Independent Auditors' Report

To the Plan Sponsor and Participants of the
DiVal Safety Equipment, Inc. 401(k) Plan
Buffalo, New York

Opinion on the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of the DiVal Safety Equipment, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of September 30, 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current instrument, including all amendments, administering, and determining that the transactions that are presented and disclosed in the financial statements are in conformity with the provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures in the audit of the financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with accounting standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditors' Report

To the Plan Sponsor and Participants of the
DiVal Safety Equipment, Inc. 401(k) Plan
Buffalo, New York

Report on the 2021 Financial Statements

We were engaged to audit the accompanying financial statements of the DiVal Safety Equipment, Inc. 401(k) Plan (the "Plan") which comprise the statement of net assets available for benefits as of September 30, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2021 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Nationwide Life Insurance Company, the custodian of the Plan (the "Custodian"), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of and for the year ended September 30, 2021, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion of the 2021 financial statements. Accordingly, we do not express an opinion on the 2021 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statements

The form and content of the information included in the 2021 financial statements, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

DiVal Safety Equipment, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the DiVal Safety Equipment, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of DiVal Safety Equipment, Inc. and its affiliates, Safety & Gloves, Inc. dba Galeton, and Safety & Steel, Inc. dba Posner (the “Plan Sponsor”). Employees must complete 3 months of service in order to become eligible to participate in the Plan. The service requirement is waived for employees acquired as a result of the Mid-Atlantic Fire & Air Corporation acquisition employed on April 30, 2021.

The Plan, established effective October 1, 1997, was subsequently amended and restated most recently on February 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Amendments – In response to the impacts of the COVID-19 (Coronavirus) pandemic, the Plan has implemented regulations available to the employee benefit plans under the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”). The Plan was amended on November 24, 2021, with an effective date of March 27, 2020, to implement changes related to the CARES Act.

The Plan was amended effective January 1, 2022, to include an automatic enrollment provision. Eligible participants will be automatically enrolled with a 3% deferral.

Contributions – Participants may elect to contribute up to a maximum of 100% of their annual compensation, limited by the amount imposed by law. Additionally, participants age 50 or older may elect to make a catch-up contribution limited to the amount imposed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (i.e., rollovers).

The Plan Sponsor may make a matching contribution equal to a uniform percentage of the employees’ salary deferral. A participating employee is eligible to receive a contribution under the Plan if they are actively employed on the last day of the Plan year, regardless of the number of Hours of Services credited during the Plan Year. During the years ended September 30, 2022 and 2021, the Plan Sponsor made discretionary matching contributions to eligible participants totaling \$138,000 and \$132,000, respectively.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions and the participant’s share of Plan earnings. Participant accounts are decreased by participant distributions and the participant’s share of Plan expenses and losses. The allocation of earnings and losses to participant accounts is based upon the value of an

DiVal Safety Equipment, Inc. 401(k) Plan
Notes to Financial Statements (continued)

1. Description of the Plan (continued)

individual account in relation to the total assets of the Plan. The benefit to which participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their salary deferral contributions, rollover contributions and actual earnings thereon. Participants are 20% vested in Plan Sponsor contributions after two years of service and vest ratably at 20% per year thereon. Accordingly, participants are fully vested in Plan Sponsor contributions after six years of service.

Forfeitures – Forfeitures resulting from non-vested Plan Sponsor contributions may be used to pay Plan expenses or reduce the Plan Sponsor's matching contributions. The forfeitures balance as of September 30, 2022 and 2021 totaled \$1,807 and \$5,829, respectively. Plan expenses for the year ended September 30, 2022 were reduced by \$5,829.

Payment of Benefits – Participants may elect to withdraw their funds from the Plan upon termination, attaining age 59½, or earlier in the event of financial hardship, death or disability. Benefit payments are typically made in the form of a lump-sum distribution.

Notes Receivable from Participants – Participants may borrow a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have one loan outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at 2% above the prime rate. Repayment terms may not exceed five years, with the exception of a note used to purchase a primary residence, in which case extended repayment terms are available. Principal and interest is paid ratably through each payroll deduction. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan agreement.

Income Taxes – The Plan Sponsor obtained a letter dated August 7, 2001 in which the Internal Revenue Service ("IRS") stated that the Plan is qualified under Section 401(a) of the Code. An adopting employer may rely upon that letter with respect to qualification of its plan under Section 401(a) of the Code. Although the Plan was restated subsequent to the IRS determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code, and therefore, is qualified and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

Accounting principles generally accepted in the United States of America ("GAAP") require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions;

DiVal Safety Equipment, Inc. 401(k) Plan

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

however, there are currently no audits for any tax periods in progress. Management is not aware of any uncertain tax positions that would cause the Plan to lose its tax status or to otherwise be subject to other taxes or penalties.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan agreement to discontinue its contributions at any time and to terminate its participation in the Plan, subject to the provisions of ERISA. In the event of partial or complete Plan termination, participants will become fully vested in their accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan presents in the accompanying statements of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of investments which includes both realized gains and losses and unrealized appreciation (depreciation) in the fair value of investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Plan Expenses – Certain accounting and administrative expenses of the Plan are paid by the Plan Sponsor. Expenses relating to investment activity are paid by the Plan.

Benefit Payments – Benefits are recorded when paid.

Party-in-Interest Transactions – The Plan invests in mutual funds and a collective investment fund managed by Nationwide Life Insurance Company (“Nationwide”). Nationwide is the Plan custodian (the “Custodian”) as defined by the Plan document and, therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transactions rules. Fees paid to the Custodian for custodial and investment management services for the years ended September 30, 2022 and 2021 totaled \$38,834 and \$43,852, respectively.

DiVal Safety Equipment, Inc. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate and market risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Use of Estimates – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Subsequent Events – The Plan Administrator has evaluated subsequent events, for recognition or disclosure, through July 14, 2023, the date the accompanying financial statements were available to be issued, and determined that no additional recognition or disclosure was required.

3. Information Certified by the Custodian (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the investments and notes receivable from participants included in the accompanying financial statements and supplemental schedule is complete and accurate.

The Custodian certified interest income of \$11,792, and net appreciation in fair value of investments of \$3,552,946 for the year ended September 30, 2021.

4. Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurement*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure the fair value of the Plan's assets. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- **Level 1 Inputs** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date.

DiVal Safety Equipment, Inc. 401(k) Plan
Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

- **Level 2 Inputs** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security.
- **Level 3 Inputs** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There are no assets held by the Plan that utilized Level 3 inputs as its primary measure of fair value at September 30, 2022 and 2021.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Level 1		
Mutual funds	\$ 13,770,395	\$ 16,757,159
Level 2		
Collective investment fund	<u>1,084,778</u>	<u>1,092,895</u>
Total investments at fair value	<u>\$ 14,855,173</u>	<u>\$ 17,850,054</u>

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

Collective Investment Fund: The collective investment fund invests an actively managed, highly diversified portfolio of investment grade, fixed and floating rate securities. The fair value of this account is based on inputs that are derived principally from or corroborated by observable market data by correlation or other means.
