FINANCIAL STATEMENTS

SEPTEMBER 30, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
IBEW Local 40-NECA 401(k) Plan
3444 Camino Del Rio North, Suite 101
San Diego, California 92108

Members of the Board:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of the IBEW Local 40-NECA 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 8, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW LOCAL 40-NECA 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the IBEW Local 40-NECA 401(k) Plan (the "Plan") provides only general information. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT FOR A MORE COMPLETE DESCRIPTION OF THE PLAN'S PROVISIONS.

A. General

The Plan, which became effective on July 1, 1999, is a multi-employer defined contribution plan covering any individual employed by a signatory employer who is working under the jurisdiction of a collective bargaining agreement between IBEW Local 40 (the "Union") and the Los Angeles Chapter of National Electrical Contractors Association ("NECA"). Each employee shall become eligible to participate on the first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

B. Contributions

A participant may contribute compensation of up to \$10.00 per hour worked. Contributions are limited to the maximum dollar amount allowed by the Internal Revenue Code (the "IRC"). Employer contributions, as required by the collective bargaining agreement, are made by employers on behalf of employees for shifts worked during the year. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for estimated uncollectible accounts.

C. Participant Accounts

Each participant's account is credited with the employer contributions, participant's contributions, rollovers, and allocations of Plan earnings and expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled, at any time, is the balance in his or her individual account. A participant may elect to transfer investments from any investment fund to any other investment fund on a daily basis.

D. Vesting

Participant and employer contributions, rollovers and related earnings are 100% vested and nonforfeitable at all times.

E. Benefits

Benefits under the Plan begin when a participant retires, dies or ceases to be an employee, whichever applies. Normal retirement age is 55.

F. Notes Receivable from Participants

Effective April 1, 2018, participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance subject to a \$50,000 limit, reduced by the highest outstanding loan balance during the preceding twelve months. Loans are only available for the purchase of a primary residence and may not exceed 15 years. The loans are secured by the balance in the participant's account. Principal and interest are paid over the term of the loan with payments made through payroll deductions. Only one loan per participant may be outstanding at a time.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

G. Administrative Expenses

Administrative expenses are charged to the Plan and applied to each participant on a pro-rata basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employer Payroll Compliance Program

Employer remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The Plan has instituted examinations of employers' payroll records under a separate payroll compliance program.

D. Investments

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs are quoted prices in an active market.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis:

September 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 21,200,933	\$ -	\$ -	\$ 21,200,933
September 30, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 23,065,499	\$ -	\$ -	\$ 23,065,499

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Investments (Continued)

Level 1 investments consist of mutual funds that are actively traded on a national exchange based on the closing price reported on the active market.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Investment related expenses are included in net (depreciation) of investments.

E. Payments of Benefits

Benefits are recorded when paid.

NOTE 3 - PLAN TERMINATION

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA and related regulations. The accounts of the participants affected by a partial or complete termination of the Plan are nonforfeitable and will be determined as of the termination date, which will be treated as the valuation date.

NOTE 4 - TAX-EXEMPT STATUS

No provision for federal or state income tax is made. The Plan received its latest notice of tax-exempt status on March 2, 2017. The plan administrator and the Plan's legal counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held as of September 30, 2022 and 2021, and investment income (loss) for the year ended September 30, 2022 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by State Street Bank and Trust Company.

NOTE 6 - RISKS AND UNCERTAINTIES

Plan investments are exposed to various risks such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

NOTE 7 - FEE REIMBURSEMENT

A number of Plan investments selected by the Board of Trustees provide quarterly revenue sharing or administration fees offsets ("AFO") to Transamerica Retirement Solutions, LLC ("Transamerica"), the Plan recordkeeper. The total revenue sharing and AFO collected are used to pay Transamerica's fees. Any amounts in excess of fees will be remitted to the Plan to pay for other qualified plan expenses.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 6, 2023, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
