## Independent Auditor's Report

The Plan Administrator  
Flexfab 401(k) Plan for Bargaining Unit Employees  
Hastings, Michigan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Flexfab 401(k) Plan for Bargaining Unit Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of September 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of September 30, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### 1. Plan Description

The following brief description of the Flexfab 401(k) Plan for Bargaining Unit Employees (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more comprehensive description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan designed to cover employees of Flexfab Horizons International, Inc. (the Company) who are represented in collective bargaining by the Bakery, Confectionary, Tobacco Workers, and Grain Millers International Union AFL-CIO, CLC; and the Bakery, Confectionary, Tobacco Workers, and Grain Millers Local Union #326. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### *Trustee and Administration of the Plan*

The contract holder and trustee of the Plan are Empower Annuity Insurance Company of America (formerly known as Great-West Life & Annuity Insurance Company) and Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC), respectively, (collectively, Empower). Empower is also the recordkeeper of the Plan. The administrator of the Plan is the Company. Empower holds all assets of the Plan in accordance with the provisions of the service provider contract with the Company. The Company determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### *Participant Eligibility*

Employees of the Company covered by a collective bargaining agreement are considered eligible to participate.

Participant must be 18 years of age and complete 90 days of service to participate in the Plan.

#### *Contributions*

Employees may elect to contribute to the Plan using payroll deductions not to exceed the maximum annual amount allowable under the Internal Revenue Code (IRC). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants were automatically enrolled in the retirement savings contribution portion of the Plan at an initial rate of 4% of compensation. The Plan allows for Roth contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Effective July 1, 2022, the Plan was amended to allow In Plan Roth rollovers.

The employer contributes a negotiated matching contribution each pay period and negotiated employer contribution annually. The Company negotiated match was 25% of the first 4% of employee contributions for 2022 and 2021. Participants hired on or after December 2, 2016 are also eligible to receive an annual negotiated employer contribution. The annual negotiated employer contribution rate for both 2022 and 2021 was 1% of eligible annual earnings. The annual negotiated employer contribution was approximately \$49,000 and \$25,000 for 2022 and 2021, respectively.

### ***Participant Accounts***

Each participant's account is credited with the participant's contributions, allocations of the negotiated matching and annual negotiated employer contributions, and Plan earnings. Allocations to participant accounts are specified by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investment of their account balances into various investment options offered by the Plan.

### ***Vesting***

Participants are 100% vested in their individual deferral contributions, rollover contributions, Company negotiated matching contributions and the allocated earnings thereon. Participants become vested in the Company's annual negotiated contributions based on years of continuous service, as follows:

| Years of Service | Vested (%) |
|------------------|------------|
| One              | 20         |
| Two              | 40         |
| Three            | 60         |
| Four             | 80         |
| Five or more     | 100        |

### ***Forfeitures***

Forfeitures resulting from the non-vested portions of the accounts of participants who terminate prior to being fully vested are allocated to participants as additional Company matching contributions. Forfeitures allocated to participants in 2022 and 2021 were approximately \$8,300 and \$7,000, respectively. The forfeiture account balance was approximately \$6,300 and \$9,000 as of September 30, 2022 and 2021, respectively.

### ***Payment of Benefits***

Participants may withdraw amounts from the Plan only after the occurrence of a distributive event and filing of an application for distribution. Distributive events include death, the attainment of age 59½, total and permanent disability, termination of employment, and termination of the Plan. Participants may also obtain hardship withdrawals with the Company's consent. All vested account balances less than \$1,000 may be automatically distributed to the participant.

### ***Administrative Expenses***

Administrative expenses, including recordkeeping and investment advisory services, are asset based and charged to participants on a quarterly basis. Fees related to the administration of distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. In addition, the asset-based fees charged to participants are offset by revenue-sharing income, which is noted on the statements of changes in net assets available for benefits as other income. The Company allocates revenue-sharing income on a pro-rata basis to participant accounts. All other Plan expenses are paid by the Plan Administrator.

### **2. Significant Accounting Policies**

#### ***Basis of Accounting***

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

#### ***Subsequent Events***

Subsequent events have been evaluated by management through June 27, 2023, the date these financial statements were available to be issued.

#### ***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets and changes therein. Actual results could differ from those estimates.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

#### ***Investment Valuation and Income Recognition***

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset (an exit price) in the principal or most advantageous market for the asset in an orderly transaction between market participants on the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### ***Notes Receivable from Participants***

The Plan does not allow participant loans.

#### ***Contributions***

Participant contributions and negotiated employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

## Notes to Financial Statements

---

### *Payment of Benefits*

Benefits are recorded when paid.

### **3. Investments**

In accordance with Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

*Level 2* - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, and other inputs that are observable or can be corroborated by observable market data.

*Level 3* - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The valuation methodologies used to measure the fair value of the Plan's investments are as follows:

*Mutual Funds* - These assets are valued at quoted market prices in an exchange and active market, which represent the net asset value (NAV) of shares held by the Plan.

*Pooled Separate Account (PSA)* - The Plan holds the New York Life Anchor Account (Anchor Account), which is comprised of the New York Life Insurance Company's PSA group annuity contract. The Anchor Account is a stable-value product that guarantees principal and interest. Anchor Account contributions are directed to a New York Life PSA. Units of the PSA are valued based on the underlying investments (i.e., fixed-income securities). While the majority of the underlying asset values are based on quoted prices, the NAV of the PSA is not publicly quoted. The NAV is reported by the fund manager as of the financial statement date based on recent transaction prices and is used to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSA held by the Plan provides for daily redemptions by the Plan at reported NAV with no advance-notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 4. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C), pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, a qualified institution, has certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments reflected on the accompanying statements of net assets available for benefits as of September 30, 2022 and 2021.
- Net appreciation (depreciation) in fair value of investments, dividends, and interest reflected on the accompanying statements of changes in net assets available for benefits for the years ended September 30, 2022 and 2021.
- Investments reflected on the ERISA-Required Schedule of Assets (Held at End of Year) as of September 30, 2022.

At the direction of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and ERISA-required supplemental schedule.

## 5. Related Party Transactions

Total administration, Plan expenses, and other fees paid by the Plan to Empower were approximately \$34,000 for the years ended September 30, 2022 and 2021.

## 6. Plan Termination

Although there is currently no intent to do so, the Company has the right to discontinue contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event

# **Flexfab 401(k) Plan for Bargaining Unit Employees**

## **Notes to Financial Statements**

---

of termination, each participant would become fully vested and the assets of the Plan would be distributed to the participants.

### **7. Tax Status**

The Company applied for an IRS determination letter in October 2022. As of June 26, 2023, the Company has not received a response from the IRS.

Prior to the Plan restatement which was effective October 1, 2021, the Plan relied upon the underlying volume submitter plan which received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is tax exempt. The Company has determined that it is eligible to, and has chosen to, rely on the current IRS volume submitter plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended subsequent to the IRS ruling. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

### **8. Plan Transfers**

During 2022, as permitted by the Plan, funds totaling \$240,641 were transferred into the Flexfab Horizons International Retirement Savings Plan (an affiliated plan sponsored by the Company). Plan transfers were based on changes in job status of certain employees that correspondingly affected their eligibility to participate in the affiliated plan.
