during the Plan years ending September 30, 2022 and 2021, respectively.

**Participant Accounts**

Each participant's account is credited with the participant's salary reduction contributions, rollover contributions, Company's contributions, Plan earnings and an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined by the Plan document. Income is allocated based on the participant's selected investment option. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting and Forfeiture Accounts**

Participants are always 100% vested in the value of their accounts attributable to their own contributions. Participants are 100% vested after they have completed six years of credited service or obtain their Early or Normal Retirement Age or if they terminate employment on account of their death or as a result of becoming disabled. Plan forfeitures are used to pay certain plan expenses.

**Payment of Benefits**

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment, as defined in the Plan agreement. The Plan provides for distributions at age 62, while participant is still currently employed. The total vested portion of a participant's account balance is distributed in the form of a lump-sum payment, installments, or an annuity. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan.

Fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted market prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used when Level 1 inputs were not available. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets that the reporting entity has the ability to access at the measurement date. An active market for the asset is a market in which transactions for the asset occur with sufficient frequency and volume to provide pricing information on an ongoing basis. A quoted price in an active market provides the most reliable evidence of fair value.

Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. If the asset has a specified (contractual) term, a Level 2 input must be observable for substantially the full term of the asset. Level 2 inputs include the following:

4. Fair value measurements (Continued)

- a. Quoted prices for similar assets in active markets;
- b. Quoted prices for identical or similar assets in markets that are not active;
- c. Inputs other than quoted prices that are observable for the asset (for example, interest rates and yield curves observable at commonly quoted intervals, volatilities, prepayment speeds, loss severities, credit risks, and default rates);
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means (market-corroborated inputs).

Level 3 inputs are unobservable inputs for the asset. Unobservable inputs shall be used to measure fair value to the extent that relevant observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset at the measurement date. Therefore, unobservable inputs shall reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset (including assumptions about risk). Unobservable inputs shall be developed based on the best information available in the circumstances, which might include the reporting entity's own data.

5. Income tax status

The Plan is intended to comply with the applicable requirements of Section 401(k) of the IRC. A tax determination letter program is not yet available for IRC Section 401(k) plans through the Internal Revenue Service (IRS); however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC and as such is exempt from federal income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2022, there are no uncertain positions taken or expected to be taken that

would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

6. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits. Plan investments are not insured by FDIC or similar coverage.

7. Related party transactions

Empower Annuity Insurance Company of America is currently the trustee of the Plan. Great-West Trust Company was the trustee of the Plan for the year ended September 30, 2021. The Plan paid administrative fees to the Trustee of \$43,182 and \$41,857 during the years ended September 2022 and 2021, respectively.
