## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and  
Those Charged with Governance of  
The Reco Employees Savings and Retirement Plan  
Richmond, Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Reco Employees Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets in liquidation available for benefits as of September 30, 2022, and December 31, 2021, and the related statement of changes in net assets in liquidation available for benefits for the period ended September 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Reco Employees Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2022 and December 31, 2021, and for the period ended September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

---

*Your Success is Our Focus*

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Reco Employees Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter – Basis of Accounting**

As discussed in Note 6, the Board of The Reco Employees Savings and Retirement Plan approved a plan of liquidation on December 31, 2021, and management determined liquidation is imminent. As a result, the liquidation basis is used in presenting the financial statements. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Reco Employees Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## NOTES TO FINANCIAL STATEMENTS

September 30, 2022

### Note 1. Plan Description

The following description of The Reco Employees Savings and Retirement Plan (the Plan), formerly known as the Virginia American Industries, Inc. Employees' Savings and Retirement Plan is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan was a defined contribution plan covering all full-time employees of S&F Industries, Inc. and its subsidiaries (the Company), who had six months of service and were age twenty-one or older, excluding certain union employees. The Plan was subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective December 31, 2021, the Plan was terminated. See Note 6 for discussion of Plan termination.

#### Contributions

Prior to Plan termination, the Plan allowed eligible participants to make voluntary deferral contributions of their annual compensation, as defined in the Plan document, subject to Internal Revenue Code (*IRC*) limitations. Eligible participants automatically deferred 2% of included compensation with an automatic increase annually of 1% until the deferral reached 4% of compensation unless the eligible participant made a contrary salary reduction. Participants directed the investment of their contributions into various investment options. The Plan Sponsor made matching contributions equal to 25% of a participant's elective deferral up to 4% of a participant's maximum eligible compensation level not to exceed the limits of Code Sections 401(k). The employer could also make a discretionary contribution in an amount equal to the greater of 1.5% of the participant's compensation subject to the Federal annual compensation limit, or \$.25 per hour worked as a Plan participant, limited to 2,080 hours.

#### Participant accounts

Prior to Plan termination, each participant's account was credited with the participant's contribution and allocations of the Company's contributions and Plan earnings, and charged with benefit payments, transaction fees related to notes receivable from participants, and allocations of administrative expenses and Plan losses. Allocations were based on participant compensation or account balances, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

#### Vesting

Participants were immediately vested in all accounts plus actual earnings thereon.

#### Notes receivable from participants

Prior to Plan termination, participants could borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. The loans were secured by the balance in the participant's account and bear interest commensurate with market rates. Principal and interest were paid ratably through payroll deductions.

## NOTES TO FINANCIAL STATEMENTS

September 30, 2022

### Note 1. Plan Description (Continued)

#### Payment of benefits

Prior to Plan termination, upon termination of service due to death, disability, retirement, or other reasons, a participant could elect to receive a single lump-sum amount or a partial withdrawal. For vested balances of \$5,000 or less, participant consent was not required for the distribution. An in-service distribution was permitted under certain situations and generally was limited to the amount of a participant's account that is 100% vested.

Plan termination distributions were made as single lump-sums, as defined.

#### Administrative expenses

Plan fees and administrative expenses were paid by the Company or the Plan on a discretionary basis.

### Note 2. Summary of Significant Accounting Policies

#### Basis of accounting

In accordance with accounting principles generally accepted in the United States of America, the financial statements of the Plan are prepared under the liquidation basis of accounting.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements. Such estimates also affect the reported amounts of income and expenses during the reporting period. Actual results could vary from the estimates that were used.

#### Investment valuation and income recognition

The Plan's investments were recorded at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Prior to Plan termination, the Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets in liquidation available for benefits.

### NOTES TO FINANCIAL STATEMENTS

September 30, 2022

#### Note 2. Summary of Significant Accounting Policies (Continued)

##### Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest.

##### Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the *IRC* were recorded as a liability with a corresponding reduction to contributions.

##### Benefit payments

Prior to Plan termination, benefits paid to participants were recorded when paid.

