## **Independent Auditor's Report**

RSM US LLP

Board of Directors and Plan Participants  
Republic Plumbing Supply Co., Inc. 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements**

We have performed an audit of the financial statements of Republic Plumbing Supply Co., Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Matters

##### **2022 Supplemental Schedule Required by ERISA**

The supplemental schedule of schedule H, line 4(i)—schedule of assets (held at year end) as of the year ended September 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

##### **Auditor's Report on the 2021 Financial Statements**

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 13 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Republic Plumbing Supply Co., Inc. 401(k) Profit Sharing Plan

### Notes to Financial Statements

---

#### Note 1. Description of the Plan

The following description of the Republic Plumbing Supply Co., Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General and eligibility:** The Plan is a defined contribution retirement plan covering all employees of Republic Plumbing Supply Co., Inc. (the Sponsor). Effective July 1, 2017, all employees, excluding union and part-time, seasonal, and temporary employees, are eligible upon meeting the age twenty-one or older eligibility requirement. Upon meeting the eligibility requirement, an employee can enter the Plan immediately. The Plan was most recently amended and effective June 3, 2021 to comply with the requirements of the 2017 Cumulative List at the time of the restatement.

Effective March 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020. The distribution provision allowed the Plans' participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. In addition, the Plan also adopted the temporary loan repayment suspension provision of the CARES Act. The suspension provision adopted by the Plan allowed qualified Plan participants who have Plan loan repayments due between March 27, 2020, and December 31, 2020, to suspend such repayments until after December 31, 2020. The Plan has not made a formal amendment but is currently operating under these provisions. The deadline for the retroactive amendment is December 31, 2025.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code of 1986 as amended (the Code).

**Participant contributions:** Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Contributions are subject to limitations defined in the Code.

**Employer contributions:** The Sponsor may make discretionary matching contributions and discretionary profit sharing contributions into the Plan. The percentage of the discretionary matching contributions is determined annually, based on an employee's pre-tax contributions. For the year ended September 30, 2022 the discretionary match percentage was 3% of the first 6% of participant contributions and totaled \$7,747. If declared, profit sharing contributions are allocated on a two-tiered formula as defined by the Plan. Participants must complete 1,000 hours of service and be employed as of the last day of the plan year to be eligible to receive an employer matching and profit sharing contribution. Contributions are subject to certain limitations. A profit sharing contribution was declared by the Sponsor's Board of Directors for the year ended September 30, 2022 totaling \$341,896.

**Participant accounts:** Each participant's account is credited with the participant's contribution, allocations of the employer's contributions (if any), plan earnings and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as described. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

#### Note 1. Description of the Plan (Continued)

**Vesting:** Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 100% vested if employed on or after the early or normal retirement age. As defined by the Plan, early retirement age is the later of the date a participant attains the age 62 or the date a participant completes 6 years of service. Normal retirement age is the date the participant attains the age 65. Vesting in the employer's contribution portion of their accounts is based on years of continuous service as follows:

| Years of Service | Vested Percent |
|------------------|----------------|
| Less than 2      | 0%             |
| 2                | 20%            |
| 3                | 40%            |
| 4                | 60%            |
| 5                | 80%            |
| 6                | 100%           |

**Forfeitures:** The balance of the forfeiture account is allocated to eligible participants after the end of the plan year as an additional discretionary profit sharing contribution. Participants must complete 1,000 hours of service and be employed as of the last day of the plan year to be eligible to receive an allocation of forfeitures. During 2022, additions to the forfeiture account totaled \$7,567. At September 30, 2022 and 2021, the forfeited non-vested accounts totaled \$13,562, and \$5,995, respectively. Subsequent to year end \$7,566 of forfeitures were utilized to reduce profit sharing contribution.

**Participant investment options:** Upon enrollment in the Plan, participants may direct their investments to a variety of investment choices as more fully described in the Plan's literature. Participants may change their allocation on a daily basis.

**Notes receivable from participants:** The Plan allows participants to borrow against their vested account balances. Borrowings may not exceed the lesser of \$50,000 or 50% of the participant's vested account balance with a minimum loan of \$1,000. Loan terms range up to five years or over a reasonable period of time for the purchase of a primary residence, as established by the Plan Administrator, at the time of the loan. Principal and interest is paid ratably through payroll deductions. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with those offered by banks for loans of similar risk and term. Loans outstanding at September 30, 2022 bear interest between 4.25% and 6.50% and mature through 2037.

**Payment of benefits:** The value of a participant's account may be distributed upon termination of employment, retirement, death or disability, as defined by the Code. In-service withdrawals are also permitted when a participant attains age 59½. Participants may elect to receive a lump-sum amount or installment payments as soon as administratively possible at the end of the plan year. Participant balances less than \$5,000 can be distributed without consent upon termination of service. Participants who are required to take minimum distributions upon attainment of age 70½ or 72, if the participant did not reach the age 70½ in 2020, they may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installment payments.

**Basis of accounting:** The Plan's financial statements are prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets generally accepted in the United States of America (U.S. GAAP), and are presented on the accrual basis of accounting in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

#### Note 2. Summary of Significant Accounting Policies

**Use of estimates:** The preparation of financial statements in accordance with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are paid by participants from their plan assets and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the plan document.

**Payment of benefits:** Benefits payments are recorded when paid.

**Administrative expenses:** Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. These costs and certain administrative expenses are paid by the Sponsor at management's discretion. As provided by the Plan agreement, administrative expenses related to Plan investments and recordkeeping are paid by the Plan and other administrative expenses are paid by the Sponsor.

**Fair value measurements:** U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

#### Note 2. Summary of Significant Accounting Policies (Continued)

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

**Registered investment companies:** Registered investment companies are valued at the quoted market prices. These securities are categorized in Level 1 as they are actively traded and no valuation adjustments have been applied.

**Common/collective trust fund:** The Common/collective trust fund is valued at net asset value (NAV) per unit based on the underlying investments comprising the trust and based on audited financial statements. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

**Income taxes:** U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2019.

### Notes to Financial Statements

#### Note 6. Income Tax Status

Effective June 3, 2021, the Plan adopted a non-standardized form of a prototype plan sponsored by Capital Group Retirement Plan Services. The prototype plan provider has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

#### Note 7. Party-in-Interest Transactions

Plan investments include registered investment companies managed by American Funds and Capital Bank and Trust. American Funds is the third party administrator and Capital Bank and Trust is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Loans made to participants of the Plan also qualify as party-in-interest transactions. Investment advisory and management fees paid by the Plan to the trustee totaled \$35,521 for the year ended September 30, 2022. Fees paid by the Sponsor to the trustee totaled \$15,752 for the year ended September 30, 2022.

#### Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.
