INDEPENDENT AUDITORS' REPORT

To the Participants and Trustees of the
RDR, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of RDR, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of RDR, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the RDR, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RDR, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RDR, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RDR, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RDR, INC. 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the RDR, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which was established effective January 1, 1989, by RDR, Inc. (the Company). The Plan covers all eligible employees of the Company, with no minimum age or service requirements. The Plan was most recently amended in March 2021 to comply with the Bipartisan Budget Act of 2018.

Participant Contributions

Participants may contribute up to 50% of their gross compensation, as defined by the Plan, not to exceed the maximum allowable contribution limit under the Internal Revenue Code (the Code), which totaled \$20,500 for the year ended December 31, 2022. Participants may also contribute post-tax Roth elective contributions. A participant's Roth elective contributions are allocated to a separate account maintained for such contributions. Roth elective contributions are treated as elective contributions for all purposes under the Plan. Participants who have attained age 50 before the end of the Plan year may make additional catch-up contributions, subject to limitations imposed by the Code. Participants are permitted to make rollover contributions to the Plan.

Automatic Enrollment

The Plan has an automatic enrollment feature whereby an eligible employee will be automatically enrolled to contribute to the Plan at a rate of 6% of eligible compensation, as defined by the Plan, unless the employee opts out of Plan participation or elects another deferral percentage. The initial percentage will increase on the first day of each Plan year by 1% of eligible compensation, up to a maximum of 10% of eligible compensation.

Company Contributions

The Plan allows for discretionary matching and nonelective profit sharing contributions. The Company made discretionary matching contributions totaling \$331,828 for the year ended December 31, 2022. The Company did not make any nonelective profit sharing contributions for the year ended December 31, 2022.

**Notes to the Financial Statements
As of December 31, 2022 and 2021 and
For the Year Ended December 31, 2022**

1. DESCRIPTION OF THE PLAN - cont'd.

Participant Accounts

Each participant's account is participant-directed and credited with the participant's contributions, the Company's contributions, and an allocation of Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Vesting

Participants are immediately vested in their contributions and all matching and profit sharing contributions made by the Company, plus actual earnings thereon.

Payment of Benefits

Upon termination of service due to death, disability, normal retirement age, or attainment of age 59½, a participant is entitled to a distribution of their vested account balance. Distributions from the Plan are payable in the form of a lump sum or installment payments equal to the value of the participant's vested interest in his or her account. Upon proof, to the satisfaction of the Plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. In all cases, certain income tax penalties may apply to withdrawals or distributions prior to age 59½. Distributions are subject to the applicable provisions of the Plan agreement. There were no net assets of the Plan allocated to the accounts of participants who had elected to withdraw from the Plan that had not received such distributions as of December 31, 2022 and 2021.

Forfeitures

Forfeitures resulting from Company contributions made relating to excess participant contributions, as determined from annual discrimination testing, can be used to reduce future Company contributions. As of December 31, 2022 and 2021, there were \$0 and \$3,383 of forfeitures available to reduce future Company contributions, respectively. Forfeitures totaling \$2,859 were used to offset Company contributions for the year ended December 31, 2022.

**Notes to the Financial Statements
As of December 31, 2022 and 2021 and
For the Year Ended December 31, 2022**

1. DESCRIPTION OF THE PLAN - cont'd.

Notes Receivable from Participants

Participants may borrow up to 50% of their vested account balance not to exceed \$50,000. The minimum note amount is \$1,000 and a participant cannot hold more than one outstanding loan at any given time. The notes are collateralized by the participant's vested account balance. The period of repayment may not exceed five years. All notes bear interest at rates comparable to those offered by financial institutions at the time of note origination, as determined by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions.

Plan Expenses

Expenses incurred in the administration of the Plan are required to be paid by the Trustee with net assets of the Plan unless paid by the Company, at its discretion. A portion of the Plan's direct expenses were paid by the Company during the year ended December 31, 2022. Administrative expenses totaling \$72,039 were paid directly from the Plan for the year ended December 31, 2022.

Loan and distribution fees are paid by the Plan and its participants. Investment related expenses are included in net depreciation in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities and changes therein at the date of the financial statements and reported amounts of additions to net assets available for benefits and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in assets that, in general, are exposed to risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities may occur and materially affect the amounts reported in the statements of net assets available for benefits.

RDR, INC. 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Fair Value Measurement

Accounting Standards Codification, *Fair Value Measurement* (ASC 820), defines fair value and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

RDR, INC. 401(k) PROFIT SHARING PLAN

Notes to the Financial Statements As of December 31, 2022 and 2021 and For the Year Ended December 31, 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – cont'd.

Fair Value Measurement – cont'd.

Interests in registered investment companies: Valued at the closing price reported in the active market in which the funds are traded.

Interests in common/collective trusts: Valued at the net asset value (NAV) of shares held by the Plan at year-end as a practical expedient.

Interests in pooled separate accounts: Valued at the net asset value (NAV) of shares held by the Plan at year-end as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2022 and 2021.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Interests in registered investment companies	\$ 6,303,173	\$ -	\$ -	\$ 6,303,173

Interests in pooled separate accounts	-	-	-	3,314,072
Total investments, at fair value	\$ 6,303,173	\$ -	\$ -	\$ 16,298,597

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

Fair Value Measurement – cont'd.

In accordance with ASC 820-10, certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

In accordance with the fair value measurement and disclosure guidance, the following table presents the category, fair value, redemption frequency, redemption notice period, and unfunded commitments for Plan investments, the fair value of which are estimated using the net asset value per share practical expedient as of December 31,:

Payment of Benefits

**Notes to the Financial Statements
As of December 31, 2022 and 2021 and
For the Year Ended December 31, 2022**

3. INVESTMENTS

All investment information contained in the accompany financial statements and supplemental schedule, including assets held as of December 31, 2022 and 2021, and interest and dividend income and net realized and unrealized depreciation in the fair value of investments for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company, the Custodian and Trustee of the Plan

4. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by an affiliate of Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company, the Custodian and Trustee of the Plan. The Plan allows for participants to take loans against their vested account balances. The Company provides the Plan with certain accounting and administrative services for which no fees are charged. All such transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

5. PLAN TERMINATION

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. INCOME TAX STATUS

The Plan is governed by a prototype plan sponsored by Principal Life Insurance Company. The prototype plan received an opinion letter dated March 31, 2014 from the Internal Revenue Service stating that the Plan and related trust are designed in accordance with the applicable sections of the Code. The Plan has been amended since receiving this opinion letter, but management believes the Plan remains in conformity with the Code and is exempt from Federal taxes. Therefore, no provision for income taxes has been recorded in the accompanying financial statements.

ASC 740, *Income Taxes*, prescribes a recognition threshold and a measurement attribute for the financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return as well as guidance on de-recognition, classification, interest and penalties and financial statement reporting disclosures. For these benefits to be recognized, a tax position must be more-likely-than-not to be sustained upon examination by taxing authorities. As the Plan is tax exempt and has no unrelated business income, these provisions of ASC 740 do not have an impact on the Plan's financial statements. The Plan recognizes interest and penalties accrued on any unrecognized tax exposures as a component of income tax expense. The Plan does not have any amounts accrued relating to interest and penalties as of December 31, 2022 and 2021.

The Plan is subject to routine audits by the IRS and Department of Labor; however, there are currently no audits in progress for any open periods.