#### Note 3. Information Certified by the Trustees

Certain information was certified as complete and accurate by the Plan's Trustees (Great-West Trust Company as of December 31, 2021 and Empower Trust Company, LLC for the period of January 1, 2022 through September 30, 2022). That information is as follows:

- Investment assets
- Investment transactions
- Investment income
- Notes receivable from participants

#### Note 4. Fair Value Measurements

The Plan's mutual funds and collective investment trusts at December 31, 2021, were reported at fair value in the accompanying statements of net assets in liquidation available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods were appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the report date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consist of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 consists of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

**September 30, 2022**

**Note 4. Fair Value Measurements (Continued)**

The collective investment trust fund issued by Federated Capital Preservation Fund and owned at December 31, 2021, is composed primarily of annuity contracts and is valued at the net asset value of units of the collective investment trust fund. Net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021. Due to Plan liquidation, there are no investments held by the Plan at September 30, 2022. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	<b>Fair Value Measurements at Reporting Date Using:</b>	
	<b>Fair Value</b>	<b>Quoted Prices in Active Markets for Identical Assets (Level 1)</b>
<b><u>December 31, 2021</u></b>		
Mutual funds	<u>\$ 7,242,053</u>	<u>\$ 7,242,053</u>
Total assets in fair value hierarchy	7,242,053	7,242,053
Investments measured at NAV*	<u>105,205</u>	<u>-</u>
Investments at fair value	<u><u>\$ 7,347,258</u></u>	<u><u>\$ 7,242,053</u></u>

\*In accordance with Subtopic 820-10, certain investments that are measured using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets in liquidation available for benefits.

**NOTES TO FINANCIAL STATEMENTS**

**September 30, 2022**

**Note 4. Fair Value Measurements (Continued)**

*Level 1 Fair Value Measurements*

The fair values of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

*Investments Measured Using the NAV per Share as a Practical Expedient*

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Notice Period</u>
<b><u>December 31, 2021</u></b>				
Collective				
Federated Capital				
Preservation Fund	\$ 105,205	None	Daily	None

**Note 5. Tax Status**

The Plan was an adoption of a non-standardized plan sponsored by the Company and had not requested a determination letter but rather had relied upon the Internal Revenue Service opinion letter dated March 31, 2014, issued on the non-standardized plan stating the Plan and related trust were designed in accordance with applicable sections of the IRC. The Plan had been amended since receiving the letter. However, the Plan Administrator believes that the Plan was designed and was operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

**Note 6. Plan Termination**

Effective December 31, 2021, the Board elected to terminate the Plan and cease all employee deferrals, employer matching contributions and loan payments, with the December 31, 2021, payroll period. The matching contribution for 2021 was made in March 2022. All assets were effectively distributed to participants as of September 30, 2022.

**NOTES TO FINANCIAL STATEMENTS**

**September 30, 2022**

**Note 7. Related-Party and Party-in-Interest Transactions**

Prior to Plan termination, certain Plan assets were invested in funds held by the Plan's trustee and managed by the investment advisor. Therefore, these transactions qualified as party-in-interest transactions. However, these transactions were not considered prohibited transactions. Certain Plan investments were shares of mutual funds and common collective trusts managed by Empower Trust Company, LLC, the trustee. These transactions qualified as exempt party-in-interest transactions. Fees paid by the Plan to the trustee for these services were \$2,900 during the period ended September 30, 2022.

**Note 8. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets in liquidation available for benefits per the financial statements to Form 5500 as of December 31, 2021:

Net assets in liquidation available for benefits per the financial statements	\$ 7,426,587
Employer contribution receivable	(20,240)
Excess contributions	37,076
Net assets available for benefits per the Form 5500	<u>\$ 7,443,423</u>

The following is a reconciliation of changes in net assets in liquidation available for benefits per the financial statements to Form 5500 for the period ended September 30, 2022:

Net decrease in net assets in liquidation available for benefits per the financial statements	\$ (7,426,587)
Change in employer contribution receivable	20,240
Change in excess contributions	(37,076)
Net loss per Schedule H of Form 5500	<u>\$ (7,443,423)</u>

**Note 9. Subsequent Events**

Subsequent events have been evaluated through July 12, 2023, the date the financial statements were available to be issued.
