INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Plan Participants
Westview Nursing Care & Rehabilitation Center, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Westview Nursing Care & Rehabilitation Center, Inc. Savings & Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Westview Nursing Care & Rehabilitation Center, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Westview Nursing Care & Rehabilitation Center, Inc. Savings & Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Westview Nursing Care & Rehabilitation Center, Inc. Savings & Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Westview Nursing Care & Rehabilitation Center, Inc. Savings & Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended September 30, 2022 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of September 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Westview Nursing Care & Rehabilitation Center, Inc. Savings & Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2021 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAVINGS & RETIREMENT PLAN**

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Westview Nursing Care & Rehabilitation Center, Inc. Savings & Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a participant directed defined contribution plan established to provide retirement benefits for eligible employees of Westview Nursing Care & Rehabilitation Center, Inc. (the Company or Plan Sponsor) who have at least 1 year of service and have reached the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan management and the plan administrator are responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

CARES Act

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act provisions is required to occur on or before December 31, 2025.

PARTICIPANT CONTRIBUTIONS

Participants may contribute up to 100% of compensation up to the maximum allowed by the Internal Revenue Code (the Code) (\$20,500 for 2022). Participants may also contribute amounts representing distributions from other qualified retirement plans to the extent permitted by the Code once they have met the eligibility requirements for participation in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions (\$6,500 for 2022).

COMPANY MATCHING CONTRIBUTIONS

The Plan allows the Company to make discretionary matching contributions equal to a discretionary percentage, as determined by the Plan Sponsor, of the participant's elective deferrals. For 2022, the Company match was 100% of each participant's elective deferral contribution up to 4% for calendar year 2021 and up to 5% for calendar year 2022, of the participant's compensation annually. All contributions are subject to certain limitations imposed by the Plan and the Code.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

COMPANY PROFIT SHARING CONTRIBUTIONS

The Company may make a discretionary profit sharing contribution, to be determined annually. There were no profit sharing contributions for the year ended September 30, 2022.

PARTICIPANT ACCOUNTS

Participants have separate accounts for employee and Company contributions for each investment option selected. Participants may elect to have contributions invested in any or all of the Plan's funds, subject to certain limitations. Investment income and administrative expenses are allocated to the participants' accounts regularly. Allocations of investment income and administrative expenses are based on a participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

VESTING

Participants are immediately vested in their deferral and rollover contributions, including the earnings on these amounts. Vesting in the Company's matching and profit sharing contributions portion of their accounts is based on years of continuous service. Participants vest in Company matching and profit sharing contributions as follows:

Years of Service

1	0%
2	25%
3	50%
4	75%
5 or more	100%

FORFEITURES

Effective September 30, 2020, forfeitures are reallocated to the participants. Forfeitures were \$942 and \$306 at September 30, 2022 and 2021, respectively.

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested account balance. Loan terms range from one to five years, except for loans to purchase a primary residence which may be offered over a term of up to thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate that professional lenders would charge, as determined by the plan administrator. The notes bear interest ranging from 3.25% to 6.50%. Participants may only have one loan outstanding at any given time. Principal and interest payments are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon retirement, disability or death, the participant shall become entitled to the total value of his or her vested account, determined as of the valuation date. The Plan also provides for in-service withdrawals by qualified participants. Distributions will generally be paid by lump sum. Partial withdrawals are allowed provided the minimum withdrawal is \$1,000. Under certain circumstances partial withdrawals or installments are only permitted for participants or beneficiaries who must receive required minimum distributions under Code Section 401(a)(9). Upon severance of employment, distributions may be made as soon as administratively feasible following severance of employment. If the participant's balance does not exceed \$5,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without the consent of the participant.

Participants may withdraw all or any portion of their vested account balance in the event of undue financial hardship, as defined in the Plan Agreement.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

The Plan's investment contract is reported at contract value. Contract value is the measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan (See Note 6).

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. Delinquent loans are treated as distributions based on the terms of the Plan Agreement. During the year ended September 30, 2022, there were no loans deemed distributed. No allowance for credit losses has been recorded as of September 30, 2022 and 2021.

PAYMENT OF BENEFITS

Benefits paid to participants are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

NEWLY-ADOPTED ACCOUNTING PRONOUNCEMENTS

In July 2019, the Auditing Standards Board of the American Institute of Certified Public Accountants (AIPCA) issued Statement on Auditing Standards Update (ASU) No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to the Employee Retirement Income Security Act of 1974 (ERISA)*. SAS 136 made significant changes to many aspects of employee benefit plan audits covered by ERISA. One of the biggest changes was the creation of Section 103(a)(3)(C), which effectively replaces the limited scope audit provision with new rules. The effective date for this change is for audit periods ending on or after December 15, 2021. At the time of adoption, "Limited-Scope Audits" will be referred to as ERISA Section 103(a)(3)(C) audits. Management has evaluated the impact that the adoption has on the recognition of revenue and has determined that it has not had a material impact on the financial statements.

SUBSEQUENT EVENTS

In preparing these financial statements, management has evaluated subsequent events through July 17, 2023, which represents the date the financial statements were available to be issued. Except as described below, there were no events requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.

SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 3 – TAX STATUS

During 2022, the Plan amended and restated its adoption agreement, which obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then described, was in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of September 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Generally, taxing authorities may examine the Plan's returns for three years from the date of filing. There are currently no examinations pending or in progress.

NOTE 4 – INVESTMENTS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform, and they did not perform, an auditing procedures with respect to information certified by Reliance Trust Company (Reliance), the custodian of the Plan as of September 30, 2022 and 2021, and for the year ended September 30, 2022, except for comparing the information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at September 30, 2022 and 2021, and net depreciation in fair value of investments and interest and dividend income for the year ended September 30, 2022, was obtained or derived from the information supplied to the Plan administrator and certified as complete and accurate by Reliance.

NOTE 5 – FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities. The Plan's Level 1 securities were valued at the closing price reported on the active markets on which the individual securities are traded.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liability (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs for the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at September 30, 2022 and 2021.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 5 – FAIR VALUE MEASUREMENT (CONTINUED)

MUTUAL FUNDS

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Cash and mutual funds are all considered Level 1 investments.

NOTE 6 – GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive group annuity insurance contract (GAC) with the Standard Insurance Company (Standard). Standard's GAC value is a general liability against Standard Insurance Company on the Plan's behalf and there are no particular segregated or identifiable assets of Standard Insurance Company ascribed to the Plan's GAC. Contract value represents contributions made, less withdrawals and administrative expenses, plus interest credited. Daily liquidity is available for participant contributions and withdrawals at contract value regardless of market conditions. Contract value is guaranteed by the full faith and credit of Standard; there are no wrap contracts supporting the liquidity of the fund. Crediting interest rates for the contract are set by Standard Insurance Company quarterly for all assets in the fund during the coming quarter, and are reset quarterly, but will never be below 1 percent annually.

The Plan Sponsor has instructed Standard to reduce the declared crediting rate in order to offset certain administrative fees. The crediting interest rate, as adjusted, for the year ended September 30, 2022 was 1.23%.

Certain events may limit the ability of the plan to transact at contract value. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. The Plan Sponsor may choose to pay the market value adjustment directly, if applicable, so that participants' contract values are not affected.

The GAC did not specify any events that would limit the ability of the Plan to transact a contract value with Standard or any events, which would allow Standard to terminate the GAC and settle for an amount different from the contract value.

SAVINGS & RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED SEPTEMBER 30, 2022 AND 2021

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain assets of the Plan represent notes receivable from participants. These transactions qualify as party-in-interest transactions; however, they are not considered prohibited transactions under 29 CFR 2550.408(b) of the ERISA regulations. As of September 30, 2022 and 2021, Plan investments consist of mutual funds and guaranteed investment contracts managed by Reliance and Standard. Therefore, these transactions qualify as party-in-interest transactions. Investment and administrative expenses paid by the Plan to Standard totaled \$38,702 for the year ended September 30, 2022.

NOTE 8 – RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their Company contributions.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS AND COMPENSATION

Delinquent Contributions

During the 2022 plan year, the Plan Sponsor identified participant contributions which were not timely remitted to the Plan in the amount of \$82,917, according to Regulations 29 CFR 2510.3-102 of the United States Department of Labor Regulations. During the 2022 plan year, the Plan Sponsor made corrective contributions including lost earnings on delinquent contributions of \$51,403. The Plan calculated lost earnings of \$2,033 on the remaining delinquent contributions of \$31,514 and deposited the funds on July 17, 2023.

Compensation

During the 2022 plan year, certain compensation was paid to employees that met the definition of compensation per the Plan document, that the Plan Sponsor failed to withhold and remit participant contributions to the Plan. Such contributions amounted to \$814, which is included in employee contributions receivable on the statement of net assets available for benefits at September 30, 2022. To correct this error, the Plan made a qualified non-elective contribution of \$861, including lost earnings of \$47 which was deposited to the plan on July 17, 2023.
